

EASEMENT AGREEMENT

THIS AGREEMENT, dated as of April 1, 1973,
between FIRST MISSISSIPPI CORPORATION, a Mississippi
corporation having a mailing address of Post Office Box
.1249, Jackson, Mississippi 39205 ("FIRST MISSISSIPPI")
and FREEPORT INDUSTRIAL DEVELOPMENT VENTURE, a joint venture
composed of S & T of Mississippi, Inc., Philipsborn-DeSoto, Inc.,
and Southaven Land Company, having a mailing address at
Post Office Box 30355, Memphis, Tennessee 38130 ("FREEPORT").

W I T N E S S E T H:

WHEREAS, by Option to Purchase Easement dated August 5,
1971, FIRST MISSISSIPPI agreed to convey an easement across
certain property owned by it in Section 27, Township 1 South,
Range 8 West, DeSoto County, Mississippi, on the terms and
conditions expressed in said Option to Purchase Easement; and

WHEREAS, Southaven Land Company, Grantee in said Option
to Purchase Easement, has assigned its rights therein to
FREEPORT; and

WHEREAS, Freeport exercised the option in a timely manner,
and First Mississippi hereby grants such easement upon the
terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the sum of Five
Thousand Dollars (\$5,000.00) paid by FREEPORT to FIRST MISSISSIPPI
the receipt of which FIRST MISSISSIPPI acknowledges, and the
mutual covenants herein contained, it is hereby agreed as follows,
to-wit:

1. FIRST MISSISSIPPI hereby grants and conveys in perpetuity to PREPORT an exclusive easement for a railroad lead, such easement being across property in Section 27, Township 1 South, Range 8 West, DeSoto County, Mississippi, being 50 feet wide and lying 25 feet on each side of a centerline described as follows, to-wit:

Beginning at a point in the north line of Section 27, Township 1 South, Range 8 West, DeSoto County, Mississippi, said point being 1,354.57 feet east of the northwest corner of said Section 27 and 40 feet west of the southwest corner of the Charles Robinson property; thence south at an angle in the southwest quadrant of $89^{\circ} 05' 40''$ 80 feet to a point at the beginning of a curve to the left having a radius of 573.69 feet (10°); thence southeastwardly along the arc of said curve 700.89 feet to a point at the end of said curve; thence southeastwardly on a line tangent to said curve 499.36 feet to a point at the beginning of a curve to the right having a radius of 573.69 feet (10°); thence southwestwardly along the arc of said curve 321.2 feet, more or less, to a point in the westerly right-of-way line of the Illinois Central Railroad, such railroad right-of-way being 100 feet wide.

FIRST MISSISSIPPI warrants that it has the right to grant the easement conveyed hereby, and that the same is free and clear of encumbrances less and except an existing easement to Texas Gas Transmission Corporation, existing recorded rights-of-way for electric service, DeSoto County zoning and subdivision regulations and the rights (if any) of tenants in possession under agricultural leases which expire December 31, 1973.

2. FREEPORT shall have the right to construct, operate and maintain on said easement a railroad lead track (hereinafter referred to as Lead Track), including the right and also the obligation (which it may impose on others) to maintain and to clear the easement of all brush, timber and other obstructions (except to the extent interfering with prior easements and rights-of-way described in Paragraph 1 above). In addition, FREEPORT shall have the right to operate, maintain, repair and replace Lead Track laid therein. FREEPORT shall further have the right to grade said easement and to make necessary and appropriate fills and cuts and to lay crossties and rails for the Lead Track.

During the construction period, FREEPORT shall have the right to enter into and upon adjacent lands now owned by FIRST MISSISSIPPI, (or its assigns), as reasonably necessary to construct the Lead Track, provided that in no event will FREEPORT do so without FIRST MISSISSIPPI first having approved what FREEPORT proposes to undertake and having approved the route and location thereof, such consents to not be unreasonably withheld. FREEPORT will restore any properties entered upon pursuant hereto, to the condition prior to such entry by FREEPORT, its contractors, successors and assigns.

FREEPORT shall not place, pile or put upon lands of FIRST MISSISSIPPI debris, rubbish, dirt or trash without the express written consent of FIRST MISSISSIPPI.

FREEPORT shall indemnify and hold harmless FIRST MISSISSIPPI and its tenants from any and all damages to others, except those caused by the sole negligence of FIRST MISSISSIPPI, arising out of or in any way resulting from construction of the Lead Track, including the entry upon and/or failure to restore the adjacent lands of FIRST MISSISSIPPI; and FREEPORT will defend at its expense any lawsuit or claim against FIRST MISSISSIPPI arising from said construction, or the exercise by FREEPORT of its other rights granted herein.

3. FIRST MISSISSIPPI grants to FREEPORT, subject in each case to the prior written approval of FIRST MISSISSIPPI prior to the implementation thereof, the right to reasonably change the drainage as may be necessary or convenient in construction of the Lead Track, to straighten drainage ditches or to change the drainage of surface water caused by such construction provided, however, no such drainage as changed shall cause water conditions to be adversely affected on any surrounding property or on any property upon which tenants are engaged in farming operations located nearby. Outlets to natural drainage shall be provided so water will not accumulate behind any road bed. FIRST MISSISSIPPI's approval shall not be unreasonably withheld.

4. FIRST MISSISSIPPI acknowledges payment of the Five Thousand Dollars (\$5,000.00) purchase price as full compensation for conveyance of the perpetual and exclusive easement granted hereby, and for all damages incidental to the exercise of any of the rights above described, except damages to growing crops

and withdrawal of acreage from leases as to which FREEPORT will settle directly with tenants. This paragraph, however, is not to be construed as releasing FREEPORT from any indemnities hereinabove described.

5. In the event FIRST MISSISSIPPI, its successors or assigns elects to construct trackage (hereinafter referred to as First Mississippi Track) on its own property up to the easement granted herein, FIRST MISSISSIPPI, its successors or assigns shall have the right, without charge therefor, to construct trackage (hereinafter referred to as Connecting Track) on the property covered by the easement to connect the First Mississippi Track with the Lead Track, provided that the Connecting Track is constructed in accordance with generally accepted engineering and safety standards and specifications and that FIRST MISSISSIPPI, its successors and assigns notify FREEPORT, its successors or assigns and the Illinois Central Gulf Railroad Company prior to performance of any construction or maintenance work on the property covered by the easement. Construction and maintenance of the First Mississippi Track and the Connecting Track shall be performed at no expense to FREEPORT, its successors or assigns or Illinois Central Gulf Railroad Company.

It is understood and agreed that FREEPORT, its successors or assigns, or any common carrier conducting railroad operations on the Lead Track shall not have the right nor the obligation to conduct railroad operations upon or otherwise occupy or use the Connecting Track or the First Mississippi Track unless

such operations, occupancy or use is covered by a separate agreement executed by the appropriate parties which said agreement contains terms and conditions which are agreeable to such parties. Also FIRST MISSISSIPPI, its successors or assigns shall not have the right to operate motive power upon or otherwise occupy or use the Lead Track or any portion of the Connecting Track within fifteen (15) feet of the center line of the Lead Track unless such operation, occupancy or use is covered by a separate agreement executed by the appropriate parties, which said agreement contains terms and conditions acceptable to such parties.

In addition, if FREEPORT fails, for any reason to install said railroad lead track within the easement conveyed hereby within eighteen (18) months from the date first above set forth, this easement, together with all rights in connection therewith, shall terminate, such easement shall revert to FIRST MISSISSIPPI and FIRST MISSISSIPPI shall be entitled to retain the Five Thousand Dollars (\$5,000.00) payment from FREEPORT as liquidated damages.

6. FIRST MISSISSIPPI shall have the right, at its sole expense, to install and maintain a reasonable number of road crossings over the property covered by the easement herein granted. FIRST MISSISSIPPI shall, at its sole expense, install and maintain crossings of the Lead Track for said roads, provided that such installation and maintenance is performed in accordance with

generally accepted engineering and safety standards and specifications and that FIRST MISSISSIPPI shall install and maintain any crossing protection required by lawful authorities. FIRST MISSISSIPPI shall have the right to assign the right to install, maintain and use any roadway and crossing provided that the party assuming such right shall also have the obligation to install and maintain the roadway and crossing and the crossing protection as aforesaid.

FIRST MISSISSIPPI, its successors or assigns shall advise FREEPORT, its successors or assigns of the location of each roadway and crossing and it is agreed that installation and maintenance of such roadway, crossing or crossing protection shall be performed so as not to unreasonably interfere with the use of the Lead Track by Freeport, its successors or assigns or any common carrier operating thereon.

7. FIRST MISSISSIPPI shall deliver to FREEPORT upon request a Certificate of Title covering the easement conveyed hereby, evidencing FIRST MISSISSIPPI's right to convey the same, subject to the exceptions hereinabove noted.

8. The easement granted herein to FREEPORT and the rights and obligations of FREEPORT or FIRST MISSISSIPPI herein provided shall run with the land upon which the easement is granted and shall be binding upon and inure to the benefit of the parties hereto, their successors and/or assigns.

FIRST MISSISSIPPI shall have the right to terminate the said easement if any of the following occurs:

A. Illinois Central Gulf Railroad Company's main line from which the Lead Track springs is abandoned for a period of thirty-six (36) consecutive months.

B. Lead Track is not used by a common carrier in connection with its revenue freight service for a period of forty-eight (48) consecutive months.

C. FREEPORT, its successors or assigns shall remove, and not replace within a period of thirty-six (36) months, the entire Lead Track and all appurtenances thereto.

In order to exercise its right to terminate the easement FIRST MISSISSIPPI shall give FREEPORT, its successors or assigns written notice of its election to do so and the effective date of such termination shall be 180 calendar days from the date of receipt of such notice.

In the event of termination of the easement as hereinabove provided, FIRST MISSISSIPPI shall have the right to take possession of and title to any improvements which have not been removed by FREEPORT, its successors or assigns as of the effective date of such termination.

9. The term Lead Track as used herein shall be deemed to include the turnout track from the Illinois Central Gulf Railroad Company's main line and all appurtenances to the Lead Track as normally referred to by Illinois Central Gulf Railroad Company in lead track agreements relating to industrial parks similar to that proposed by FREEPORT.

10. It is the intention of FREEPORT, prior to the construction of the Lead Track, to enter into an agreement with Illinois Central Gulf Railroad Company covering the construction, maintenance, ownership and use of the Lead Track and the assignment of the easement herein granted.

All compensation paid or to be paid FREEPORT in connection with such agreement shall be the sole and exclusive property of FREEPORT.

FIRST MISSISSIPPI hereby consents to FREEPORT's entering into such agreement and further hereby consents to FREEPORT assigning all or any portion of its rights and obligations under this agreement to Illinois Central Gulf Railroad Company, protecting and subject to, in any event, the rights herein of FIRST MISSISSIPPI.

IN WITNESS WHEREOF, the parties have executed this Agreement, effective as of April 1, 1973, on the day and year at the places set forth beneath their respective signatures below.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement (as noted) feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto Mississippi, described as follows, to-wit:

That part of Section 25 T-2-S R-8-W DeSoto County, Mississippi, being developed as Castle Creek Mobile Home Community.

The easement for the underground line to be 10' in width.

The easement for the 13KV overhead line, where adjacent to the street, to be an additional 20' in width.

The easement for the 13KV overhead line, not on the street, to be 40' in width, with additional clearing rights of 15' either side of easement.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

MEMORANDUM OF AGREEMENT

STATE OF MISSISSIPPI

COUNTY OF DESOTO

MEMORANDUM OF AGREEMENT this day entered into by and between DAVID M. ROWLAND AND SUE BOHMAN ROWLAND, hereinafter referred to as "Grantors", and MICHIGAN WISCONSIN PIPE LINE COMPANY, a Delaware corporation, hereinafter referred to as "Grantee", to-wit:

WHEREAS, the Grantors' predecessor in title, J. A. Herrington, did on the 17th day of August, 1955, execute and deliver to American Louisiana Pipe Line Company, a Delaware corporation, certain rights-of-way and easements to construct, lay, maintain, and operate one or more pipelines and appurtenances for the transportation of oil, gas and other substances which can be transported through a pipeline across the lands described as follows:

80 acres of land, more or less, situated in the NE corner of Section 32, described as the N $\frac{1}{2}$ of the NE $\frac{1}{4}$ of Section 32, Township 2 South, Range 5 West, in DeSoto County, Mississippi;

same being a part of the land described in said right-of-way agreements. The right-of-way agreements referred to are recorded in Book 41, page 139, of the land records of DeSoto County, Mississippi, and are made a part hereof by reference; and

WHEREAS, Grantors now own a portion of the above described tract of land comprising approximately 20 acres more particularly described in that certain deed dated August 25, 1972, and recorded in Deed Book 98, page 157 of the land records of DeSoto County, Mississippi, reference to which is hereby made for the purposes of making such deed a part hereof; and

WHEREAS, Grantee has succeeded to all the rights, titles and interests of American Louisiana Pipe Line Company in and to the right-of-way agreements referred to above; and

WHEREAS, Grantor and Grantee feel that it would be to the mutual advantage of both that the right-of-way agreements hereinabove referred to be modified and amended so as to provide for a permanent but restricted width sufficient to enable Grantee to construct additional pipelines parallel to the two existing pipelines and free Grantor's property from the obligation of accommodating said future pipelines across the entire width of said tract.

NOW, THEREFORE, in consideration of the mutual advantages to be received by Grantor and Grantee and the sum of TEN AND NO/100 DOLLARS (\$10.00), cash in hand paid by Grantee to Grantor, the parties hereto agree as follows:

1. It is agreed that that certain right-of-way agreement dated August 17, 1955, and recorded in Book 41, page 139 of the land records of DeSoto County, Mississippi, insofar as it refers to lands now owned by Grantor, be and the same is hereby amended so as to provide for a right-of-way 125 feet in permanent width plus an additional area of 50 feet in width on the westernmost side of the hereinafter described permanent easement for temporary work space during the construction of an additional pipeline to be laid across subject property, the total permanent easement being more particularly described as follows, to-wit:

A strip of land 125 feet in width measured 62½ feet Westerly of and at right angles to and 62½ feet Easterly of and at right angles to the centerline of the most Westerly of the two existing 30 inch natural gas pipelines owned and operated by Grantee across the land hereinabove described.

2. Grantor specifically acknowledges, for the considerations hereinabove set forth that the agreement herein made grants unto Grantee the right to construct, maintain and operate additional pipelines within the permanent right-of-way area described above and to utilize the additional temporary work space during construction of said pipeline. It is further agreed that Grantor nor Grantor's successors in title shall never erect permanent installations or improvements within the permanent right-of-way area.

3. Except as expressly amended and modified hereby, the right-of-way agreement dated August 17, 1955, recorded in Book 41, page 139 of the land records of DeSoto County, Mississippi, shall remain in full force and effect.

EXECUTED AND DELIVERED on this, the 6th day of August, 1973.

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Standard Oil Company, a division of Chevron Oil Company, hereinafter referred to as GRANTOR, by the Town of Olive Branch, Mississippi, hereinafter referred to as GRANTEE, the receipt of which is hereby acknowledged the GRANTOR does hereby grant, bargain, sell, transfer, and convey unto the GRANTEE, its successor and assigns, a perpetual easement with the right to erect, construct, install, and lay, and thereafter use, operate, inspect, repair, maintain, replace, and remove sewer mains and lines and connections and necessary appurtenances thereto on, over, across, and through the land of the GRANTOR situate in DeSoto County, State of Mississippi, said land being described as follows:

Land owned by the grantor in Section 34, Township 1, Range 6 West, DeSoto County, Mississippi and described in deed of record from W. W. Kerr et al, said deed being recorded in Book 45, page 510, Land Deed Records, DeSoto County, Mississippi.

together with the right of ingress and egress over the adjacent lands of the GRANTOR, its successors and assigns, for the purposes of this easement.

The easement shall be 10 feet in width, the center line of which is described as follows:

Commencing at the Southwest corner of Standard Oil Company property, thence North 10 feet to a point, thence Eastwardly parallel to South line of Standard Oil track, 210 feet to a point, said point being 10 feet North of Southeast corner of said Standard Oil Track.

IN CONSIDERATION of the premises and by acceptance of delivery of this agreement, Second Party agrees and covenants as follows:

1. Second Party shall operate, service and maintain said sewer line at the sole expense of Second Party under the strip of land heretofore described.
2. Second Party agrees to save harmless and indemnify First Party against damages (including, but not limited to damages to property of First Party), costs and charges imposed on or demandable from First Party as well as any and all suits, transactions, judgments and executions that may or shall at any time arise from or be brought against First Party by reason of loss of life or injury to persons or property, resulting from the construction, operation, maintenance or use of said sewer line.
3. After the sewer line is installed and after each repair and alteration of it, Second Party will restore the property as nearly as possible to the condition existing before the installation, repair or alteration of the sewer line.

IN TESTIMONY WHEREOF, the said STANDARD OIL COMPANY, a division of Chevron Oil Company, a California corporation, has caused these presents to be executed by its Vice President and Assistant Secretary, respectively, for and on its behalf, this the 16th day of October, 1973.

RIGHT OF WAY INSTRUMENT

In consideration of \$1,000 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 20 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DE SOTO Mississippi, described as follows, to-wit:

20' ROW TO BE ACROSS ROAD ON LOTS 8, 9, 10, 11, 12, 13, 14, 17, 20, 21, 22, 23, 24, 25, 26 AND 30. NORTH PART OF THE FOREGOING LOTS 8, 12, 13, 17 (300' x 100') 23, 24, 25, 26 AND 30. PART OF SEC 17 T28S R10E

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

EASEMENT

FOR AND IN CONSIDERATION OF One Dollar (\$1.00), cash in hand paid and other good and valuable considerations, the receipt of which is hereby acknowledged, we, W. W. Kerr, Robert Kerr, and Maie Kerr do hereby grant, bargain, sell, transfer, convey and warrant unto the Town of Olive Branch, its successors and assigns, a perpetual easement with the right to erect, construct, install and lay and thereafter use, operate, inspect, repair, maintain, replace and remove water mains and lines and connections and necessary appurtenances thereto, on, over and across the following described property in DeSoto County, Mississippi, to-wit:

20 foot water easement and 10 foot construction easement over lands owned by the grantors in Section 27, Township 1 South, Range 6 West, DeSoto County, Mississippi, said easements being either side of the center line of said easement as staked out by J. E. Lauderdale, Town Engineer.

This easement covers the water mains and water lines referred to on the plans and specifications of said water distribution system for the Town of Olive Branch which are on file with said Clerk of the Town of Olive Branch at Olive Branch, Mississippi, and reference to same is hereby made and such are made a part hereof.

Together with the right of ingress and egress over grantors adjacent lands for the purpose for which the above mentioned rights are granted.

The consideration recited herein shall constitute payment in full for all damages sustained by grantors by reason of the installation of the structures referred to herein and the grantee will maintain such easement in a state of good repair and efficiency so that no unreasonable damage will result from its use to grantors premises. This agreement together with other provisions of this grant shall constitute a covenant running with the land for the benefit of the grantee, its successors, and assigns. AGREEMENT AS TO DRAINAGE

THIS AGREEMENT, made and entered into this 7 day of December, 1973, by and between McDOWELL DEVELOPMENT CORPORATION, a Tennessee Corporation, with its principal office and place of business being in Nashville, Tennessee, hereinafter referred to as "McDowell", and MOTEL INVESTMENT COMPANY, a Tennessee Corporation, with its principal office and place of business being in Memphis, Tennessee, hereinafter referred to as "Motel".

WITNESSETH, that

WHEREAS, Motel is about to purchase from I-55 Goodman Road Developers, Inc. the following described real property located and situated in Section 36, Township 1, Range 8 West, DeSoto County, Mississippi, described as follows, to-wit:

Beginning at a concrete monument which is the intersection of the south right of way of Goodman Road and the west right of way of Interstate Highway 55; thence westwardly with the south right of way of Goodman Road 185.0 feet to an iron pin at the north-east corner of the lot conveyed to Humble Oil and Refining Company by deed in Book 101, page 59; thence with an interior angle of 90 degrees with the east line of the Humble lot and the McDowell Development Corporation lot 567.50 feet to an iron pin; thence with an interior angle of 90 degrees with the north line of the McDowell Development Corporation lot run eastwardly 498.79 feet to an iron pin in the west line of the right of way for Interstate Highway 55; thence with an interior angle of 71 degrees 06 minutes 15 seconds run northwardly with said interstate right of way 440.89 feet to a concrete monument; thence continuing with the east line of said highway right of way with an interior angle of 150 degrees 13 minutes 15 seconds run northwestwardly 227.72 feet to the point of beginning, containing 5.03 acres, and

WHEREAS, McDowell owns the real property south of and adjacent to the above described property, which is likewise located and situated in Section 36, Township 1, Range 8 West, DeSoto County, Mississippi, described as follows, to-wit:

Beginning at a point, said point lying on the east line Interstate Boulevard (proposed) 200.00 feet south of the south line of Goodman Road and 440.00 feet west of the intersection of the south line of Goodman Road with the west right of way line of the southbound entrance ramp of I-55 Highway, said point also being the southwest corner of the Humble Oil and Refining Company 0.9 acre tract; thence continuing the east line of Interstate Boulevard (proposed) run southwardly with a 346.40

foot radius curve to the right 390.52 feet to a point; thence run south 64 degrees 35 minutes 40 seconds west 109.39 feet to a point; thence with a 286.40 foot radius curve to the left run 322.88 feet to a point; thence south 140.00 feet to a point, said point being the intersection of the east line of Interstate Boulevard (proposed) and the north line of Expressway Drive (proposed); thence east 985.40 feet, more or less, to a point; thence with a 40.00 foot radius curve to the right run 317.82 feet to a point, said point lying on the north line of Walker Manufacturing Company 36.0 acres; thence east 302.44 feet to a point in Highway I-55; thence with the west line of Highway I-55 run north 19 degrees 30 minutes west 478.00 feet, more or less, to a point; thence west 506.82 feet to a point; thence north 366.59 feet to a point; thence west 200.00 feet to the point of beginning, containing 12.1 acres, more or less, and being the same property conveyed to McDowell Development Corporation by Warranty Deed recorded in Book 103, Page 325, of the records in the Office of the Chancery Clerk of DeSoto County, Mississippi, and

WHEREAS, neither Motel nor McDowell have yet decided upon the actual improvements to be constructed upon their respective properties, but realizing that Motel's property is higher than McDowell's property and that the natural water drainage would be from the higher to the lower point and realizing that neither Motel's use of its property, nor McDowell's use of its property, have been finalized to the point where specific drainage easements cannot now be located, but realizing that the same will be ultimately needed,

NOW THEREFORE, in consideration of the premises and of good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. Motel agrees to discharge water from its property at a sufficient depth and slope so as to allow McDowell to pick it up and integrate it into its drainage upon its adjacent property. McDowell agrees that if the water from Motel's property is thus discharged, it will receive said water and do nothing to impede or hinder the flow thereof.

2. McDowell agrees to grant to Motel such drainage easements as may be reasonably necessary and required to provide for adequate water drainage from Motel's property, the actual location of said drainage easements over McDowell's property is to be determined by appropriate engineering studies after the actual needs of both of the parties hereto have been determined. In the event that Motel has erected improvements

on its property and has centrally collected said water and is in need of discharging same upon McDowell's property, but prior to McDowell's willingness or desire to pipe said water underground across McDowell's property, Motel will be responsible for the initial cutting of a swale across the McDowell property, the actual location and route of which to be determined by said appropriate engineering studies. McDowell is to bear the expense of any underground piping across its property.

3. In the event of any controversy in regard to this agreement, it is agreed that Motel and McDowell shall each select an engineer and the two engineers so selected shall select a third engineer and the decision of said engineers, so selected, shall be final and binding upon the parties hereto.

This agreement shall be a covenant running with the land of and shall be for the benefit of and binding upon the successors and assigns of the parties hereto.

WITNESS the signatures of the parties hereto by their duly authorized officers this _____ day of December, 1973.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1,000 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto, Mississippi, described as follows, to-wit:

NE 1/4 of the SE 1/4 of Section 28 T-2-S R-7-W

DeSoto County, Mississippi

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

 cash in hand paid, receipt whereof is hereby acknowledged, we, the undersigned, Dollars (\$ 1,750.00),

R. T. POUNDERS, SR. and wife, SALLIE G. POUNDERS

have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the United States of America a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate, and patrol one line (A) of poles or transmission line structures with sufficient wires and cables for electric power circuits and telephone circuits, and all necessary appurtenances, in, on, over and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way; all over, upon, across, and under the following described land, to wit:

TRACT NO. MOLB-5

A parcel of land for a right of way located in the SE1/4SE1/4 sec. 32, T. 1 S., R. 5 W. in DeSoto County, State of Mississippi, said parcel lying on each side of the center line of a transmission line location, and being more particularly described as follows:

Beginning at a point in the south line of sec. 32, a corner of the lands of R. T. Pounders, Sr., R. T. Pounders, Jr., and Harry H. Stewart, Jr., et ux, said corner being 319.9 feet west of the southeast corner of the said section and being S. 0° 33' W., 5.2 feet from survey station 6 + 92 on the center line of the location; thence with the south line of sec. 32 and the south line of the land of R. T. Pounders, Sr. N. 89° 41' W., 886.0 feet to a corner of the lands of R. T. Pounders, Sr., Harry H. Stewart, Jr., et ux, and John S. Porter et al, Trustees; thence, leaving the section line, with the east line of the land of John S. Porter et al, Trustees N. 0° 36' E., 43.2 feet, crossing the center line of the location at 5.7 feet and at survey station 15 + 78, to a point; thence, leaving the property line, with a line 37.5 feet north of and parallel to the center line of the location S. 89° 39' E., 886.0 feet to a point in the east line of the land of R. T. Pounders, Sr., which is the west line of the land of R. T. Pounders, Jr.; thence with the west line of the land of R. T. Pounders, Jr. S. 0° 38' W., 42.7 feet to the point of beginning.

TO HAVE AND TO HOLD the said easement and right-of-way to the United States of America, and its assigns, forever.

We covenant with the said United States of America that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the United States of America shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by the construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said line.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the United States of America that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

IN WITNESS WHEREOF, we have subscribed our names this 15th day of April, 1974.

GRANT OF TRANSMISSION LINE EASEMENT
MOLB-14

FOR AND IN CONSIDERATION of the sum of FIVE HUNDRED AND NO/100 -----
-----Dollars (\$500.00 -----),
cash in hand paid, receipt whereof is hereby acknowledged, we, the undersigned,

KENNETH SESSOM and wife, GLENNIE MAE ADAMS SESSOM

have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the United States of America a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate, and patrol one line (A) of poles or transmission line structures with sufficient wires and cables for electric power circuits and telephone circuits, and all necessary appurtenances, in, on, over and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way; all over, upon, across, and under the following described land, to wit:

TRACT NO. MOLB-14

A strip of land for a right of way located in the SW1/4NE1/4 sec. 35, T. 1 S., R. 6 W. in DeSoto County, State of Mississippi, said strip lying on the west side of the center line of a transmission line location, the center line of the location and the boundaries of the strip being more particularly described as follows:

Beginning at a point where the center line crosses a fence line and the north line of the S1/2SW1/4NE1/4 sec. 35, at survey station 193 + 57 on the center line of the location, said point being 743 feet east of the northwest corner of the SW1/4SW1/4NE1/4 sec. 35 and being at a corner of the lands of Kenneth Sessom et ux, Clarence M. Daniel et al, Clufus Woods, and Toy Wiseman et ux (at the intersection of the north and east lines of the land of Kenneth Sessom et ux), the strip being bounded on the north by the north line of the S1/2SW1/4NE1/4 sec. 35 and the north line of the land of Kenneth Sessom et ux, on the east by the center line of the location, which is the east line of the land of Kenneth Sessom et ux and the west line of the land of Toy Wiseman et ux, and on the west by a line 37.5 feet west of and parallel to the center line of the location; thence with the center line of the location and the east line of the land of Kenneth Sessom et ux S. 0° 15' W., 355.4 feet to survey station 190 + 01.6 where the strip ceases to be bounded on the east by the center line of the location. and continues to be bounded on the east by the east line of the land of Kenneth Sessom et ux, the strip becoming bounded on the southwest by a line 37.5 feet southwest of and parallel to that portion of the center line southeast of the last mentioned survey station; thence, leaving the property line, continuing with the center line of the location S. 49° 27' E., 31.8 feet to survey station 189 + 69.8 opposite which the strip terminates at the intersection of the east line of the

land of Kenneth Sessom et ux with the line that is 37.5 feet southwest of and parallel to the center line of the location.

The above described strip of land is a continuous right of way through the said property between the above named boundary lines and includes the center line for a net distance of 355.4 feet.

Furthermore, the right to construct and maintain 2 double guys with 2 rods and other necessary appurtenances for Structure No. 45 located at survey station 190 + 01.6 on the center line of the location, the guys to extend from the said structure in a westerly direction to one 8-foot log anchor located 1 foot beyond the right of way line.

Bank of Mississippi declares that it is the lawful owner and holder of the indebtedness secured by the trust deed of Toy Wiseman et ux recorded in Trust Deed Book 96, page 456, in DeSoto County, and for a valuable consideration, joins in this instrument and subordinates the lien of said trust deed to the easement herein granted, but otherwise specifically retains said lien.

TO HAVE AND TO HOLD the said easement and right-of-way to the United States of America, and its assigns, forever.

We covenant with the said United States of America that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the United States of America shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the United States of America that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

Tract No. MOLB-15

The Grantors covenant that the above described property constitutes no part of their homestead.

TO HAVE AND TO HOLD the said easement and right-of-way to the United States of America, and its assigns, forever.

We covenant with the said United States of America that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the United States of America shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the United States of America that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

GRANT OF TRANSMISSION LINE EASEMENT

TRACT NO. M0LB-11

FOR AND IN CONSIDERATION of the sum of TWO THOUSAND TWO HUNDRED FIFTY AND
 NO/100----- Dollars (\$ 2,250.00),
 cash in hand paid, receipt whereof is hereby acknowledged, we, the undersigned,

GARTHA WALLACE and wife, CHARLOTTE WALLACE

have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the United States of America a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate, and patrol the line (s) of poles or transmission line structures with sufficient wires and cables for electric power circuits and telephone circuits, and all necessary appurtenances, in, on, over and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way; all over, upon, across, and under the following described land, to wit:

TRACT NO. M0LB-11

A strip of land for a right of way located in the SE1/4NE1/4 sec. 35, T. 1 S., R. 6 W. in DeSoto County, State of Mississippi, said strip being 75 feet wide, lying 37.5 feet on each side of the center line of a transmission line location, the center line being more particularly described as follows:

Beginning at a point where the center line crosses the center line of a road, the east line of sec. 35, and the east line of the land of Gartha Wallace et ux at survey station 166 + 55 on the center line of the location, said point being 384 feet south of the northeast corner of the SE1/4NE1/4 of the said section; thence N. 56° 35' W., 697 feet to a point where the center line of the location crosses a fence line, the north line of the SE1/4NE1/4 sec. 35, and the north line of the land of Gartha Wallace et ux at survey station 173 + 52, said point being 584 feet west of the northeast corner of the SE1/4NE1/4 of the said section.

The above described strip of land is a continuous right of way 75 feet wide through the said property between the above named east and north property lines and includes the center line for a net distance of 697 feet.

Robert L. Kerr declares that he is the lawful owner and holder of the indebtedness secured by the Trust Deed of Gartha Wallace et ux recorded in Trust Deed Book 166, page 257, in DeSoto County, Mississippi, and for a valuable consideration joins in this instrument to subordinate lien of said trust deed to the easement granted herein, but otherwise specifically retains said lien.

TO HAVE AND TO HOLD the said easement and right-of-way to the United States of America, and its assigns, forever.

We covenant with the said United States of America that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the United States of America shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said line.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the United States of America that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

GRANT OF TRANSMISSION LINE EASEMENT

TRACT NO. MOLB-15

FOR AND IN CONSIDERATION of the sum of THREE THOUSAND FIVE HUNDRED AND NO/100 Dollars (\$3,500.00), cash in hand paid, receipt whereof is hereby acknowledged, we, the undersigned,

CLARENCE M. DANIEL; E. L. HARRIS;
 and JULIAN N. HARRIS

have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the United States of America a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate, and patrol one line of poles or transmission line structures with sufficient wires and cables for electric power circuits and telephone circuits, and all necessary appurtenances, in, on, over and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way; all over, upon, across, and under the following described land, to wit:

TRACT NO. MOLB-15

A parcel of land for a right of way located in the N1/2SW1/4NE1/4 sec. 35, T. 1 S., R. 6 W. in DeSoto County, State of Mississippi, said parcel lying on each side of the center line of a transmission line location, and being more particularly described as follows:

Beginning at the northwest corner of the SW1/4NE1/4 sec. 35, a corner of the land of Clarence M. Daniel et al and the Olive Branch, Mississippi Substation tract (US-TVA Tract No. OBRSS-2), said corner being N. 0° 18' E., 37.5 feet from survey station 207 + 17.3 on the center line of the location; thence with the north line of the SW1/4NE1/4 sec. 35 and the north line of the land of Clarence M. Daniel et al, a line 37.5 feet north of and parallel to the center line of the location, S. 89° 27' E., 742.3 feet to a corner of the lands of Clarence M. Daniel et al and Clufus Woods; thence leaving the north line of the SW1/4NE1/4 sec. 35, with the west line of the land of Clufus Woods S. 0° 15' W., 37.5 feet to survey station 199 + 75.0 on the center line of the location; thence with the center line of the location and continuing with the west line of the land of Clufus Woods S. 0° 15' W., 618.0 feet to a point in the south line of the N1/2SW1/4SE1/4 sec. 35, a corner of the lands of Clarence M. Daniel et al, Clufus Woods, Toy Wiseman et ux, and Kenneth Sessom et ux, at survey station 193 + 57; thence, leaving the center line of the location, with the south line of the N1/2SW1/4NE1/4 sec. 35 and the south line of the land of Clarence M. Daniel et al N. 88° 24' W., 37.5 feet to a point; thence leaving the south line of the N1/2SW1/4NE1/4 sec. 35 and the property line, with a line 37.5 feet west of and parallel to the center line of the location N. 0° 15' E., 579.8 feet to a point; thence with a line 37.5 feet south of and parallel to the center line of the location N. 89° 27' W., 704.8 feet to a point in the west line of the NE1/4 sec. 35 and the west line of the land of Clarence M. Daniel et al; thence with the west line of the NE1/4 sec. 35 and the west line of the land of Clarence M. Daniel et al N. 0° 18' E., 75.0 feet to the point of beginning.

Tract No. MCLB-15

The Grantors covenant that the above described property constitutes no part of their homestead.

TO HAVE AND TO HOLD the said easement and right-of-way to the United States of America, and its assigns, forever.

We covenant with the said United States of America that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the United States of America shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said line.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the United States of America that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

IN WITNESS WHEREOF, we have hereunto subscribed our names on this the 6th day of May, 1974.

GRANT OF TRANSMISSION LINE EASEMENT

TRACT NO. MOLB-13

FOR AND IN CONSIDERATION of the sum of ONE THOUSAND SEVEN HUNDRED AND NO/100 Dollars (\$ 1,700.00), cash in hand paid, receipt whereof is hereby acknowledged, we, the undersigned,

TOY WISEMAN and wife, GERTRUDE W. WISEMAN

have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the United States of America a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate, and patrol one line (β) of poles or transmission line structures with sufficient wires and cables for electric power circuits and telephone circuits, and all necessary appurtenances, in, on, over, and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way; all over, upon, across, and under the following described land, to wit:

TRACT NO. MOLB-13

A strip of land for a right of way located in the SW1/4NE1/4 sec. 35, T. 1 S., R. 6 W. in DeSoto County, State of Mississippi, said strip lying on each side of the center line of a transmission line location, the center line of the location and the boundaries of the strip being more particularly described as follows:

Beginning at a point where the center line crosses a fence line, the south line of the NE1/4 sec. 35, and the south line of the land of Toy Wiseman et ux at survey station 185 + 09 on the center line of the location, said point being 1543 feet west of the southeast corner of the NE1/4 of the said section, the strip being bounded on the south by the south line of the land of Toy Wiseman et ux and having a width of 75 feet, lying 37.5 feet on each side of the center line of the location; thence N. 49° 27' W., 460.8 feet to survey station 189 + 69.8 which is 37.5 feet northeast of and opposite a point where the strip becomes bounded on the west by the west line of the land of Toy Wiseman et ux, which is the east line of the land of Kenneth Sesson et ux; thence N. 49° 27' W., 31.8 feet to survey station 190 + 01.6, a point in the west line of the land of Toy Wiseman et ux where the strip becomes bounded on the west by the center line of the location and continues to be bounded on the west by the said west line of the land of Toy Wiseman et ux; thence with the west line of the land of Toy Wiseman et ux and continuing with the center line of the location N. 0° 15' E., 355.4 feet to survey station 193 + 57, a corner of the lands of Toy Wiseman et ux, Kenneth Sesson et ux, Clarence M. Daniel et al, and Clufus Woods (at the intersection of the west and north lines of the land of Toy Wiseman et ux) where the strip terminates and becomes bounded on the north by the north line of the land of Toy Wiseman et ux, which is the south line of the land of Clufus Woods.

The above described strip of land is a continuous right of way through the said property between the above named boundary lines and includes the center line for a net distance of 848 feet.

Peoples Bank and Trust Company, Olive Branch, Mississippi, declares that it is the lawful owner and holder of the indebtedness secured by the trust deed of Toy Wiseman et ux recorded in Trust Deed Book 172, page 462, in DeSoto County, Mississippi, and for a valuable consideration joins in this instrument and subordinates the lien of said trust deed to the easement herein granted, but otherwise specifically retains said lien.

TO HAVE AND TO HOLD the said easement and right-of-way to the United States of America, and its assigns, forever.

We covenant with the said United States of America that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the United States of America shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said line.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the United States of America that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

IN WITNESS WHEREOF, we have subscribed our names this 22 day of May, 1974.

STATE LINE ROAD
ROAD RIGHT OF WAY DEED

In consideration of One Dollar (\$1.00)
and other good and valuable considerations, we, Belz Investment Company, Inc.
convey and warrant to DeSoto County, Mississippi the land in DeSoto County, Mississippi described as

A part of the Southwest Quarter of Section 14, Township 1, Range 9 and being a strip of land north of the center of proposed State Line Road described as BEGINNING at the intersection of the south line of Section 14 and the east line of U. S. Highway 61; thence east on the Section line 500 feet, more or less, to the southeast corner of Belz property; thence north 40 feet; thence west parallel with and 40 feet from the south line of the Section 500 feet, more or less, to the east line of said highway; thence in a southerly direction with the right of way line of the highway to the point of beginning.

a 10 foot easement is granted beyond this right of way for use in sloping the fill or cut of said road where necessary.

DeSoto County will not be required to rebuild any fences.

The Grantor does not warrant that it has ownership of 500 feet along the south line of Section 14, and only conveys herein such portion as it does own along subject 40 foot wide strip. This conveyance is made expressly and solely for and is contingent upon construction by DeSoto County of State Line Road between Highway 61 South and the east line of the Grantor's property; said construction to be completed within one (1) year of the date hereof.

EASEMENT

For and in consideration of One Dollar (\$1.00) cash in hand paid and other good and valuable considerations, the receipt of which is hereby acknowledged, I, GERALD B. CLARK

do hereby grant, bargain, sell transfer, convey, and warrant unto Fairhaven Water Association, Inc., its successors and assigns a perpetual easement with the right to erect, construct, install, and lay and thereafter use, operate, inspect, repair, maintain, replace and remove one water main, connections, and necessary appurtenances thereto, on, over, and across the following described property in DeSoto County, Mississippi, to-wit:

A 20 foot easement along west side of my property in Section 18, Township 2, Range 5 West that lies east of Miller Loop Road, said easement being 35 feet east of center said road

This easement covers the water line referred to on the plans and specifications of said water distribution system for Fairhaven Water Association, Inc. which are on file with said association at Olive Branch, Mississippi, and reference to same is hereby made and such are made a part hereof. Together with the right of ingress and egress over grantors adjacent lands for the purpose for which the above mentioned rights are granted.

The consideration recited herein shall constitute payment in full for all damages sustained by grantors by reason of the installation of the structures referred to herein and the grantee will maintain such easement in a state of good repair and efficiency so that no unreasonable damage will result from its use to grantors premises, but unnecessary damages will be compensated for. This agreement together with other provisions of this grant shall constitute a covenant running with the land for the benefit of the grantee, its successors, and assigns. The grantors covenant that they are the owners of the above described lands and that said lands are free and clear of all encumbrances and liens except the following:

Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration; Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantor, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

UTILITY LINE EASEMENT

KNOW ALL MEN BY THESE PRESENTS, that in consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, we, DeSoto Industrial Airpark, Incorporated do hereby grant and convey unto Southaven Utility District of DeSoto County, a fifteen (15) foot permanent easement to construct, maintain and operate thereon sewer lines for the District, with all appurtenances, manholes, and connections necessary thereto, over the land in DeSoto County, Mississippi, described as follows, to-wit:

A strip of land in the West Half of the Northeast Quarter and the Northwest Quarter of the Southeast Quarter of Section 22, Township 1 South, Range 8 West, DeSoto County, Mississippi, lying left and right of the centerline of the West Southaven Sanitary Sewer Outfall Main as constructed and as shown on the official plans of said sewer line entitled "SANITARY SEWER OUTFALL MAINS, Environmental Protection Agency Project No C280344", on file with Southaven Utility District of DeSoto County, Mississippi. Said sanitary sewer outfall main will run along the North side of the existing drainage ditch which runs along the South side of the property referred to herein, to the West right of way line of the Illinois Central Gulf Railroad; the sewer outfall line will run thence in a northerly direction parallel to and adjacent to the West right of way line of said railroad to a point where it turns East and crosses the West right of way line of the railroad, said right of way line being the East property line of the property referred to herein.

In addition a temporary forty (40) foot easement is granted along said right of way for construction of the line, which will terminate upon completion of construction. The utility line will be constructed in the middle of the easement.

The line will be placed not less than 2-1/2 feet below the surface of the ground, except for ditch crossings and other special conditions. The District will promptly pay all fence and crop damage caused by the installation and construction of the lines.

WITNESS the signature of the Grantor this 26 day of August, 1974.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto **MISSISSIPPI POWER & LIGHT COMPANY**,

its successors and assigns (herein called "Grantee"), a right of way and easement As shown feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto Mississippi, described as follows, to-wit:

Total 20 feet Right of Way near rear of Lots 26, 27, 28, 29, 30, 31, 32, 33, & 34

Total 25 feet Right of Way near rear of Lots 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, and 62

SW 1/4 Sect 30 T1S - ROW

Holly Hills Subdivision

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantor shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

UTILITY LINE EASEMENT

KNOW ALL MEN BY THESE PRESENTS, that in consideration of \$500.00, and other good and valuable considerations, receipt of which is acknowledged, I, CHARLES ROBERSON, do hereby grant and convey unto SOUTHAVEN UTILITY DISTRICT of DeSoto County, Mississippi; a fifteen-foot (15 ft.) permanent easement to construct, maintain and operate thereon a sewer line for the District, with all appurtenances, manholes, and connections necessary thereto, over the land in DeSoto County, Mississippi, described as follows, to wit:

A strip of land in the Southwest Quarter of Section 22, Township 1 South, Range 8 West, DeSoto County, Mississippi, lying left and right of the center line of the West Southaven Sanitary Sewer Outfall Main as constructed and as shown on the official plans of said sewer line entitled "SANITARY SEWER OUTFALL MAINS, Environmental Protection Agency Project No. C280344", on file with Southaven Utility District of DeSoto County, Mississippi. Said Sanitary Sewer Outfall Main will run in a Northerly and North-easterly direction along the West side of the existing drainage ditch from a point near the South Section Line of said Section 22 to the East property line of the property referred to herein.

In addition, a temporary forty-foot (40 ft.) easement is granted along said right-of-way for construction of the line, which will terminate upon completion of construction. The utility line will be constructed in the middle of the easement.

Part of the consideration for this easement is the agreement that his wife the Grantor, and their two children may connect to the sewer line without any connection charge.

The line will be placed not less than 2-1/2 feet below the surface of the ground, except for ditch crossings and other special conditions. The District will promptly pay all fence and crop damage caused by the installation and construction of the lines.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 20 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of De Soto Mississippi, described as follows, to-wit:

RIGHT OF WAY FOR UNDERGROUND ELECTRIC LINES IN SOUTH PARK GARDEN APARTMENTS

NW 1/4 OF SE 1/4 SECT 23 T15-R8W

Electric lines will not be placed within 10 feet of a building

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of poles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, trim or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantors, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successor, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors and assigns and any other person claiming or to claim the property herein after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of an electric circuit or circuits, and communications circuits, including poles, towers, cross arms, insulators, wires, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of DeSoto, Mississippi, described as follows, to-wit:

West 1/4 of Southwest quarter Section 13, Township 2 South, Range 8 West

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way by mechanical or chemical means, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantor, or its successors, remove said circuit or circuits from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

DeSoto County, Mississippi

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantor, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantor shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

UTILITY LINE EASEMENT

KNOW ALL MEN BY THESE PRESENTS, that in consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, we, Mary L. Davis, H. S. Davis, Jr., Sam R. Davis, II, and Stephanie Davis Thompson, heirs of the Davis Estate, do hereby grant and convey unto Southaven Utility District of DeSoto County, a fifteen (15) foot permanent easement to construct, maintain and operate thereon sewer lines for the District, with all appurtenances, manholes, and connections necessary thereto, over the land in DeSoto County, Mississippi, described as follows, to-wit:

A strip of land in the Northeast Quarter of Section 21, Township 1 South, Range 8 West, DeSoto County, Mississippi, lying left and right of the centerline of the West Greenbrook Sanitary Sewer Outfall and Force Main as constructed and as shown on the official plans of said sewer line entitled "SANITARY SEWER OUTFALL MAINS, Environmental Protection Agency Project No. C280344", on file with Southaven Utility District of DeSoto County, Mississippi. Said sanitary sewer outfall main and force main will run parallel to and adjacent to the South right of way line of State Line Road, commencing at the West right of way line of Airways Road and running West to the half section line of said Section 21.

In addition a temporary forty (40) foot easement is granted along said right of way for construction of the line, which will terminate upon completion of construction. The utility line will be constructed in the middle of the easement.

The line will be placed not less than 2 1/2 feet below the surface of the ground, except for ditch crossings and other special conditions. The District will promptly pay all fence and crop damage caused by the installation and construction of the lines.

Southaven Utility District of DeSoto County also indemnifies and holds harmless Mary L. Davis, H. S. Davis, Jr., Sam R. Davis, II and Stephanie Davis Thompson and their heirs and assignees from any and all liability, loss or damage of any character whatever that may arise from anything done by Southaven Utility District of DeSoto County; its agents, employees or contractors in connection with the work, the erection, or the operation of said sewer line with all appurtenances over said land in DeSoto County, Mississippi.

Southaven Utility District of DeSoto County also agrees to pay all costs of installation, construction and maintenance of said sewer lines with all appurtenances, manholes and connections necessary thereto, over the said land in DeSoto County, Mississippi.

Southaven Utility District of DeSoto County also agrees to give said owners the right to tie into said sewer lines.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors and assigns and any other person claiming or to claim the property herein after described, called collectively "Grantors") do hereby grant, convey and warrant unto **MISSISSIPPI POWER & LIGHT COMPANY,**

My successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of an electric circuit or circuits, and communications circuits, including poles, towers, cross arms, insulators, wires, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of DeSoto, Mississippi, described as follows, to-wit:

The right of way and easement shall be 15 feet either side of a line described as beginning at a point 135 feet south of the northwest corner of the M. G. Massey tract and in the east right of way of U. S. 51; thence south 78 degrees 58 minutes east 1315 feet to a point, thence south 74 degrees 58 minutes east 250 feet to a junction pole, thence continuing south 74 degrees 58 minutes east 65 feet to the west right of way of I-55; and 15 feet either side of a line beginning at said junction pole and running south a distance of 215 feet to the south property line of the M. G. Massey tract. (Said M. G. Massey tract is described as beginning at an iron pin, said pin being in the east right of way of U. S. 51 and 838.53 feet north of the south line of the NE 1/4 of Sec. 1, T5-3, R-8, DeSoto County, Mississippi; thence north 87 degrees 24 minutes 25 seconds east 1647.70 feet along the north line of the Holmes tract to an iron pin in the west right of way of I-55; thence along said right of way north 20 degrees 49 minutes 40 seconds west 937.59 feet to a concrete monument; thence south 88 degrees 07 minutes 02 seconds west 1360.52 feet along the south line of the R. E. Gale tract to an iron pin in the east right of way of U. S. 51, thence south 02 degrees 58 minutes 14 seconds east 917.34 feet along said right of way to the point of beginning.)

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way by mechanical or chemical means, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, when located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way. Grantee will not require removal of existing house now on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line ~~initially~~ constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove said circuit or circuits from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantor's property thereon.

It is understood that Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of De Soto, Mississippi, described as follows, to-wit:

SE 1/4 of NW 1/4 Section 27 T25-R9W

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

CANCELLATION OF RIGHT
OF WAY INSTRUMENT

WHEREAS, by instrument dated February 25, 1946, recorded in the records of the Chancery Clerk of DeSoto County, Mississippi in Book 33, Page 219, John W. Gale and Mrs. John Gale conveyed to Mississippi Power & Light Company a right of way for the construction, maintenance and operation of an electric circuit across, over and on the NE $\frac{1}{4}$ of Section 1, T-3-S, R-8-W, in DeSoto County, Mississippi, and

WHEREAS, said Company thereafter constructed its electric power line on said property and has maintained the same thereon for many years, and

WHEREAS, the present owners of a portion of said property, J. A. Massey and Mildred G. Massey, desire to execute to said Company an instrument more specifically describing the location of said right of way as to their property, and to have said Company cancel said instrument dated February 25, 1946, so far as it affects their property.

THEREFORE, in consideration of the execution and delivery to said Company of a Right of Way Instrument confirming and conveying to said Company a 30-foot right of way covering its said electric power line on the land hereinafter described, Mississippi Power & Light Company, effective with the date of recording of said substitute Right of Way Instrument, does hereby cancel and release said Right of Way Instrument dated February 25, 1946, and recorded as aforesaid in the records of the Chancery Clerk of said County, in Book 33, at Page 219, insofar and only insofar as it affects the following described property:

Beginning at an iron pin, said pin being in the east right of way of U. S. 51 and 838.53 feet north of the south line of the NE $\frac{1}{4}$ of Sec. 1, T8-S, R-8, DeSoto County, Mississippi; thence north 87 degrees 24 minutes 25 seconds east 1647.70 feet along the north line of the Holmes tract to an iron pin in the west right of way of I-55; thence along said right of way north 20 degrees 49 minutes 40 seconds west 937.59 feet to a concrete monument; thence south 88 degrees 07 minutes 02 seconds west 1360.52 feet along the south line of the R. R. Gale tract to an iron pin in the east right of way of U. S. 51; thence south 02 degrees 58 minutes 14 seconds east 907.34 feet along said right of way to the point of beginning.

UTILITY EASEMENT

KNOW ALL MEN BY THESE PRESENTS, that in consideration of One Dollar and other good and valuable consideration, receipt of which is acknowledged we, ELTINGE, GRAZIADIO & SAMPSON DEVELOPMENT CO., do hereby grant and convey unto SOUTHAVEN UTILITY DISTRICT of DeSoto County, Mississippi, a ten (10') foot permanent easement to maintain and operate thereon sewer lines of the district, with all the pertinences, manholes, valves and connections necessary thereto over the land in DeSoto County, Mississippi, described as follows, to-wit:

Being a ten (10') foot wide easement for sanitary sewer across the K mart property located in part of the southwest quarter of Section 13, Township 1 South, Range 8 West, DeSoto County, Mississippi, the center line of said easement being more particularly described as follows:

Commencing at a point in the east line of Hudgins Road 230.08 feet south of the southwest corner of Tennessee Industrial Park as measured along the east line of Hudgins Road, said point being the northwest corner of the K mart property; thence South 89 degrees 09 minutes 40 seconds East along the north line of the K mart property 786.57 feet to the northeast corner thereof; thence South 00 degrees 48 minutes 30 seconds West along the east line of the K mart property 342 feet to the beginning point of the easement hereinafter described: Running thence North 89 degrees 09 minutes 40 seconds West parallel with the north line of the K mart property 655 feet to a point; thence South 61 degrees 50 minutes 20 seconds West, 120 feet to a point in the east line of Hudgins Road. Containing 7,750 square feet more or less.

The sewer line shall be installed by the Grantors along the center line of the above described easement, and upon acceptance of the sewer line by Grantee, all further obligations for maintenance of the sewer line shall vest to the Grantee. Grantor shall construct no raised building improvements in the area of the easement without the expressed written consent of the Grantee, however, the Grantor may build paving for parking facilities and related curbs and may place other underground utilities within or through the boundary lines of the easement. Any damage caused to the surface improvements by the Grantee during their maintenance of the sewer line shall be promptly restored to its reasonably prior condition by the Grantee.

It is understood that Grantor is constructing a shopping center on its land, thus any extensive maintenance or re-construction, which requires the removal or destruction of the above referenced paving by the Grantee shall be scheduled with the Grantor and the Grantee so that the extent and the size of ditches, and the time that the parking lot is in a disrupted condition can be minimized. In the event that agreement is not reached on a re-construction or maintenance schedule, Grantee may not tear up more than fifty (50') feet of said parking lot at any one time, and any given fifty (50') foot area that is torn up shall be restored to its reasonably prior condition within ten (10) days.

At any such time that the Utility District no longer requires said sewer line to serve any property owners other than the Grantor, or the Grantors successors or assigns, then the Grantee shall vacate this easement at the written request of the Grantors, or the Grantors successors or assigns.

WITNESS, the signature of the Grantors this 31 day of October, 1974.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

CORRECTION GRANT OF TRANSMISSION LINE EASEMENT

FOR AND IN CONSIDERATION of the sum of Ten Dollars (\$10.00), cash in hand paid, receipt of which is hereby acknowledged, Citizens Savings, an Illinois Savings and Loan Association, by and through its authorized official, has this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the Northcentral Mississippi Electric Power Association a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate and patrol one line (s) of poles or transmission line structures with sufficient wire and cable for electric power circuits and telephone circuits and all necessary appurtenances, in, on, over, and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way; all over, upon, across, and under the following described land, to-wit:

A 70 foot right of way 37 1/2 feet left and right of center, lying and being situated in DeSoto County, Mississippi, being in the West part of Section 1, Township 2 South, Range 6 West beginning at Station 112+72 and run thence North 41° 12' West to Station 141+49.40, thence North 38° 49" West to Station 154+26 which is the center of a gravel road and the Section line between Sections 1 and 2, Township 2 South, Range 6 West, all according to the Plat of Survey of the Miller-Olive Branch Transmission Line prepared by Allen & Hoshall, Consulting Engineers duly filed in the Chancery Clerk's Office in DeSoto County, Mississippi, reference to said Plat and Survey is made in aid of this description.

It is the intent of the grantors herein to grant an easement and right of way to Northcentral Mississippi Electric Power Association across the lands of the grantors whether the same is adequately described or not.

TO HAVE AND TO HOLD the said easement and right of way to the Northcentral Mississippi Electric Power Association, and its assigns, forever.

We covenant with the said Northcentral Mississippi Electric Power Association that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the Northcentral Mississippi Electric Power Association shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the North-central Mississippi Electric Power Association that no buildings or fire hazards shall be erected or maintained within the limits of the right of way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

By way of explanation, there was made in describing the easement grant herein an instrument from G. B. Payne and wife, Janice C. Payne to Northcentral Mississippi Electric Power Association, as shown of record in Book 80, page 318, land deed records of DeSoto County, Mississippi, and the purpose of this instrument is to correct the said error, grantor herein having purchased said property from G. B. Payne, et ux.

EDWARD L. WHITTEN, SR.,

GRANTOR

TO

EASEMENT DEEDTOWN OF HERNANDO, A
Municipal Corporation,

GRANTEE

For and in consideration of the sum of One Dollar (\$1.00), cash in hand paid, and other good and valuable considerations, the receipt and sufficiency of all of which is hereby acknowledged, I, the undersigned, EDWARD L. WHITTEN, SR., do hereby grant, sell and convey unto the TOWN OF HERNANDO, A Municipal Corporation, its successors and assigns, full and free, liberty and authority to enter upon and construct and operate and maintain a water line, sewer line and other utilities on the hereinafter described property located in the Town of Hernando, County of DeSoto, State of Mississippi, more particularly described as follows, to-wit:

Thirty-five (35) foot utility easement between Union Street and South Street in Town of Hernando, in Section 13, Township 3 South, Range 8 West, DeSoto County, Mississippi:

Beginning at a point in south line of Union Street 14 feet east of northwest corner Town Lot 135; said point being 5 feet west of the Town sewer line; thence southwesterly across Town Lots 135, 137 and a closed street to a point in north line South Street, said point also being 5 feet west of said Town sewer; thence east along said street line to a point 30 feet east of said sewer; thence northeasterly and parallel to said sewer line to a point in south line of Union Street; thence west along said street line 35 feet to the point of beginning, as per survey of J. E. Lauderdale, P. E., Town Engineer, of May 29, 1975.

That said easement or right-of-way is to construct, maintain and operate sewer or water lines at or near the location, along the general course over, across, under and upon the hereinabove described land. The Grantee is to have and hold the described easement and right from Edward L. Whitten, Sr., his successors, heirs, administrators, executors and assigns, together with all rights, reasonable and proper, instant to any rights hereby expressed and granted.

The undersigned hereby warrants the above described easement and right unto the said Grantee, its successors and assigns, against a lawful claim or demands of any and all persons claiming by, through or under the undersigned.

WITNESS MY SIGNATURE, this the 17th day of June, 1975.

ADDITIONAL RIGHT OF WAY DEED

For and in consideration of the sum of \$10.00 and other valuable considerations the receipt of which is hereby acknowledged, and in order to make the existing 10 foot right of way wider in an east and west direction, making the same 15 feet total width, We, Earl L. Watkins, Jr. and wife, Adell Watkins, do hereby convey and warrant unto Charles Wilbanks and his wife, Ruby Wilbanks, as tenants by the entirety, with the right of survivorship (not as tenants in common) a right of way and easement for access purposes to Dunn Road over and across the lands situated in DeSoto County, Mississippi, and described as follows, to-wit:

A strip of land that is 5 feet wide in an East and West direction and is 209 feet long in a North and South direction, and joins the existing 10 foot wide right of way on the East side, with all of said right of way being located on the West side of the Grantors one acre home place, situated in the Southwest Quarter of Section Fifteen (15), Township Two (2), Range Six (6) West, and with said additional 5 feet strip being more particularly described by notes and bounds, as follows, to-wit:

Commence at the Northwest corner of said Grantors one acre home place, as described by deed to them dated May 26, 1966, and of record in Book 66, Page 604, (and also shown by survey plat of J. E. Lauderdale, C. E., dated July 29, 1966); thence East a distance of 10 feet across the existing right of way to a point, NORTH POINT OF BEGINNING; thence East 5 feet to a point; thence South a distance of 209 feet to the South line of said home place; thence West 5 feet to a point; thence North 209 feet to the point of beginning.

The effect of this conveyance is to make the right of way a total distance of 15 feet wide and 209 feet long at this location, and the same joins the 15 foot wide access easement which was conveyed to the Grantees herein by the Grantors herein, with the same being included in the certain warranty deed dated September 15, 1972, and of record in Book 98, Page 427 of the Deed Records of DeSoto County, Mississippi, and to which full reference is now made.

RIGHT OF WAY INSTRUMENT

In consideration of \$ cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 100 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto

Mississippi, described as follows, to-wit:

A right of way 100 feet in width, being 50 feet on either side of the centerline, located in the Southeast 1/4 Section 13, Township 1 South, Range 9 West, DeSoto County, Mississippi; the centerline of said right of way being more particularly described as follows, to-wit:

(See Exhibit "A" attached)

Commencing at the Southeast corner of Section 13, Township 1 South, Range 9 West, DeSoto County, Mississippi, run thence West 925 feet along the centerline of a gravel road (along a line common to Sections 13 and 24) to a point on the centerline of existing Horn Lake to Tennessee State Line 161 KV transmission line and the point of beginning of the centerline of the right of way herein described; run thence North 47 degrees 38 minutes East along said transmission line a distance of 1,248 feet to the East boundary of grantor's property (also being the centerline of Mississippi Highway 301), containing 2.87 acres, more or less, less and except rights of way for roads; all as shown on plat attached, marked

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to erect and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation to them and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, bushes, etc., and other obstructions on the land to be cut down, from time to time all trees that are tall enough to block the view of the highway beyond the limits of said right of way, to be called "danger trees". Payment for the felling and removal of such trees shall be the duty of the Grantors. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of timber removed therefrom.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the centerline of the structure herein partially constructed on this right of way shall be the centerline of said right of way.

Should Grantee, or its successors, remove it, build on, improve or extend it on said right of way, the rights herein created in Grantor shall terminate, but with the right to remove therefrom all of Grantor's property thereon.

It is understood that Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not encroach on said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantor, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantor, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

EASEMENT AGREEMENT

This agreement made and entered into this the 10th day of July, 1975 by and between Holiday Inns, Inc., a Tennessee Corporation, hereinafter, called party of the first part and Two-Jacks, Inc., a Tennessee Corporation, hereinafter called party of the second part, WITNESSETH:

WHEREAS, party of the first part is by deed this day conveying to party of the second part 5.05 acres situated in Section 24, Township 1 South, Range 6 West, DeSoto County, Mississippi, and

WHEREAS, party of the second part is desirous of having a right of ingress and egress to the above described property from Bethel Road, a DeSoto County dedicated roadway.

NOW THEREFORE, BE IT AGREED AS FOLLOWS:

That party of the first part does hereby grant, assign and set over to the party of the second part the following described easement for the purpose of ingress and egress to 5.05 acres being this day conveyed to party of the second part by party of the first part, said easement described as follows, to wit:

TRACT I. 60 foot wide roadway easement from Bethel Road East a distance of 1189.03 feet to the intersection of that certain 30 foot drive easement which is described herein as Tract II, said 60 foot road easement beginning in the East right of way of Bethel Road at its point of intersection with the South line of the Holiday Industrial Park Airport access road; thence run East 1189.03 feet to a point; thence run North 60 feet; thence run West 1189.03 feet to a point in the East right of way of Bethel Road; thence run South 60 feet to the point of beginning.

TRACT II. A 30 foot drive easement situated in Section 24, Township 1, Range 6 West, DeSoto County, Mississippi beginning at a point in the North edge of pavement of the Holiday Industrial Park access road 10.0 feet North of the center line, said point being 1,363.29 feet East of the center line of Bethel Road; thence North 19 degrees 2 minutes 15 seconds East 169.88 feet to a point; thence North 0 degrees 7 minutes 58 seconds East 619.36 feet to a point; thence along said South line East 30.0 feet to a point; thence leaving said South property line South 0 degrees 7 minutes 58 seconds West 624.42 feet to a point; thence South 19 degrees 2 minutes 15 seconds West 164.55 feet to a point in the North edge of the pavement of the Holiday Industrial Park Airport access road, 10.0 feet North of the center line of said road; thence generally along said edge of pavement North 89 degrees 56 minutes 27 seconds West 31.72 feet to the point of beginning.

IT IS FURTHER AGREED BY AND BETWEEN the parties hereto that party of the first part shall at all times maintain, at its expense, paving on such easements in substantially their present condition.

IT IS FURTHER AGREED by the parties herein that party of the first part does hereby reserve the right to change the location of the roadways as described herein provided that any such change will not reduce the width of roadway described herein and will not in any way alter the surface of the roadway granted herein and will not in any way adversely affect the accessibility from Bethel Road to party of the second part's property. It is further agreed by and between the parties herein that party of the first part reserves the right to dedicate any or all of the roadway described herein to DeSoto County, Mississippi to make same a public roadway and to adhere to all standards and regulations of said DeSoto County, Mississippi.

The consideration for granting this easement is the sale of 5.05 acres by Holiday Inns, Inc. to Two-Jacks, Inc. stating considerations as set forth in said deed.

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY, AS SHOWN

its successors and assigns (herein called "Grantee"), a right of way and easement _____ feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

De Soto Mississippi, described as follows, to-wit:
10' ROW ALONG EAST SIDE OF ROSTIN RD FROM SOUTH PROPERTY LINE OF J.C. PENNY WAREHOUSE TO PATTI RD.
30' ROW ALONG SOUTH SIDE OF PATTI RD FROM ROSTIN RD TO TELANG RD
5' ANCHOR PERMIT ON LOT 67 FREEPORT INDUSTRIAL PARK S W 1/4 AND N W 1/4 SECT 22 T15-R8W

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$1,000 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY, its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of an electric circuit or circuits, and communications circuits, including poles, towers, cross arms, insulators, wires, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto County, Mississippi, described as follows, to-wit:

SE 1/4 of the SE 1/4 Section 26 T-1-S R-2-E. DeSoto County, Mississippi.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way by mechanical or chemical means, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove said circuit or circuits from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.
