

STATE OF MISSISSIPPI
COUNTY OF DESOTO

R/W NO. 2-D-1155

MODIFICATION OF RIGHT-OF-WAY
AGREEMENT AND FINAL RELEASE

WHEREAS, Robert E. Powell and Glen E. Powell, hereinafter called "Grantors", are the owners of a tract of land located in Section 21, Township 2 South, Range 5 West, in DeSoto County, Mississippi, across which their predecessors in title have previously executed and delivered to American Louisiana Pipe Line Company, a Delaware corporation, and Michigan Wisconsin Pipe Line Company, a Delaware corporation, which is a successor of American Louisiana Pipe Line Company, hereinafter called "Grantee", a right-of-way and easement to construct, lay, maintain, operate, alter, repair, replace, change the size of, move and remove pipelines and the appurtenances thereto for the transportation of oil, gas and other substances across lands owned by Grantors in DeSoto County, Mississippi, as more particularly shown in those certain right-of-way agreements dated the 23rd day of August, 1955, recorded in Book 41, page 151 of the land records of DeSoto County, Mississippi, and that certain right-of-way contract dated December 1, 1955, recorded in Book 41, page 191 of the land records of DeSoto County, Mississippi; and

WHEREAS, Michigan Wisconsin Pipe Line Company has now completed the construction of a third pipeline across said lands; and

WHEREAS, the present right-of-way is unlimited in width across Grantor's said lands and because of structures located upon said lands it was necessary to construct the third pipeline over a different route from the first two said lines; and

WHEREAS, the parties hereto desire to amend the aforesaid

right-of-way agreements across Grantors' land as hereinafter described to provide for a restricted and permanent right-of-way across the Grantors' land so that the Grantors may utilize the remainder of said tract unencumbered by an unlimited right-of-way easement.

NOW, THEREFORE, for and in consideration of the sum of ONE THOUSAND AND NO/100 DOLLARS (\$1,000.00), cash in hand paid by Grantee to Grantors, the receipt and sufficiency of which is hereby acknowledged, the Grantors and Grantee do hereby agree and covenant as follows:

1. Grantors do hereby confirm, grant, convey and specially warrant to Michigan Wisconsin Pipe Line Company, a Delaware corporation, its successors and assigns, hereinafter called Grantee, a right-of-way and easement to construct, lay, maintain, operate, alter, repair, replace, change the size of, move and remove the three pipelines and the appurtenances thereto for the transportation of oil, gas and other substances which can be transported through a pipeline over, through, upon, under and across the following described real property located in Section 21, Township 2 South, Range 5 West in the County of DeSoto, State of Mississippi, to-wit:

TRACT A:

A 75' wide strip of land measured perpendicular to and running parallel with the initial two pipelines laid across the Southeast corner of Grantors' lands in Section 21, Township 2 South, Range 5 West, DeSoto County, Mississippi, as more particularly shown as "Detail A" on the plat attached hereto as Exhibit A and made a part hereof by reference.

TRACT B:

A 50' wide strip of land measured perpendicular to and running parallel with the third pipeline laid across said lands, running generally in a North and South direction in Section 21, Township 2 South, Range 5 West, DeSoto County, Mississippi, as more particularly shown as "Detail B" on the plat attached hereto as Exhibit A and made a part hereof by reference.

2. Upon the execution of this right-of-way document it is agreed by and between the parties hereto that the easement created by this document, as well as the aforesaid right-of-way contracts stated above, shall be: (a) a strip of land 75 feet in width which shall traverse Grantors' land across the Southeast corner, and (b) a strip of land 50 feet in width running generally in a North and South direction, with the pipeline as laid across said lands being in the center of said easements, the exact boundaries of said easements being described above.

3. It is fully understood and agreed that only three (3) pipelines shall be laid under this grant by the Grantee, its successors or assigns, and that the original right-of-way grants are modified to provide for a maximum of three (3) pipelines to be laid. It is further agreed by the Grantor that he, his successors or assigns, will not construct or erect anything of any kind or nature above the surface of the ground along said right-of-way and easement or interfere with the maintenance, repair, replacement, operation, alteration, or changing the size of said three (3) pipelines by removing the cover over said lines.

4. The Grantors reserve the right to fully use and enjoy the said premises except for the purposes herein granted to Grantee.

5. Grantee agrees to pay the owner of said land and to any tenant and/or lessee thereof, as their respective interests may appear, any damages to land, fences, growing crops, or timber, but only those items, which may arise from or be caused by the relaying, reconstructing, maintaining, operating, altering, repairing, replacing, removing, changing the size of, or moving the pipelines and appurtenances which may be accomplished hereunder.

The rights herein granted may be assigned in whole or in part.

The agreement shall be binding upon the Grantors and the Grantee, their heirs, successors, assigns, agents and/or executors.

In further consideration the signatures of the Grantors hereby releases said Grantee from any and all claims for damages of any sort or type arising from the construction of said three pipelines as are now laid across said lands.

It is mutually agreed and understood that this contract as written covers all of the agreements and stipulations between the parties and no representations or statements, oral or written, have been made modifying, adding to or changing the terms hereof, and it is further agreed that the previous right-of-way documents recorded in Book 41, page 151 and Book 41, page 191 of the land records of DeSoto County, Mississippi, shall remain in full force and effect, except as specifically modified by this Modification of Right-of-Way Agreement.

WITNESS THE SIGNATURES of the Grantors and the Grantee to this agreement, this, the 13th day of August, 1973.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30' feet in width for the location, construction, reconstruction, operation, maintenance, and removal of an electric circuit or circuits, and communications circuits, including poles, towers, cross arms, insulators, wires, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto, Mississippi, described as follows, to-wit:

SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 28 T-2-S R-8-W

DeSoto County, Mississippi

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way by mechanical or chemical means, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove said circuit or circuits from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

Desoto Mississippi, described as follows, to-wit:

NE 1/4 OF THE NE 1/4 SECTION 32 T38-R6W

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

TO HAVE AND TO HOLD the said easement and right-of-way to the Northcentral Mississippi Electric Power Association, and its assigns, forever.

We covenant with the said Northcentral Mississippi Electric Power Association that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the Northcentral Mississippi Electric Power Association shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the Northcentral Mississippi Electric Power Association that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

UTILITY LINE EASEMENT

KNOW ALL MEN BY THESE PRESENTS, that in consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, we, National Bank of Commerce, Memphis, Tennessee, and Temple Baptist Church, do hereby grant and convey unto Southaven Utility District of DeSoto County, Mississippi, a ten (10) foot permanent easement to construct, maintain and operate thereon water and sewer lines of the District, with all appurtenances, manholes, valves, and connections necessary thereto, over the land in DeSoto County, Mississippi, described as follows, to-wit:

A strip of land along the north side of State Line Road in the Southeast corner of the Southwest quarter and the southwest corner of the Southeast Quarter of Section 18, Township 1 South, Range 7 West, DeSoto County, Mississippi, the center line of said easement being more particularly described as follows:

Starting at a point in the south line of Section 18, Township 1 South, Range 7 West, said point being in the west line of the property conveyed to Temple Baptist Church and being located at a distance of 2220.0 feet east of the southwest corner of said Section 18, and 900.0 feet east of the west line of the former W. B. Willis 80 acres, said point being in the center line of State Line Road; run thence north perpendicular to the center line of State Line Road a distance of 45 feet to a point in the west line of the Temple Baptist Church property, said point being the point of beginning of the center line of the herein described easement. From the point of beginning, run thence east parallel to the north right of way line of said road for a distance of 532.8 feet.

In addition, a temporary forty (40) foot easement is granted along said right of way for construction of the line,

which will terminate upon completion of construction. The additional thirty (30) feet of temporary easement will lie on the north side, parallel and adjacent to the ten (10) foot permanent easement. The utility line will be constructed in the middle of the permanent easement.

The purpose of the easement granted hereby is to furnish right of way for the installation of water and sewer lines to and for the use of the Temple Baptist Church property. Said Temple Baptist Church hereby covenants and agrees that at such time as the owner of the adjoining property to the west of said church property shall request an extension of such water and sewer lines across such portion of the permanent easement hereby granted as lies upon the property of said Church, it will grant a temporary construction easement parallel to said permanent easement, not less than 30 feet in width so as to allow access for construction of such water and sewer lines; said temporary easement to terminate upon completion of such construction. This covenant shall run with the land and shall be binding upon said Temple Baptist Church and its successors in title to said property.

The line will be placed not less than 2.5 feet below the surface of the ground, except for ditch crossings and other special conditions. The District will promptly pay all fence and crop damage caused by the installation and construction of the lines.

U.S. DISTRICT COURT
NORTHERN DISTRICT OF MISSISSIPPI

J U D G M E N T

This cause came on to be heard, and it appearing to the Court that the parties have waived any hearing for the purpose of determining the compensation to be paid, and that the plaintiff has agreed to pay and the defendant has agreed to accept the sum of Nine Thousand Dollars (\$9,000) as full compensation for the taking of the easement and right of way herein condemned and in full and final settlement, except as hereinafter shown, of all claims arising out of or in any way connected with said taking; including all claims for damages arising out of work performed to the date of this judgment in the clearing of the said easement and right of way or in the construction and maintenance thereon of an electric power transmission line; and that the plaintiff has deposited in the registry of this Court in this cause the total sum of Nine Thousand Dollars (\$9,000) of which Eight Thousand Seven Hundred Fifty Dollars (\$8,750) has been disbursed by previous order filed herein leaving on deposit a balance of Two Hundred Fifty Dollars (\$250), disbursement of which is provided for hereinafter in paragraph 3;

It is Ordered and Adjudged that:

1. The vesting of title in the United States of America, free of all liens, claims, and encumbrances, as evidenced by the declaration of

taking filed March 26, 1974, is hereby fully and finally confirmed as to the following described easement and right of way:

A permanent easement and right of way for electric power transmission purposes, consisting of the perpetual right to enter and to erect, maintain, repair, rebuild, operate and patrol one line of poles or transmission line structures with sufficient wires and cables for electric power circuits and telephone circuits, and all necessary appurtenances, in, on, over, or across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards, to destroy or otherwise dispose of such trees and brush, and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way, the plaintiff to remain liable for any direct physical damage to the land, crops, fruit trees, fences and roads, resulting directly from the operations of the construction and maintenance forces of plaintiff in and about the erection and maintenance thereof, all upon, under, over, and across the following described land:

TRACT NO. MOLB-8

A strip of land for a right of way located in the SW1/4 sec. 31, T. 1 S., R. 5 W. in DeSoto County, State of Mississippi, as shown on a plan and profile map entitled "Miller-Olive Branch Transmission Line, sheet 2, attached to the declaration of taking filed herein, said strip being 75 feet wide, lying 37.5 feet on each side of the center line of a transmission line location, the center line being more particularly described as follows:

Beginning at a point where the center line crosses the east line of the SW1/4 sec. 31 and the east line of the land of Floy White Sanders at survey station 85 + 57 on the center line of the location, said point being 1286 feet north of the southeast corner of the SW1/4 of the said section; thence N. 72° 47' W., 24.6 feet to survey station 85 + 81.6; thence S. 88° 05' W., 2618.4 feet to a point where the center line crosses the center line of a road, the west line of sec. 31, and the west line of the land of Floy White Sanders at survey station 112 + 00, said point being 1219 feet north of the southwest corner of the said section.

The above-described strip of land is a continuous right of way 75 feet wide through the said property between the above-named east and west property lines and includes the center line for a net distance of 2643 feet.

2. The defendant shall recover of the plaintiff the sum of Nine Thousand Dollars (\$9,000) as full compensation for the taking of the said easement and right of way and in full and final settlement, except as hereinbefore shown, of all claims arising out of or in any way connected with said taking including all claims for damages arising out of work performed to the date of this judgment in the clearing of the said easement and right of way or in the construction and maintenance thereon of an electric power transmission line.

3. The Clerk of this Court is authorized and directed to draw a check on the funds on deposit in the registry of this Court in the amount of Two Hundred Fifty Dollars (\$250), payable to the Estate of Floy White Sanders, in full satisfaction of this judgment, and to mail said check to Charles E. Griffith III, Esq., 26th Floor, First American Center, Nashville, Tennessee 37238.

4. The Clerk of this Court shall furnish to the plaintiff a certified copy of this judgment which shall serve as a muniment of title.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way by mechanical or chemical means, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove said circuit or circuits from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, SOUTHAVEN UTILITY DISTRICT does sell, convey and warrant to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, across, and under the land in DeSoto County, Mississippi described as follows, to-wit:

A permanent easement 30 feet in width across a tract of land lying in the southwest quarter of Section 19, Township 1 South, Range 7 West, DeSoto County, Mississippi.

Said 30 foot easement being bounded by a line 15 feet northwesterly of and parallel to and 15 feet southeasterly of and parallel to a survey line and being more particularly described as follows:

Commence at the southwest corner of Section 19, Township 1 South, Range 7 West, DeSoto County, Mississippi, run northerly along the west line of Section 19 a distance of 1040 feet, more or less, to a point; thence run easterly along the south line of said property 495 feet, more or less to a Point of Beginning. From this Point of Beginning run North 6°43' 21" East 9.11 feet, more or less; thence run North 6° 40' 50" East 695.42 feet; thence run North 80° 50' 42" East 292.58 feet to the end of the 30 foot permanent easement.

The herein described easement contains 0.69 acres, more or less.

Also a temporary construction easement 60 feet in width and 35 feet in width, northwesterly of, parallel and adjacent to and 60 feet in width and 35 feet in width, southeasterly of, parallel and adjacent to the above described permanent easement.

The herein described temporary construction easement contains 2.55 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth, and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

103

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

WITNESS my signature this 5th day of December, 1975.

CLINTON BELL

GRANTOR

TO

EASEMENT DEED

THE CITY OF HERNANDO,
MISSISSIPPI

GRANTEE

For and in consideration of the sum of six hundred-fifty dollars (\$650.00) cash in hand paid, and other good and valuable considerations, the receipt and sufficiency of all of which is hereby acknowledged, I, the undersigned Grantor, Clinton Bell, do hereby sell, convey, and warrant, unto the City of Hernando, Mississippi, a Municipal Corporation, an easement across the hereinafter described property located in the City of Hernando, County of DeSoto, State of Mississippi more particularly described as follows, to-wit:

Along south side, Lot 36, Magnolia Drive Subdivision in Town of Hernando, Section 18, Township 3 South, Range 7 west, DeSoto County Mississippi. Beginning at southeast corner of Lot 36, Magnolia Drive Subdivision; thence north 39° 48' west along east line said lot 15.09 feet to a point; thence south 57° 45' west and parallel to south line said lot 151.0 feet to west line said lot; thence due south along said lot line 17.73 feet to southwest corner said lot; thence north 57° 45' east along south line said lot 162.5 feet to the point of beginning.

By way of explanation, this easement was originally paid for by the City of Hernando, Mississippi (Formerly, the Town of Hernando, Mississippi) on June 5, 1973. Said easement was purchased by order of the Mayor and the Board of Aldermen of said Town at that time, said order recorded in Minute Book 6, Page 377, in the Official Town Minutes of the City of Hernando, Mississippi. Through some oversight on the part of the municipal officials at said time, a deed was never obtained from the Grantor. The purposes of the instrument for the correction of said error in order to implement the orders of the governing authorities of the City of Hernando, Mississippi as previously referred to in the Official Town Minutes.

The easement herein conveyed is specifically for the purpose of widening the street in the event it so becomes necessary, installing water lines or gas lines, or performing all matters necessary to the installation and service of city utilities or services incident to the normal operation of the City.

Title shall pass upon delivery of this deed.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto Mississippi, described as follows, to-wit:

SE 1/4 of the SE 1/4 of Section 13 T-1-S R-8-W

DeSoto County, Mississippi

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

CORRECTION GRANT OF TRANSMISSION LINE EASEMENT

FOR AND IN CONSIDERATION of the sum of Ten Dollars (\$10.00), cash in hand paid, and other good and valuable considerations, the receipt of all of which is hereby acknowledged, we the undersigned, Stanley Mills, Jr., Elnora Mills Sanderson, Sadie Mills Strawn and Clara Mills Barnes have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer and convey unto the Northcentral Mississippi Electric Power Association a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate and patrol one line of poles or transmission line structures with sufficient wires and cables for electric power circuits and telephone circuits, and all necessary appurtenances, in, on, over and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; to remove, destroy or otherwise dispose of danger trees, if any, located beyond the limits of said right of way, all over, upon, across and under the following described land, to-wit:

A 75 foot right of way 37 1/2 feet left and right of center, lying and being situated in DeSoto County, Mississippi, being in the East half of the West half of Section 35, Township 1 South, Range 6 West, BEGINNING at Station 197 + 21 and run thence North 38° 39' West to Station 197 + 96; thence North 1° 23' West to Station 219 + 58.15; thence continuing North 1° 23' West to Station 219 + 84.60 all according to the plat and survey of the Miller-Olive Branch Transmission line prepared by Allen & Hoshall, Consulting Engineers duly filed in the office of the Chancery Clerk, DeSoto County, Mississippi, reference to said plat and survey is made in aid of this description.

It is the intent of the Grantors herein to grant an easement and right of way to Northcentral Mississippi Electric Power Association across the lands of the Grantors whether same is adequately described or not.

By way of explanation, the granted transmission line easement dated April 20, 1970 was executed by the above parties and their late mother, Clara Hays Mills, same being of record in right of way Book 80, page 279, Land Deed Records, DeSoto County, Mississippi in which an error was contained in said description, therefore the purpose of this transmission line easement is to correct said error. The said Clara Hays Mills is now

deceased, she having left a will which is duly probated in the Chancery Clerk's Office, DeSoto County, Mississippi and under said will all her interest in said property noted herein passed to Grantors herein.

TO HAVE AND TO HOLD the said easement and right of way to the Northcentral Mississippi Electric Power Association, and its assigns, forever.

We covenant with the said Northcentral Mississippi Electric Power Association that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the Northcentral Mississippi Electric Power Association shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors and assigns, covenant and agree to and with the Northcentral Mississippi Electric Power Association that no buildings or fire hazards shall be erected or maintained within the limits of the right of way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent or succession.

Wherever the context hereof requires the plural number as used

herein shall be read as singular.

KNOW ALL MEN BY THESE PRESENTS, that in consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, we, George T. Ricks, Annie Belle R. Guy and Sarah T. Ricks do hereby grant and convey unto Southaven Utility District of DeSoto County, a fifteen (15) foot permanent easement to construct, maintain and operate thereon sewer lines for the District, with all appurtenances, manholes, and connections necessary thereto, over the land in DeSoto County, Mississippi, described as follows, to-wit:

A strip of land in the Northwest Quarter of Section 23, Township 1 South, Range 8 West, DeSoto County, Mississippi lying left and right of the centerline of the Highway 51 Extension of the West Southaven Sanitary Sewer Outfall Main as constructed and as shown on the official plans of said sewer line entitled "EXTENSION OF WEST SOUTHAVEN INTERCEPTOR SEWER, CHANGE ORDER NO. 3, Environmental Protection Agency Project No. C280344," on file with Southaven Utility District of DeSoto County, Mississippi. Said sanitary sewer main will run along the west side of the existing drainage ditch which runs along the east line of the property referred to herein, commencing at the North property line and extending to the South property line of the property referred to herein, said South property line also being the North right-of-way line of Whitworth Street.

In addition a temporary easement is granted along said right-of-way for construction of the line, which will terminate upon completion of construction. The utility line will be constructed in the middle of the easement.

The line will be placed not less than 2-1/2 feet below the surface of the ground, except for ditch crossings and other special conditions. The District will promptly repair all damage caused by the installation and construction of the lines.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of an electric circuit or circuits, and communications circuits, including poles, towers, cross arms, insulators, wires, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DE SOTO, Mississippi, described as follows, to-wit:

SW 1/4 of SW 1/4 SECT 14 T15-R 8W

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way by mechanical or chemical means, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove said circuit or circuits from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way; and Grantor will use the best efforts to protect Grantee's property on said right of way.

TO HAVE AND TO HOLD the said easement and right-of-way to the Northcentral Mississippi Electric Power Association, and its assigns, forever.

We covenant with the said Northcentral Mississippi Electric Power Association that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment on the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the Northcentral Mississippi Electric Power Association shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the Northcentral Mississippi Electric Power Association that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

CORRECTION GRANT OF TRANSMISSION LINE EASEMENT

FOR AND IN CONSIDERATION of the sum of Ten Dollars (\$10.00), cash in hand paid, receipt of which is hereby acknowledged, Rebco Land Company, the undersigned, has this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the Northcentral Mississippi Electric Power Association a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate and patrol one line of poles or transmission line structures with sufficient wire and cable for electric power circuits and telephone circuits and all necessary appurtenances, in, on, over, and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way; all over, upon, across, and under the following described land, to-wit:

A 75 foot right of way 37 1/2 feet left and right of center, lying and being situated in DeSoto County, Mississippi, being located in Section 18 and Section 7, Township 2 South, Range 5 West beginning at Station 22+68.40 and run thence North 18 degrees 47 minutes West to Station 24+03.90, thence North 58 degrees 33 minutes West to Station 24+50 being the Section line between Sections 18 and 7, thence from said point continuing North 58 degrees 33 minutes West to Station 36+80.75; thence North 55 degrees 12 minutes West to Station 51+58, being the West line of the Harrison property, all according to the plat and survey of the Miller-Olive Branch Transmission Line prepared by Allen & Hoshall, Consulting Engineers, duly filed in the office of the Chancery Clerk of DeSoto County, Mississippi, reference to said plat and survey being made in aid of this description.

TO HAVE AND TO HOLD the said easement and right of way to the Northcentral Mississippi Electric Power Association, and its assigns, forever.

We covenant with the said Northcentral Mississippi Electric Power Association that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the Northcentral Mississippi Electric Power Association shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the Northcentral Mississippi Electric Power Association that no buildings or fire hazards shall be erected or maintained within the limits of the right of way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

By way of explanation, this is a correction instrument to correct error made in that certain transmission line easement conveyed by Madge M. together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut therefor.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

EASEMENTS WITH
COVENANTS AND RESTRICTIONS AFFECTING LAND (ECR)

THIS AGREEMENT made this 14th day of November, 1975, between SAFEWAY STORES, INCORPORATED, a Maryland corporation, herein called "Safeway," and SKAGGS COMPANIES, INC., a Delaware corporation herein called "Developer."

A. RECITALS

1. Parcel I ownership. Safeway is the owner of Parcel I as shown on the plan attached hereto as Exhibit "A" hereof, and which is more fully described as Parcel I on Exhibit "B" hereof.
2. Parcel II ownership. Developer is the owner of Parcel II as shown on the plan attached hereto as Exhibit "A" hereof, and which is more particularly described as Parcel II on Exhibit "C" hereof.
3. Purpose. Safeway and Developer desire that Parcels I and II be developed in conjunction with each other pursuant to a general plan of improvement to form a commercial shopping center (sometimes hereinafter referred to as the "shopping center") and desire Parcels I and II be subject to the easements and the covenants, conditions and restrictions hereinafter set forth.

B. AGREEMENT

In consideration that the following encumbrances shall be binding upon the parties hereto and shall attach to and run with Parcels I and II, and shall be for the benefit of and shall be limitations upon all future owners of Parcels I and II and that all easements herein set forth shall be appurtenant to the dominant estates, and in consideration of the promises, covenants, conditions, restrictions, easements and encumbrances contained herein, Safeway and Developer do hereby agree as follows:

C. TERMS

1. Building/common areas: Definition.
 - a. "Building Areas" as used herein shall mean that portion of Parcel I and that portion of Parcel II shown on Exhibit "A" as "Safeway - 28,752 square feet" and "Skaggs - 28,000 square feet."
 - b. "Common Areas" shall be all of Parcels I and II except said Building Areas.
2. Buildings.
 - a. Use: The buildings shall be for commercial purposes of the type usually found in a retail shopping center. The tenants occupying the buildings shall be primarily retail and service tenants of the type normally associated with a retail shopping center.
 - b. Location: No building shall be constructed on Parcels I or II, except within the Building Areas. The front wall of

-2-

the building on Parcel II shall be constructed in the location shown on Exhibit "A".

c. Design and construction: The buildings shall be designed so that the exterior elevation of each will be architecturally and aesthetically compatible, and so that the buildings' wall footings shall not encroach from one parcel onto the other parcel. The design and construction shall be in conformity with sound architectural and engineering standards and the construction shall be first quality. No building shall exceed one story in height (35 feet) (plus mezzanines).

d. Easements: In the event building wall footings encroach from one parcel onto the other parcel, despite efforts to avoid that occurrence, the party onto whose parcel the footings encroach shall cooperate in granting an encroachment permit or easement to the party whose building wall footings encroach.

e. Fire protection: Any building constructed on Parcel I or Parcel II will be sprinklered.

3. Common areas use.

a. Grant of Easements: Each party, as grantor, hereby grants to the other party for the benefit of said other party, its customers, invitees, contractors and employees, a nonexclusive easement for roadways, walkways, ingress and egress, the parking of motor vehicles and use of facilities installed for the comfort and convenience of customers, invitees, contractors and employees on the common areas of the grantor's parcel.

b. Use: Subject to existing easements of record, the Common Areas shall be used for roadways, walkways, ingress and egress, parking of motor vehicles, loading and unloading of commercial and other vehicles, for driveway purposes, and for the comfort and convenience of customers, invitees, contractors and employees of all businesses and occupants of the buildings constructed on the Building Areas defined above.

c. Limitations on use:

1. Customers: Customers and invitees shall not be permitted to park on the Common Areas except while shopping or transacting business on Parcels I or II; provided, that customers or invitees shall not be harassed in the enforcement of this provision.

2. Employees: Employees shall not be permitted to park on the Common Areas, except in areas designated as "employee parking areas." The parties hereto may from time to time mutually designate and approve "employee parking areas."

3. General: Neither party shall at any time erect or permit the erection of any buildings, structures or barricades on the Common Areas which prevent or hinder ingress, egress and parking. All of the uses permitted within the Common Areas shall be used with reason and judgment so as not to interfere with the primary purpose

of the Common Areas which is to provide for parking for the customers, invitees, employees and contractors of those businesses conducted within the Building Areas and for the servicing and supplying of such businesses. Persons using the Common Areas in accordance with this agreement shall not be charged any fee for such use. The Common Areas shall not be altered or decreased from that shown on Exhibit "A" except as expressly provided by this instrument. In the event either party hereto or its successor-in-interest acquires additional land adjoining the shopping center, said land shall be incorporated into this agreement as part of the acquiring party's parcel and shall be subject to all the terms and provisions of this agreement.

d. Utility and service easements: The parties shall cooperate in the granting of appropriate and proper easements for the installation, repair and replacement of storm drains, sewers, utilities and other proper services necessary for the orderly development and operation of the Common Areas and buildings to be erected upon the Building Areas. Both parties will use their best effort to cause the installation of such utility and service lines prior to paving of the Common Areas.

4. Common areas: Development, maintenance and taxes.

a. Development.

1. Arrangement: The arrangement of the Common Areas shall not be changed except by mutual agreement of the owners of seventy-five percent (75%) of the land area of Parcel I and seventy-five percent (75%) of the land area of Parcel II, together with Safeway's written consent so long as it has an interest either as tenant or owner of Parcel I and the consent of Developer so long as it has an interest as owner or tenant in Parcel II.

2. Development timing: When any building is constructed within the Building Areas on a parcel, the Common Areas on that parcel shall be developed in accordance with Exhibit "A" at the expense of the owner of said parcel. Any portion of Parcel II not initially developed with Building or Common Areas shall be graded and graveled and maintained in a neat and clean condition. Simultaneously with said development, the owner of the other parcel shall develop, at its expense, the common areas within said other parcel in accordance with Exhibit "A".

b. Maintenance.

1. Standards: Following completion of the improvement of the Common Areas, the parties hereto shall maintain the Common Areas in good condition and repair. The maintenance is to include, without limiting the generality of the foregoing, the following:

(A) Maintaining the surfaces in a level, smooth and evenly covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use and durability.

(B) Keeping the area in a clean and orderly condition.

(C) Placing, keeping in repair and replacing any necessary appropriate directional signs, markers and lines.

(D) Operating, keeping in repair and replacing, where necessary, such artificial lighting facilities as shall be reasonably required.

(E) Maintaining all perimeter walls in a good condition and state of repair; and

(F) Maintaining all landscaped areas and making such replacements of shrubs and other landscaping as is necessary.

2. Expenses: The respective owners shall pay the maintenance expenses of their parcels.

3. By agent: Subject to the mutual agreement of the parties hereto, a third party may be appointed as an agent of the parties to maintain the Common Areas in the manner as above outlined. Said third party may receive for such agency a fee that is mutually acceptable to all parties to cover supervision, management, accounting and similar fees which sums are to be included in the general maintenance expense paid by the respective owners of the Common Areas.

c. Taxes: Each of the parties hereto agrees to pay or cause to be paid, prior to delinquency, directly to the appropriate taxing authorities all real property taxes and assessments which are levied against that part of the Common Areas owned by it.

5. Signs. No signs shall be located on the Common Areas on Parcels I or II except signs advertising businesses conducted thereon with no more than two (2) signs on the Common Areas on Parcel I and two (2) signs on the Common Areas on Parcel II. No signs shall obstruct the ingress and egress shown on Exhibit "A".

6. Indemnification/insurance.

a. Indemnification: Each party hereby indemnifies and saves the other party harmless from any and all liability, damage, expense, causes of action, suits, claims, or judgments arising from injury to person or property and occurring on its own parcel, except if caused by the act or neglect of the other party hereto.

b. Insurance: Each party shall provide public liability insurance with limits of not less than \$300,000/\$500,000 for injury or death and property damage insurance in the amount of \$100,000, or, in lieu thereof, a "Combined Single Limit" (covering bodily injury liability and property damage) of not less than \$500,000. Such insurance may be in the form of blanket liability coverage applicable to such party's parcel and other land owned or occupied by such party. Such insurance may be carried by either party in whole or in part under any plan of self-insurance which either party may from time to time have in force and effect so long as that party shall have a net worth of twenty million dollars or more.

7. Eminent domain.

a. Owner's right to award: Nothing herein shall be construed to give either party any interest in any award or payment made to the other party in connection with any exercise of eminent domain or transfer in lieu thereof affecting said other party's parcel or give the public or any government any rights in Parcels I or II. In the event of any exercise of eminent domain or transfer in lieu thereof of any part of the Common Areas located on Parcel I or Parcel II, the award attributable to the land and improvements of such portion of the Common Areas shall be payable only to the owner in fee thereof and no claim thereon shall be made by the owners of any other portion of the Common Areas.

b. Collateral claims: All other owners of the Common Areas may file collateral claims with the condemning authority for their losses which are separate and apart from the value of the land area and improvements taken from another owner.

c. Tenant's claim: Nothing in this paragraph 7 shall prevent a tenant from making a claim against an owner pursuant to the provisions of any lease between tenant and owner for all or a portion of any such award or payment.

d. Restoration of Common Areas: The owner of the fee of each portion of the Common Areas so condemned shall promptly repair and restore the remaining portion of the Common Areas so owned as near as practicable to the condition of same immediately prior to such condemnation or transfer to the extent that the proceeds of such award are sufficient to pay the cost of such restoration and repair and without contribution from any other owner.

8. Agreement:

a. Modification - cancellation: This agreement may be modified or cancelled only by written consent of all record owners of Parcel I and the record owners of seventy-five percent (75%) of the land area of Parcel II, together with Safeway's or owner in Parcel I, and together with the written consent of Developer, so long as it has an interest as an owner or tenant in Parcel II which consents shall not be unreasonably withheld.

b. Breach: In the event of breach or threatened breach of this agreement, only all record owners of Parcel I as a group, or the record owners of seventy-five percent (75%) of the land area of Parcel II as a group, or Safeway so long as it has an interest as owner or tenant in Parcel I, or Developer so long as it has an interest as an owner or tenant in any part of Parcel II shall be entitled to institute proceedings for full and adequate relief from the consequences of said breach. The unsuccessful party in any action shall pay to the prevailing party a reasonable sum for attorney's fees, which shall be deemed to have accrued on the commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

-6-

c. Non-merger: So long as Safeway is tenant of either parcel, this agreement shall not be subject to the doctrine of merger, even though the underlying fee ownership to the parcels described herein, or any parts thereof, is vested in one party or entity.

d. Duration: Unless otherwise cancelled and terminated, this agreement and all the easements, rights and obligations hereof shall automatically terminate and be of no further force or effect after fifty-seven (57) years from the date hereof,

9. Rights and obligations of lenders. The charges and burdens of this agreement are, and shall at all times be, prior and therefore superior to the lien or charge of any mortgage or deed of trust made in good faith and for value affecting Parcel I or Parcel II or any part thereof, or any improvements now or hereafter placed thereon. However, a breach of any of the easements, covenants, or restrictions hereof shall not defeat or render invalid the lien or charge of any mortgage or deed of trust. The superiority of this agreement shall be LIMITED to the extent that title to any property acquired through sale under foreclosure of any mortgage or deed of trust effected by powers of sale, judicial proceedings, or otherwise, shall be subject to all the charges and burdens affecting Parcels I and II by virtue of this agreement.

10. Release from liability. If during the existence of this agreement Safeway shall sell or transfer or otherwise terminate its interest as owner or tenant in Parcel I or in the event Developer shall sell or transfer or otherwise terminate its interest as owner or tenant in all or a part of Parcel II, then from and after the effective date of such sale, transfer or termination of interest, Safeway or Developer shall be released and discharged from any and all obligations, responsibilities and liabilities under this agreement, as to the part sold or transferred except those which have already accrued as of such date.

11. Rights of successors. The easements, restrictions, benefits, and obligations hereunder shall create mutual benefits and servitudes upon Parcels I and II running with the land. This agreement shall bind and inure to the benefit of the parties hereto, their respective heirs, representatives, tenants, successors, and/or assigns. The singular number includes the plural and the masculine gender includes the feminine and neuter.

12. Marginal notes. The marginal notes herein contained are inserted only as a matter of convenience and for reference and in no way define, limit, or describe the scope or intent of this document nor in any way affect the term and provisions hereof.

IN WITNESS WHEREOF, the parties hereto have executed this agreement.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, DESOTO COUNTY, MISSISSIPPI BOARD OF EDUCATION does sell, convey and warrant to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, across, and under the land in DeSoto County, Mississippi described as follows, to-wit:

EASEMENT NO. 1

A permanent easement 40 feet in width across a tract of land lying in the west half of the northwest quarter of Section 35, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 40 foot easement being bounded by a line 20 feet easterly of and parallel to, and a line 20 feet westerly of and parallel to a survey line, being more particularly described as follows:

Commencing at the northwest corner of Section 35, Township 1 South, Range 8 West, DeSoto County, Mississippi, run easterly along the north line of Section 35 a distance of 580 feet, more or less, to a point, thence run South $14^{\circ} 13' 13''$ East a distance of 82.53 feet to a Point of Beginning. From this Point of Beginning run South $14^{\circ} 13' 13''$ East a distance of 163.77 feet, thence run South $14^{\circ} 13' 13''$ East a distance of 529.94 feet, thence run South $11^{\circ} 13' 17''$ East a distance of 656 feet, to a point on the south line of said property.

The herein described easement contains 1.24 acres, more or less.

Also a temporary construction easement 55 feet in width easterly of, parallel and adjacent to and 55 feet in width westerly of, parallel and adjacent to the above described permanent easement, less and except that portion which falls east of said property, that portion westerly which falls within a permanent easement designated as Easement No. 2 on said property, and that portion westerly which falls within the Horn Lake High School Lagoon.

The herein described temporary construction easement contains 2.37 acres, more or less.

EASEMENT NO. 2

A permanent easement 30 feet in width across a tract of land lying in the northwest quarter of the northwest quarter of Section 35, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 30 foot easement being bounded by a line 15 feet northwesterly of and parallel to, less and except that portion southwesterly which falls within the Horn Lake High School Lagoon, and a line 15 feet southeasterly of and parallel to a survey line, being more particularly described as follows:

PERMANENT CONSTRUCTION AND MAINTENANCE EASEMENT
FOR CONSTRUCTION OF A CULVERT ON COWPEN CREEK
NAIL ROAD

In consideration of One Dollar (\$1.00) and other good and valuable considerations, we, Boyle Development Company and Schoolfield Corporation, do hereby convey and warrant to DeSoto County, Mississippi, the land in DeSoto County, Mississippi, described as part of the Northwest Quarter of Section 3, Township 2, Range 3, and being a strip of land South of the center of Nail Road, more particularly described as follows, to-wit:

A permanent Construction and Maintenance Easement was granted for construction of a culvert on Cowpen Creek; said easement extending 75.0 ft. on each side of the center line of Cowpen Creek (relocated) and 50 ft. South of right-of-way of Nail Road, as set out on the attached exhibit.

By way of explanation, the purposes of this deed is to grant a permanent construction and maintenance easement for construction of a culvert on Cowpen Creek South of Nail Road more particularly described as above. The reason therefor being that the State Aid Road Division of the Mississippi State Highway Department has requested that a permanent easement be given in order to meet State Aid Road regulations for rights-of-way.

The aforementioned easement is in addition to that certain right-of-way easement given on the 7th day of October, 1975, by Boyle Development Company, et al, to DeSoto County, Mississippi, recorded in deed book 120, page 24, in the office of the Chancery Court Clerk of DeSoto County, Mississippi.

WITNESS our signatures, this he 11th day of May, 1976.

The herein described temporary construction easement contains 1.76 acres, more or less.

This easement is given on the following conditions and reservations:

1. The Grantors reserve the right to remove dirt from the easement leaving five feet cover and fifteen feet lateral support for the sewer line.
2. The Grantors may use the surface in any way they desire, however, Grantors must have the written permission of the

district before constructing any permanent buildings directly over the sewer line.

3. The Grantors may remove at any time any improvements or temporary buildings hereafter constructed on the easement.

4. The district will be liable to the Grantors for the reasonable value of any damage caused by maintenance of the sewer line including the cost of restoring the surface to its original condition including any improvements damaged by the maintenance.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer line, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

An easement 30 feet in width across a certain tract or parcel parcel of land belonging to Homer L. Baker, et ux, situated in Section 30, Township 1 South, Range 8 West, DeSoto County, Mississippi, and being more particularly described as follows:

Commencing at the northwest corner of Section 30, Township 1 South, Range 8 West, DeSoto County, Mississippi, run easterly along the north line of said Section 30 a distance of 983 feet, more or less, to a Point of Beginning. From said Point of Beginning, run South $0^{\circ} 26' 31''$ East a distance of 34.22 feet; thence South $89^{\circ} 20' 25''$ West, a distance of 419.68 feet; thence South $18^{\circ} 58' 53''$ West, a distance of 898.27 feet; thence South $28^{\circ} 18' 36''$ East a distance of 212.41 feet; thence South $28^{\circ} 38' 11''$ West a distance of 566.96 feet to a point having coordinates of North 1,627,279.40 and East 571.136.29; this point being the termination point of said 30 foot permanent easement being 15 feet either side of said line. Continuing from said termination point this said point being 23.35 feet east from the east, right-of-way line of Mississippi State Highway 301, and said 30 foot wide permanent easement being parallel and adjacent to the east right-of-way line of Mississippi State Highway 301. Beginning at this point, run South $0^{\circ} 25' 07''$ East, a distance of 1022.24 feet to a point at Station 108+95.46 and 21.66 feet easterly from the east right-of-way line of Mississippi State Highway 301. Continuing from this said point the 30 foot permanent easement becomes 15 feet easterly of and parallel to and 15 feet westerly of and parallel to a survey line on a bearing of South $15^{\circ} 37' 16''$ East a distance of 75.0 feet, more or less to the south property line of said property. This said point being 102 feet, more or less, easterly along the mid section line from the southwest corner of the northwest quarter of Section 30, Township 1 South, Range 8 West. The herein described 30 foot permanent easement contains 2.26 acres, more or less.

Also a temporary construction easement 60 feet in width southerly and easterly of, parallel and adjacent to and 60 feet in width northerly and westerly of, parallel and adjacent to the above described 30 foot permanent easement, less and except a 400 foot by 60 foot rectangle off the north side of the herein described temporary construction easement which is right-of-way of DeSoto Road and less and except a 130 foot by 55 foot rectangle off the west side of herein described temporary easement from survey line Station 89+44, more or less, to a point of said survey line at Station 90+74, more or less, where the east line of the temporary

construction easement is 130 feet east from the east right-of-way line of Mississippi State Highway 301. And also a temporary construction easement 130 feet in width, parallel and adjacent to the east right-of-way line of Mississippi State Highway 301, from survey line Station 98+73.22 to survey line Station 108+95.46, and less and except the said 30 foot wide permanent easement.

The herein described temporary construction easement contains 7.5 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth, and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to ^{CATTLE} cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, FIRST MISSISSIPPI CORPORATION does sell, convey and warrant to HORN LAKE CREEK BASIN INTERCEPTOR SEWER DISTRICT of DeSoto County, Mississippi, a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, across and under the land in DeSoto County, Mississippi, described as follows, to-wit:

DESCRIPTION ATTACHED

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches. No brush or debris of any sort will be left on the easement or on the adjacent property.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line and will maintain fences during the construction to prevent escape of livestock.

First Mississippi Corporation reserves the right to build one or more railroad spur tracks across the easement herein granted. Part of the consideration for this easement is the agreement by the Interceptor Sewer District to encase the sewer line as required by the railroad in the event a spur track is constructed across the sewer line and the Interceptor Sewer District does hereby so agree.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, SOUTHAVEN LAND COMPANY does sell, convey and warrant to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, across, and under the land in DeSoto County, Mississippi described as follows, to-wit:

A permanent easement 40 feet in width across a tract of land lying in the northeast quarter of the northwest quarter of Section 30, Township 1 South, Range 7 West, DeSoto County, Mississippi.

Said 40 foot easement being bounded by a line 20 feet northerly of and parallel to and 20 feet southerly of and parallel to a survey line and being more particularly described as follows:

Starting at the northwest corner of Section 30, Township 1 South, Range 7 West, DeSoto County, Mississippi, run easterly along the north line of Section 30 a distance of 1320 feet, more or less, to a point, thence southerly along the west line of said property a distance of 45 feet, more or less, to a Point of Beginning. From this point of Beginning run south $77^{\circ} 14' 49''$ East 485.18 feet; thence South $89^{\circ} 29' 28''$ East 594.45 feet to the end of said 40 foot easement.

The herein described easement contains 0.99 acres, more or less.

Also, a temporary construction easement 55 feet in width, northerly of, parallel and adjacent to, less and except that portion north of the north line of Section 30, and 55 feet in width, southerly of, parallel and adjacent to, and 60 feet in width from the end of the above described permanent easement.

The herein described temporary construction easement contains 2.91 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the

location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantors adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, Donald M. Brown, grants to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi, a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes and other appurtenances through, over, across and under the land in DeSoto County, Mississippi, described as follows, to-wit:

A permanent easement 25 feet in width across a tract of land lying in the Southwest Quarter of Section 26, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 25 foot easement being bounded by a line 10 feet northeasterly of and parallel to and 15 feet southwesterly of and parallel to a survey line, and being more particularly described as follows:

Commence at the southwest corner of Section 26, Township 1 South, Range 8 West, DeSoto County, Mississippi, run northerly along the west line of Section 26 a distance of 2640 feet, more or less, to the mid-point of the west line of Section 26, thence run South $49^{\circ} 21' 34''$ east a distance of 1150 feet to a point; thence run South $39^{\circ} 09' 49''$ east a distance of 290 feet to a point of beginning on the west line of said property. Entering said property at this point of beginning, run South $39^{\circ} 09' 49''$ east a distance of 368.14 feet to a point; thence run South $73^{\circ} 56' 38''$ east a distance of 705 feet to a point on the east line of said property.

The herein described easement contains 0.64 acres, more or less.

Also, a temporary construction easement 80 feet in width northeasterly of, parallel and adjacent to and 70 feet in width southwest of, parallel and adjacent to the above described permanent easement, less and except that portion which falls within R. Watson and Hugh's Construction Company property.

The herein described temporary construction easement contains 3.83 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement. After July 1, 1977 the Grantor may make improvements on the easements and in event of destruction or damage in the construction or maintenance of the line, the District will reimburse the Grantor the fair value thereof.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches. No permanent buildings will be constructed in the easements.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 20' feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto, Mississippi, described as follows, to-wit:

SE 1/4 of the SW 1/4 of Section 36 T-3-S R-8-W
DeSoto County, Mississippi

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantor's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

its successors and assigns (herein called "Grantee"), a right of way and easement 5' feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto, Mississippi, described as follows, to-wit:

SB $\frac{1}{2}$ of the SW $\frac{1}{4}$ of Section 36 T-2-S R-7-W
along the east property line of lot 18
Dixie Hills Subdivision

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

For and in consideration of TEN DOLLARS (\$10.00) cash in hand paid and other good and valuable considerations, the receipt of all of which is hereby acknowledged, the undersigned LEONARD HEUBERGER and wife, EDITH AGNES HEUBERGER, Grantors, do hereby grant, sell, convey and warrant unto DONALD M. BROWN, Grantee, a non-exclusive easement and right-of-way for the purpose of constructing a road on, over and across certain property owned by them in DeSoto County, Mississippi, to provide ingress and egress to certain land owned by Grantee, together with the right to enter upon said land and grade, level, fill, pave and build a paved road on said right-of-way, said easement being described as follows:

A 50 foot easement being situated in Section 26, Township 1 South, Range 8 West, DeSoto County, Mississippi, being more particularly described as follows:

See Exhibit "A" hereto, which Exhibit "A" is incorporated herein at this point by reference for a more particular description.

It is understood that this Right of Way Easement is conveyed subject to all zoning laws and regulations, and all existing easements and restrictions, including but not limited to a sewer easement granted to the Horn Lake Creek Interceptor Sewer District of DeSoto County, Mississippi under date of March 1, 1976, and an existing Mississippi Power & Light easement, as shown on attached Exhibit "A".

Grantee further covenants and agrees that should the aforesaid road not be constructed within one (1) year from the

date hereof, Grantee will re-convey the aforesaid easement unto Grantors without monetary or other consideration being paid therefor.

Grantors covenant and agree that Grantee may upon completion thereof, dedicate the road constructed as aforesaid to the appropriate governmental authority.

In the event a road is constructed on this easement, it is agreed that Grantors shall have a right to use said road for any lawful purpose.

As a further consideration, Grantors hereby release all claims for damages reasonably incidental to the exercise of any of the rights granted herein.

It is further understood that if a road is constructed on this easement, no dirt or fill from the Grantors' property is to be used in building up the roadbed.

This easement shall inure to the benefit and be binding upon the parties and their successors in title, heirs, representatives or assigns.

DESCRIPTION OF AN INGRESS AND EGRESS EASEMENT ACROSS THE NORTH PART OF THE LEONARD HEUBERGER PROPERTY IN THE SOUTHWEST ONE-QUARTER OF SECTION 26, T-1-S, RANGE 8-WEST, DESOTO COUNTY, MISSISSIPPI, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

Beginning at a point in the west line of U. S. Highway No. 51 180.26 feet south of the southeast corner of the R. V. Barker property; thence northwestwardly at an angle in the northwest quadrant of 75 degrees 43 minutes and 37 seconds 667.29 feet to a point in the south line of the R. V. Barker property; thence west at an interior angle of 164 degrees 19 minutes and 56 seconds along the south line of the R. V. Barker property 92.57 feet to a point at the southwest corner of the R. V. Barker property and in the east line of the Don Brown and J. H. Crawford property; thence south at an interior angle of 89 degrees 12 minutes and 59 seconds along the east line of the said Brown and Crawford property 50 feet to a point; thence east at an interior angle of 90 degrees 47 minutes and 01 seconds 84.99 feet to a point; thence southeastwardly at an interior angle of 195 degrees 40 minutes and 04 seconds 673.15 feet to a point in the west line of U.S. Highway No. 51; thence north at an interior angle of 75 degrees 43 minutes and 37 seconds along the west line of U.S. Highway No. 51 51.60 feet to the point of beginning.

The above described easement is essentially the same as an easement granted the Horn Lake Creek basin interceptor sewer district for construction and maintenance of an interceptor sewer and also encroaches on an easement granted to the Mississippi Power and Light Company for maintenance and operation of an electric transmission line.

The above described easement is 50 feet wide.

The area of the above described easement is 0.871 acres.

EASEMENT NO. 1

A permanent easement 20 feet in width across a tract of land lying in the west half of the southeast quarter of Section 26, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 20 foot easement being bounded by a line 10 feet easterly of and parallel to and 10 feet westerly of and parallel to a survey line and being more particularly described as follows:

Commence at the southeast corner of Section 26, Township 1 South, Range 8 West, DeSoto County, Mississippi, run westerly along the south line of Section 26 a distance of 1945 feet, more or less, to a point on the centerline of the sewer line, thence run North 1° 59' 12" East along said centerline a distance of 80.09 feet more or less, to a point on the south line of said property. Said point being the Point of Beginning. Entering said property at said point of beginning run North 1° 59' 12" East a distance of 750.27 feet, thence run North 28° 12' 46" East a distance of 395.39 feet, thence run North 24° 50' 06" East a distance of 450.00 feet, thence run North 51° 27' 34" East a distance of 260 feet, more or less, to a point on the east line of said property.

The herein described easement contains .83 acres, more or less.

Also a temporary construction easement 55 feet in width easterly or, parallel and adjacent to and 40 feet westerly of, parallel and adjacent to the above described permanent easement, northerly to the junction with easement no. 2, then 55 feet in width easterly of, parallel and adjacent to and 55 feet westerly of, parallel and adjacent to the above described permanent easement, less and except that parcel owned by Warner Hodges, et al, and that portion which falls within a permanent easement on said property designated as Easement No. 2.

The herein described temporary construction easement contains 4.03 acres, more or less.

EASEMENT NO. 2

A permanent easement 25 feet in width across a tract of land lying in the southwest quarter of the southeast quarter of Section 26, Township 1 South, Range 8 West, DeSoto County, Mississippi.

C.P.D.

Said 20 foot easement being bounded by a line 10 feet north-easterly of and parallel to and 15 feet southwesterly of and parallel to a survey line, less and except that parcel owned by Warner Hodges, et al, and the parcel that is common to Easement No. 1 and Easement No. 2, and being more particularly described as follows:

Commence at the southeast corner of Section 26, Township 1 South, Range 8 West, DeSoto County, Mississippi, run westerly along the south line of Section 26 a distance of 2695 feet, more or less, to the center point of the intersection of Goodman Road and U.S. Highway 51, thence run northerly along the centerline of U. S. Highway 51 a distance of 991.5 feet, more or less, to a point on the centerline of the sewer line, thence run South 73° 56' 38" East along the centerline of the sewer line a distance of 50.70 feet, more or less, to a point on the property line of said property. Said point being the Point of Beginning. Entering said property at said Point of Beginning, run South 73° 56' 38" East a distance of 733.1 feet, more or less, to a point common to both Easement No. 1 and Easement No. 2.

The herein described easement contains .36 acres, more or less.

Also a temporary construction easement 80 feet in width north-easterly of, parallel and adjacent to and 70 feet in width south-westerly of, parallel and adjacent to the above described permanent easement, less and except that parcel owned by Warner Hodges, et al, and that parcel that is common to both Easement No. 1 and Easement No. 2.

The herein described temporary construction easement contains 1.85 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement, however, the Grantee shall have right of access to the line for maintenance purposes.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

Said point being 694 feet, more or less, southerly from the mid section point of Section 21. The herein described 50 foot easement contains 3.24 acres, more or less.

Also a temporary construction easement 80 feet in width, northerly of, parallel and adjacent to and 70 feet in width, southerly of, parallel and adjacent to the above described 50 foot permanent easement. The herein described temporary construction easement contains 9.79 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

This conveyance is subject to the following special conditions and considerations:

1. The Interceptor Sewer District through its contractor will clean up with a bulldozer the thicket on the east end of the line of Grantor's property and the thicket on the west end of the line at Horn Lake Road. These thickets contain approximately 2 acres each and will be cleaned as the contractor works on adjoining area.
2. The district will replace all fencing destroyed with four strand barbed wire fence with four inch creosote posts.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, ROBERT H. RASCO and wife, JEAN RASCO, do sell, convey and warrant to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, across and under the land in DeSoto County, Mississippi, described as follows, to-wit:

An easement 30 feet in width across a tract of land lying in the northeast quarter of Section 21, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 30 foot easement being bounded by a line 15 feet easterly of and southerly of and parallel to a survey line more particularly described as follows:

Commencing at the southwest corner of the northeast quarter of Section 21, Township 1 South, Range 8 West, DeSoto County, Mississippi, run easterly along the south line of the northeast quarter a distance of 1266 feet, more or less, to a Point of Beginning. From this Point of Beginning, thence run North $0^{\circ} 04' 58''$ East a distance of 682.02 feet to a point; thence run South $89^{\circ} 34' 15''$ East a distance of 665.71 feet to a point; thence run North $2^{\circ} 06' 18''$ West a distance of 681.11 feet to a point; thence run North $85^{\circ} 07' 27''$ East a distance of 48.50 feet to the East line of said property. The herein described permanent easement contains 1.44 acres, more or less.

Also a temporary construction easement 60 feet in width westerly of and northerly of, parallel and adjacent to the above described 30 foot permanent easement and a temporary construction easement 25 feet in width easterly of, parallel and adjacent to said permanent easement and bounded on the east by the west line of the Freida B. Jones tract, and a temporary construction easement 5 feet in width southerly of, parallel and adjacent to said permanent easement and bounded on the south by the north line of the Freida B. Jones and the Jeanette Fuller Adair tracts, and a temporary construction easement 25 feet in width easterly of, parallel and adjacent to said permanent easement and bounded on the east by the west line of the Freeport Industrial Park tract. The herein temporary construction easements contain 3.74 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

In addition to the foregoing, this easement is given upon the following conditions and requirements:

1. Clearing - The district through its contractor will clear all of the trees and undergrowth and both temporary and permanent easements and will cut to firewood length and save for the owner all of the trees over eight inches in diameter. The contractor will also clear all of the thickets located at both the northeast corner and southwest corner of the ten acre tract out of the southeast corner of the Grantors property clearing with a bulldozer approximately 2 acres in each parcel.
2. The district will reseed damaged land with rye or Bermuda grass depending upon the season.
3. The district will replace all fences damaged with four strand barbed wire fence with four inch creosote post.

An easement 30 feet in width across a tract of land lying in the Northeast Quarter of Section 19, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said easement being bounded by a line 15 feet easterly of and parallel to and 15 feet westerly of and parallel to a survey line and being more particularly described as follows:

Commencing at the northwest corner of the northeast Quarter of Section 10, Township 1 South, Range 8 West, DeSoto County, Mississippi run easterly along the north line of Section 19 a distance of 102 feet, more or less, to a point; thence run south $03^{\circ} 54' 15''$ east a distance of 40.09 feet to a point on the south right of way line of State Line Road to a point of beginning. From this point of beginning run the following courses, south $03^{\circ} 54' 15''$ east, 660.59 feet, more or less, thence run south $07^{\circ} 24' 21''$ east, 1104.50 feet, thence run south $20^{\circ} 05' 47''$ west, 860.82 feet, thence run south $42^{\circ} 36' 00''$ west, 7.86 feet to a point on the west line of said property. The herein described 30 foot permanent sewer line easement contains 1.81 acres, more or less.

Also a temporary construction easement 60 feet in width, easterly of, parallel and adjacent to and 60 feet in width westerly of, parallel and adjacent to the above described 30 foot permanent easement. The herein described temporary construction easement contains 7.15 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth, and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantors adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, hereinafter set out, receipt of which is acknowledged, S & T of Mississippi, Inc. and Philipsborn DeSoto, Inc., sell, convey and warrant to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi, a perpetual easement for the construction, maintenance and repair of a sanitary outfall sewer line, with manholes, metering stations, and other appurtenances through, over, across and under the land in DeSoto County, Mississippi described as follows, to-wit:

EASEMENT NO. 1

An easement 30 feet in width across a tract of land lying in the east Half of the east Half of the Northeast Quarter of Section 21, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 30 foot easement being bounded by a line 15 feet northerly of and parallel to, and 15 feet southerly of and parallel to a survey line and being more particularly described as follows:

Commencing at the southeast corner of the Northeast Quarter of Section 21, Township 1 South, Range 8 West, DeSoto County, Mississippi run westerly along the south line of the Northeast Quarter of Section 21 a distance of 660 feet, more or less, to a point on the west line of said property; thence run northerly along the west line of said property a distance of 1359.51 feet, more or less, to a point of beginning. From this point of beginning run north $85^{\circ} 07' 29''$ east a distance of 579.25 feet to the end of the 30 foot permanent easement. The herein described easement contains 0.40 acres, more or less.

Also a temporary construction easement, 60 feet in width northerly of, parallel and adjacent to and 60 feet in width, southerly of parallel and adjacent to the above described 30 foot permanent easement from the west line of said property to the east line of said property, which is also the east line of Section 21. The herein described temporary construction easement contains 1.42 acres, more or less.

EASEMENT NO. 2

An easement 50 feet in width across a tract of land lying in the Southeast Quarter of the Southeast Quarter of Section 21, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said easement being bounded by a line 20 feet northerly of and parallel to and 30 feet southerly of and parallel to a survey line and being particularly described as follows:

Commence at the Southeast corner of Section 21, Township 1 South, Range 8 West, DeSoto County, Mississippi, run westerly along the south line of said Section 21 a distance of 640 feet, more or less, to a point; thence run northerly along the west line of said property a distance of 249 feet, more or less, for a point of beginning. From this point of beginning enter said property and run South $56^{\circ} 59' 47''$ east 457.39 feet, more or less, to the south line of said property; said point also being on the south line of Section 21, 257 feet, more or less, westerly from the southeast corner of said Section 21. The herein described easement contains 0.51 acres, more or less.

Also a temporary construction easement 80 feet in width northeasterly of, parallel and adjacent to and 70 feet in width, southwesterly of, parallel and adjacent to the above described permanent easement. The herein described temporary construction easement contains 1.58 acres, more or less.

EASEMENT NO. 3

An easement 30 feet in width across a tract of land lying in the Southwest Quarter of Section 22, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 30 foot easement being bounded by a line 15 feet northwesterly of and parallel to and 15 feet southeasterly of and parallel to a survey line and being more particularly described as follows:

Commencing at the southwest corner of Section 22, Township 1 South, Range 8 West, DeSoto County, Mississippi, run easterly along the south line of Section 22 a distance of 1637 feet, more or less, to a point of beginning. From this point of beginning run north 42° 58' 49" east 499.28 feet, more or less, along a survey line to a point on the east line of said property. The herein described easement contains 0.34 acres, more or less.

Also a temporary construction easement 60 feet in width, northwesterly of, parallel and adjacent to and 60 feet in width, southeasterly of, parallel and adjacent to the above described 30 foot permanent easement. The herein described temporary construction easement contains 1.38 acres, more or less.

The temporary construction easements shall cease to exist after the sanitary sewer line is constructed and the property will be restored to the same condition it was prior to the granting of the construction easement. In any event the temporary construction easements shall cease to exist as above but in any event not beyond two years from date of execution of this agreement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantors adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line and will maintain fences during construction to prevent escape of livestock.

It is agreed by the parties that the consideration for the conveyance of the aforesaid sewer line easements by Freeport to the

District shall be the forbearance on the part of the District from collecting from any present or future occupant of the park any charges designated as "sewer development charge" or "connection fees" imposed on new users of the sewer line as part of the tariff of the Interceptor Sewer District. It is further agreed that no part of the cost of metering the effluent from the park will be charged against the occupants of the park.

It is further agreed that the meter station for lateral "B" which crosses the railroads spur line will be south of Section 22, Township 1, Range 8, and further, that Freeport will be permitted to make connection into the main sewer line at or near the southwest corner of Freeport under supervision of the engineers of the District for the purpose of providing sewer service to the southwest portion of the park, the connection to be made by cutting through existing manholes and without the payment from any present or future occupant of the park of any charges designated as "sewer development charge" or "connection fees" imposed on new users of the sewer line as part of the tariff of the Interceptor Sewer District.

The Freeport Industrial Park consisting of approximately 330 acres, more or less, in DeSoto County, Mississippi, described by plat attached and made a part hereof will be considered by the District as an ongoing development and any sewer lines which are extended or enlarged by the developer may be tied into existing manholes of the District without having to pay the District or the collector utility, Southaven Utility District, a "connection fee" or "sewer development charge."

It is further agreed that the District recognizes that the park is within the service area of Southaven Utility District and there exists an agreement between Southaven Utility District and the Interceptor Sewer District called "Sewerage Treatment Agreement" and that no additional charges will be made by the Interceptor Sewer District in order for Southaven Utility District to provide service to Freeport Industrial Park at any time in the future.

It is understood and agreed that this right of way permit does not prohibit the present owner and its transferees and assigns from surfacing the area of the right of way and using same for parking purposes.

WITNESS the signatures of the parties this 18th day of May, 1976.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30' feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto, Mississippi, described as follows, to-wit:

NW $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 28 T-2-S R-6-W

DeSoto County, Mississippi

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 100 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of DE SOTO, Mississippi, described as follows, to-wit:

NW 1/4 SECT 30 T2S - R7W

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, when located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and the right to hook on the manhole on property at no cost other than sewer fee use and other good and valuable considerations, receipt of which is acknowledged, we, JOHN E. SARTIN and wife, LOUISE O. SARTIN, sell, convey and warrant to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of a sanitary outfall sewer line, with manholes, metering stations, and other appurtenances through, over, across and under the land in DeSoto County, Mississippi described as follows, to-wit:

A permanent easement 30 feet in width across a tract of land lying in the northwest quarter of the northwest quarter of Section 35, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 30 foot easement being bounded by a line 15 feet easterly and southerly of and parallel to and a line 15 feet westerly and northerly of and parallel to a survey line, being more particularly described as follows:

Commencing at the northwest corner of the northwest quarter of the northwest quarter of Section 35, Township 1 South, Range 8 West, run east along the north line of said Section a distance of 400 feet to a point, said point being the intersection of the north line of said Section and the north projection of the east property line of the J. E. Sartin property; thence South $1^{\circ} 33' 13''$ West to and along said Sartin east line a distance of 663.75 feet to the southeast corner of said Sartin property; thence run South $88^{\circ} 11' 47''$ West a distance of 30 feet along the south line of said Sartin property to a point in a survey line, said point being the point of beginning; thence run North $1^{\circ} 33' 13''$ East along said survey line a distance of 217.50 feet to a point; thence run North $88^{\circ} 55' 47''$ East along said survey line a distance of 30 feet, more or less, to a point on the east line of said Sartin property.

The herein described easement contains 0.17 acres, more or less.

Also a temporary construction easement 15 feet in width easterly and southerly of, parallel and adjacent to and 60 feet in width westerly and northerly of, parallel and adjacent to the above described permanent easement.

The herein described temporary easement contains 0.43 acres, more or less.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantors adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, when located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, WE, HOMER L. BAKER and wife, EDDIE MAE HAMIL BAKER, sell, convey and warrant to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, across, and under the land in DeSoto County, Mississippi described as follows, to-wit:

An easement 30 feet in width across a certain tract or parcel of land belonging to Homer L. Baker, et ux, situated in Section 30, Township 1 South, Range 8 West, DeSoto County, Mississippi, and being more particularly described as follows:

Commencing at the northwest corner of Section 30, Township 1 South, Range 8 West, DeSoto County, Mississippi, run easterly along the north line of said Section 30 a distance of 983 feet, more or less, to a Point of Beginning. From said Point of Beginning, run South $0^{\circ} 26' 31''$ East a distance of 34.22 feet; thence South $89^{\circ} 20' 25''$ West, a distance of 419.68 feet; thence South $18^{\circ} 58' 53''$ West, a distance of 1147.92 feet to a point; thence South $63^{\circ} 12' 11''$ West a distance of 118.13 feet to a point approximately 15 feet east of the east right-of-way of Mississippi State Highway 301; thence South $0^{\circ} 32' 13''$ East, a distance of 1413.71 feet, this line being 15 feet east of and parallel to said highway right-of-way, to a point; thence South $17^{\circ} 12' 15''$ East, a distance of 80 feet, more or less, to the south property line of said property.

Also a temporary construction easement 60 feet in width southerly and easterly of, parallel and adjacent to and 60 feet in width northerly and westerly of, parallel and adjacent to the above described 30 foot permanent easement, less and except a 400 foot by 60 foot rectangle off the north side of the herein described temporary construction easement which is right-of-way of DeSoto Road and less and except a 130 foot by 55 foot rectangle off the west side of herein described temporary easement from survey line Station 89+44, more or less, to a point of said survey line at Station 90+74, more or less, where the east line of the temporary construction easement is 130 feet east from the east right-of-way line of Mississippi State Highway 301. And also a temporary construction easement 115 feet in width, parallel and adjacent to the east right-of-way line of Mississippi State Highway 301, from survey line Station 94+61.63 to survey line Station 108+75.34, and less and except the said 30 foot wide permanent easement.

The herein described temporary construction easement contains 7.5 acres, more or less.

This easement will replace the former easement given by the undersigned for this sewer line.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored

to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth, and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cattle, cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 10 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto, Mississippi, described as follows, to-wit:

10' Easement across lot 1351 of Section "G"
Greenbrook Subdivision Section 30 T-1-S R-7-W

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

EASEMENT AGREEMENT

THIS AGREEMENT made and entered into this the 17th day of September, 1976, by and between HOLIDAY INNS, INC., a Tennessee corporation, hereinafter called "Party of the First Part," and STANDARD OIL COMPANY, a division of Chevron Oil Company, hereinafter called "Party of the Second Part,"

W I T N E S S E T H:

WHEREAS, Party of the First Part is by warranty deed this day conveying to Party of the Second Part 1.4982 acres situated in Section 24, Township 1 South, Range 6 West, DeSoto County, Mississippi, and

WHEREAS, Party of the Second Part is desirous of having a right of ingress and egress to the above-described property from Bethel Road, a DeSoto County dedicated roadway.

NOW, THEREFORE, BE IT AGREED AS FOLLOWS:

That Party of the First Part does hereby grant, assign and set over to the Party of the Second Part the following-described non-exclusive easement for the purpose of ingress and egress to 1.4982 acres, being this day conveyed to Party of the Second Part by Party of the First Part, said easement described as follows, to-wit:

Sixty foot wide roadway easement from Bethel Road East a distance of 1,258.51 feet to the Southeast corner of that certain 1.4982 acres this day conveyed by Party of the First Part to Party of the Second Part as described herein, said sixty foot road easement beginning in the East right-of-way of Bethel Road at its intersection with the South line of the Holiday Industrial Park Airport access road; thence run East 1,258.51 feet to a point; thence run North 60 feet; thence run West 1,258.51 feet with the Southerly line of the land this day conveyed by Party of the First Part to Party of the Second Part to a point in the East right-of-way of Bethel Road; thence run South 60 feet to the point of beginning.

It is further agreed by and between the Parties hereto that Party of the First Part shall at all times maintain, at its expense, paving on said easement in substantially its present condition.

It is further agreed by the Parties herein that Party of the First Part does hereby reserve the right to change the location of the easement

as described herein, provided that any such change will not reduce the width of roadway described herein, and will not in any way alter the surface of the roadway granted herein, and will not in any way adversely affect the accessibility from Bethel Road to Party of the Second Part's property. It is further agreed by and between the Parties herein that Party of the First Part reserves the right to dedicate any or all of the roadway described herein to DeSoto County, Mississippi, to make same a public roadway and to adhere to all standards and regulations of said DeSoto County, Mississippi.

The consideration for granting this easement is the sale of 1.4982 acres by Holiday Inns, Inc., to Standard Oil Company, pursuant to considerations as set forth in said deed.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

DeSoto Mississippi, described as follows, to-wit:

NW 1/4 Sect. 8 T2S-R8W

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

ORDER AUTHORIZING PRESIDENT OF THE BOARD OF SUPERVISORS AND CLERK OF THE BOARD TO EXECUTE A SEWER EASEMENT TO HORN LAKE CREEK BASIN INTERCEPTOR SEWER DISTRICT OF DESOTO COUNTY, MISSISSIPPI IN LIEU OF FORMER EASEMENT BEING CANCELLED

BE IT ORDERED:

WHEREAS, the Board of Supervisors for and in behalf of DeSoto County, Mississippi did previously grant a sewer easement to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances in DeSoto County, Mississippi; and

WHEREAS, the said Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi has requested that the County grant another easement in lieu of the former easement at the location, which is to be cancelled, and

WHEREAS, the Board of Supervisors of DeSoto County, Mississippi after considering said proposal does hereby authorize the said conveyance of the sewer easement in consideration of the cancellation of the former easement granted by this Board unto the Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi.

BE IT HEREBY ORDERED BY THE BOARD OF SUPERVISORS OF DESOTO COUNTY, MISSISSIPPI AS FOLLOWS:

That the Board of Supervisors of DeSoto County, Mississippi as the governing authority of DeSoto County, Mississippi does hereby convey, sell and warrant to the Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, and across and under the land in DeSoto County, Mississippi, more particularly described in Exhibit "A" attached herewith and in consideration of said conveyance that the former easement granted at this location by DeSoto County, Mississippi being cancelled by this easement.

That the President of the Board of Supervisors of DeSoto County, Mississippi and the Clerk of the Board of Supervisors of

DeSoto County, Mississippi are hereby authorized by this Board as the governing authority of DeSoto County, Mississippi to execute the easement conveying said easement unto the Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi for purposes expressed in said sewer easement conveyance. A copy of said instrument conveying said easement is attached herewith previously referred to as Exhibit "A".

A certified copy of this Order along with an executed original of the sewer easement conveyance be forwarded to the Honorable Joel P. Walker, Attorney at Law, P. O. Box 367, Hernando, Mississippi 38632, attorney for the Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi.

ORDERED AND DONE, this the 5th day of January, 1977.

Floyd S. Robertson
Floyd S. Robertson, President of the Board of Supervisors of DeSoto County, Mississippi

REVISED

SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, DESOTO COUNTY, MISSISSIPPI sells, conveys and warrants to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, across and under the land in DeSoto County, Mississippi described as follows, to-wit:

Easement No. 1

A permanent easement 50 feet in width across a tract of land lying in the northeast 1/4 of Section 27, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 50 foot easement being bounded by a line 20 feet northerly of and parallel to and 30 feet southerly of and parallel to a survey line. Said 50 foot easement is more particularly described as follows:

Commencing at the northeast corner of Section 27, Township 1 South, Range 8 West, DeSoto County, Mississippi, run westerly along the north line of Section 27 a distance of 2515 feet, more or less, to the centerline of the Illinois Central Gulf Railroad; thence southeasterly along the centerline of the railroad a distance of 1630 feet, more or less; thence run South 62 degrees 19' 15" East along a survey line a distance of 71 feet, more or less, to a point on the east right of way line of the Illinois Central Gulf Railroad right of way line and the Point of Beginning. From this Point of Beginning run South 62 degrees 19' 15" East 42.16 feet, thence South 21 degrees 22' 42" East 517.56 feet, thence South 56 degrees 16' 42" East 620.15 feet, thence South 85 degrees 42' 42" East 762.49 feet, thence North 89 degrees 47' 58" East 321.03 feet; thence South 49 degrees 21' 34" East 176 feet to a point on the east line of Section 27.

The herein described easement contains 2.78 acres, more or less.

Also a temporary construction easement 55 feet, 20 feet, and 80 feet in width, northeasterly of, parallel and adjacent to and 70 feet southwesterly of, parallel and adjacent to, less and except the portion at the northeast corner of the Southaven Lagoon that is bounded by a fence on the north and east side as shown on attached plat, and that portion designated as easement No. 2.

The herein described temporary construction easement contains 5.8 acres, more or less.

Easement No. 2

A permanent easement 30 feet in width across a tract of land lying in the southeast 1/4 of the northeast 1/4 of Section 27, Township 1 South, Range 8 West, DeSoto County, Mississippi.

Said 30 foot easement being bound by a line 15 feet southeasterly of and parallel to and 15 feet northwesterly and parallel to a survey line, being more particularly described as follows:

Commencing at the northeast corner of Section 27, Township 1 South, Range 8 West, DeSoto County, Mississippi; run westerly along the north line of Section 27 for a distance of 2515 feet, more or less to a point on the centerline of the Illinois Central Gulf Railroad, thence southeasterly along the centerline of the railroad for a distance of 1630 feet more or less, thence run South 62 degrees 19' 15" East for a distance of 113.61 feet, more or less, thence South 21 degrees 12' 42" East; for a distance of 517.56 feet, thence South 56 degrees 16' 42" East for a distance of 620.15 feet, thence South 85 degrees 42' 42" East for a distance of 762.49 feet, thence North 27 degrees 48' 44" for a distance of 22.65 feet to the Point of Beginning. From this Point of Beginning run North 27 degrees 48' 44" East 72.27 feet to the end of easement.

The herein described easement contains 0.05 acres, more or less.

This easement is granted in lieu of the former easement at this location which is cancelled by the securing of this easement.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district shall pay all the cost of constructing the sewer line and there will be no assessment against the Grantor's adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

GRANT OF TRANSMISSION LINE EASEMENT

FOR AND IN CONSIDERATION of the sum of TWO THOUSAND ONE HUNDRED NINETY-NINE and 61/100-----Dollars (\$ 2199.61), cash in hand paid, receipt whereof is hereby acknowledged, we, the undersigned, ROBERT D. BERRY and wife, FRANCES BERRY,

have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the Northcentral Mississippi Electric Power Association a permanent easement and right of way for the following purposes, namely: the perpetual right to enter at any time and from time to time and to erect, maintain, repair, rebuild, operate, and patrol one line (s) of poles or transmission line structures with sufficient wires and cables for electric power circuits and telephone circuits, and all necessary appurtenances, in, on, over, and across said right of way, together with the right to clear said right of way and keep the same clear of brush, trees, buildings, and fire hazards; to destroy or otherwise dispose of such trees and brush; and to remove, destroy, or otherwise dispose of danger trees, if any, located beyond the limits of said right of way; all over, upon, across, and under the following described land, to wit:

A seventy-five (75) foot right-of-way thirty seven and one-half (37 1/2) feet left and right of the center, lying and being situated in Marshall County, Mississippi, being located in Section 28, Township 2 South, Range 5 West, DeSoto County, Mississippi, described as BEGINNING at a point of intersection of the right-of-way of U. S. Highway 78 and the center line of said 46 KV transmission line at station 113 + 39.4; thence south 11° 26' east a distance of 1056.9 feet, more or less, to a point at station 123 + 93.3; thence south 41° 15' east a distance of 672.7 feet, more or less, to a point, at station 130 + 69, on the west property line. Said right-of-way is exclusive of 1960.5 square feet between station 113 + 39.4 and station 113 + 71.5 being situated in the Francis Bryant property, all according to plat and survey of the Miller-Byhalia transmission line, duly filed in the Chancery Clerk's office, DeSoto County, Mississippi, to which reference is herein made to said plat and survey for aid in this description.

It is the intention of the grantor herein to convey an easement and right-of-way to Northcentral Mississippi Electric Power Association across the land of the grantor whether the same is adequately described or not.

In addition to the consideration set out herein for the conveyance of this easement, the Grantors hereby further acknowledge the receipt of the sum of Five Hundred Dollars (500.00) paid by Northcentral Mississippi Electric Power Association for timber damage.

It is agreed by and between the parties hereto that Northcentral Mississippi Electric Power Association hereby covenant that at any time that poles interfere with the building site relating to this property or a driveway to said building site, that the Power Company will agree to relocate same, so long as the said relocation does not mean the altering of the entire power line as same is constructed over subject property.

TO HAVE AND TO HOLD the said easement and right-of-way to the Northcentral Mississippi Electric Power Association, and its assigns, forever.

We covenant with the said Northcentral Mississippi Electric Power Association that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment on the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the Northcentral Mississippi Electric Power Association shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the Northcentral Mississippi Electric Power Association that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

CORRECTION SEWER EASEMENT

In consideration of One Dollar (\$1.00) and other good and valuable considerations, receipt of which is acknowledged, SOUTHAVEN LAND COMPANY does sell, convey and warrant to Horn Lake Creek Basin Interceptor Sewer District of DeSoto County, Mississippi a perpetual easement for the construction, maintenance and repair of the sanitary outfall sewer line, with manholes, metering stations and other appurtenances through, over, across, and under the land in DeSoto County, Mississippi described as follows, to-wit:

A permanent easement 40 feet in width across a tract of land lying in the northeast quarter of the northwest quarter of Section 30, Township 1 South, Range 7 West, DeSoto County, Mississippi.

Said 40 foot easement being bounded by a line 20 feet northerly of and parallel to and 20 feet southerly of and parallel to a survey line and being more particularly described as follows:

Starting at the northwest corner of Section 30, Township 1 South, Range 7 West, DeSoto County, Mississippi, run easterly along the north line of Section 30 a distance of 1320 feet, more or less, to a point, thence southerly along the west line of said property a distance of 45 feet, more or less, to a Point of Beginning. From this point of Beginning run north 88° 37' 00" east 1049.08 ft; thence south 3° 31' 59" east 140 feet to the end of said 40 foot easement.

The herein described easement contains 1.07 acres, more or less.

Also, a temporary construction easement 55 feet in width, northerly of, parallel and adjacent to, less and except that portion north of the north line of Section 30, and 55 feet in width, southerly of, parallel and adjacent to, and 60 feet in width from the end of the above described permanent easement.

The herein described temporary construction easement contains 2.96 acres, more or less.

The acceptance and recording of this easement by the Grantee cancels and voids the prior easement for said outfall sewer line recorded in Book 120, page 342.

The temporary construction easement shall cease to exist after the sanitary sewer line is constructed, and the property will

be restored to the same condition it was prior to the granting of the construction easement.

The sewer district will have the right to remove trees, bushes, undergrowth and other obstructions interfering with the location, construction and maintenance of the sewer lines, and will refill all ditches and trenches.

The utility district will pay for all the cost of constructing the sewer line and there will be no assessment against the Grantors adjacent property therefor. The sewer district will be liable for all damage to cultivated crops and fences caused by construction of the sewer line, and will maintain fences during construction to prevent escape of livestock.

FOR AND IN CONSIDERATION of the sum of FIVE HUNDRED NINETY AND NO/100 DOLLARS (\$590.00), cash in hand paid, the receipt and sufficiency of which is hereby acknowledged, We, JOHNNY B. FOX and wife, ADDIE B. FOX, ROSCOE OLIVER, JOE LOUIS OLIVER, ANDREW THOMAS OLIVER, CORA LEE FOX WHITE and husband, EARL WHITE, FRANCIS FOX ANDERSON, MATTIE LEE FOX GORDEN, and LEROY FOX, an unmarried man who has never been married, Grantors, do hereby SELL, CONVEY and WARRANT unto the UNITED STATES OF AMERICA and its assigns, Grantee, a perpetual right, power, privilege, and easement occasionally to overflow, flood and submerge the land in connection with the operation and maintenance of the Yazoo Basin Headwater Project, Mississippi, as authorized by the Act of Congress approved May 15, 1928 (45 Stat. 536, 33 U.S.C. 702a, et seq.), as amended by the Acts of Congress approved June 15, 1936 (49 Stat. 1508, 33 U.S.C. 702a-1, et seq.) and July 24, 1946 (Public Law 526 - 79th Congress - 2d Session), and as further amended and supplemented; together with all right, title and interest in and to the structures and improvements now situate on the land, except fencing; provided that no structures for human habitation shall be constructed or maintained on the land, that no other structures shall be constructed or maintained on the land except as may be approved in writing by the representative of the United States in charge of the project; and that no excavation shall be conducted and no landfill placed on the land without such approval as to the location and method of excavation and/or placement of landfill; the above estate is taken subject to existing easements for public roads and highways, public utilities, railroads and pipelines; reserving, however, to the landowners, their heirs and assigns, all such rights and privileges as may be used and enjoyed without interfering with the use of the project for the purposes authorized by Congress or abridging the rights and easement hereby acquired; including the right to construct on the land drainage ditches as may be required in accordance with sound agricultural management practices; provided further that any use of the land shall be subject to Federal and State laws with respect to pollution, on, over and across the land, more particularly described as follows, to-wit:

That part of the NE 1/4 NE 1/4 SW 1/4 and the NW 1/4 NW 1/4 SE 1/4 of Section 21, Township 3 South, Range 9 West, lying below the 244 foot contour, m.s.l., Desoto County, Mississippi, containing 2.36 acres, more or less, as per map on file in the office of the U. S. Army Engineer District, Vicksburg, Mississippi.

Title to the subject property is vested in the Grantors only and while being the homestead of Johnny B. Fox and wife, Addie B. Fox, Cora Lee Fox White and husband, Earl White, and Leroy Fox, said property is not the homestead of Roscoe Oliver, Joe Louis Oliver, Andrew Thomas Oliver, Francis Fox Anderson, Mattie Lee Fox Gorden or any other person.

The Department of the Army, Vicksburg District, Corps of Engineers, Vicksburg, Mississippi, is the agency for which the land is being acquired.

For the consideration aforesaid, the Grantors agree to discharge, release, and hold harmless the United States of America and its assigns from any and all damages, past, present and future, that may be occasioned by or result from the exercise of said rights, privileges and easements granted herein.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

GRANT OF TRANSMISSION LINE EASEMENT

FOR AND IN CONSIDERATION of the sum of
 TWO THOUSAND TWO HUNDRED FIFTY AND NO/100 ----- Dollars (\$2,250.00),
 cash in hand paid, receipt whereof is hereby acknowledged, we, the
 undersigned, Ronald L. Zumstein and wife, Havelene C. Zumstein,

have this day bargained and sold, and by these presents do hereby
 grant, bargain, sell, transfer, and convey unto the Northcentral
 Mississippi Electric Power Association a permanent easement and
 right of way for the following purposes, namely: the perpetual
 right to enter at any time and from time to time and to erect,
 maintain, repair, rebuild, operate, and patrol one line (s) of
 poles or transmission line structures with sufficient wires and
 cables for electric power circuits and telephone circuits, and
 all necessary appurtenances, in, on, over, and across said right
 of way, together with the right to clear said right of way and
 keep the same clear of brush, trees, buildings, and fire hazards;
 to destroy or otherwise dispose of such trees and brush; and to
 remove, destroy, or otherwise dispose of danger trees, if any,
 located beyond the limits of said right of way; all over, upon,
 across, and under the following described land, to wit:

A thirty-seven and one-half foot (37-1/2) right-of-way lying and being situated
 in DeSoto County, Mississippi, being located Section 17, Township 2 South,
 Range 5 West, DeSoto County, Mississippi, described as BEGINNING at Station
 79+59; thence South 40 degrees 51 minutes East to Station 108+18.96; thence
 a strip of right-of-way seventy-five feet (75) in width from said point,
 running South 18 degrees 27 minutes East to Station 111+28.1 where said right-
 of-way narrows to fifty-seven and one-half feet (57-1/2), said point being in

 Miller-Byhalia Transmission Line duly filed in the Chancery Clerk's Office of
 DeSoto County, Mississippi, to which reference is herein made to said plat and
 survey for aid in this description.

It is the intention of the grantors herein to convey an easement and right-of-way
 to Northcentral Mississippi Electric Power Association across the land of the
 grantors, whether same is adequately described or not.

TO HAVE AND TO HOLD the said easement and right-of-way to the Northcentral Mississippi Electric Power Association, and its assigns, forever.

We covenant with the said Northcentral Mississippi Electric Power Association that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment on the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; EXCEPT that the Northcentral Mississippi Electric Power Association shall remain liable for any damage to growing crops and fruit trees and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of or in exercising a right of ingress and egress to said lines.

In further consideration of the payment of the purchase price above stated, we for ourselves, our heirs, personal representatives, successors, and assigns, covenant and agree to and with the Northcentral Mississippi Electric Power Association that no buildings or fire hazards shall be erected or maintained within the limits of the right-of-way, and this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.

Wherever the context hereof requires, the plural number as used herein shall be read as singular.

PERPETUAL EASEMENT DEED

FOR AND IN CONSIDERATION of the sum of THREE THOUSAND FOUR HUNDRED NINETY SEVEN AND NO/100 DOLLARS (\$3,497.00), cash in hand paid, the receipt and sufficiency of which are hereby acknowledged, I, MINNIE H. CHATHAM, Grantor, do hereby SELL, CONVEY and WARRANT unto the UNITED STATES OF AMERICA and its assigns, Grantee, a perpetual right, power, privilege, and easement occasionally to overflow, flood and submerge the land in connection with the operation and maintenance of the Yazoo Basin Headwater Project, Mississippi, as authorized by the Act of Congress approved May 15, 1928 (45 Stat. 536, 33 U.S.C. 702a, et seq.), as amended by the Acts of Congress approved June 15, 1936 (49 Stat. 1508, 33 U.S.C. 702a-1, et seq.) and July 24, 1946 (Public Law 526 - 79th Congress - 2d Session), and as further amended and supplemented; together with all right, title and interest in and to the structures and improvements now situate on the land, except fencing; provided that no structures for human habitation shall be constructed or maintained on the land, that no other structures shall be constructed or maintained on the land except as may be approved in writing by the representative of the United States in charge of the project; and that no excavation shall be conducted and no landfill placed on the land without such approval as to the location and method of excavation and/or placement of landfill; the above estate is taken subject to existing easements for public roads and highways, public utilities, railroads and pipelines; reserving, however, to the landowner, her heirs and assigns, all such rights and privileges as may be used and enjoyed without interfering with the use of the project for the purposes authorized by Congress or abridging the rights and easement hereby acquired; including the right to construct on the land drainage ditches as may be required in accordance with sound agricultural management practices; provided further that any use of the land shall be subject to Federal and State laws with respect to pollution, on, over and across the land more particularly described as follows, to wit:

Tract No. 1600E

That part of the NE 1/4 SE 1/4 of Section 32, Township 2 South, Range 8 West, lying between the 244 foot contour, m.s.l., and the existing boundary of Arkabutla Lake Project, DeSoto County, Mississippi, containing 23.31 acres, more or less, as per map on file in the office of the U. S. Army Engineer District, Vicksburg, Mississippi.

Title to subject property is vested in the Grantor only, and no part thereof is the homestead of the Grantor or any other person.

The Department of the Army, Vicksburg District, Corps of Engineers, Vicksburg, Mississippi, is the agency for which the land is being acquired.

For the consideration aforesaid, the Grantor agrees to discharge, release, and hold harmless the United States of America and its assigns from any and all damages, past, present and future, that may be occasioned by or result from the exercise of said rights, privileges and easements granted herein.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantor will not enclose said right of way, and Grantee will not enclose said

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstructions. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the lost cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

Box 840, Memphis, Tennessee 38101, does hereby grant, bargain, sell, transfer, convey, and warrant unto MINERAL WELLS WATER ASSOCIATION, Inc., its successors and assigns, a perpetual easement with the right to erect, construct, install, and lay and thereafter use, operate, inspect, repair, maintain, replace and remove water mains and lines and electric and power lines and connections and necessary appurtenances thereto, on, over, and across the following described property in DeSoto County, Mississippi, to-wit:

A strip of land 30 feet wide along the west side of the center line of Crumpler Road beginning at a point where the center line intersects the Mississippi-Tennessee state line for a distance of 1,155 feet south to a point at the intersection of sections 16, 17, 20 and 21. Then in a westwardly direction a strip of land 30 feet wide along the north side of the center line of Stateline Road for a distance of 3,384.04 feet. This is part of the parcel known as Ragan Angus Farms and comprises approximately 3 1/2 acres.

This easement covers the water mains and water lines referred to on the plans and specifications of said water distribution system for Mineral Wells Water Association, Inc. which are on file with said association at Mineral Wells, Mississippi, and reference to same is hereby made and such are made a part hereof.

Together with the right of ingress and egress over grantors adjacent lands for the purpose for which the above-mentioned rights are granted.

The consideration recited herein shall constitute payment in full for all damages sustained by grantors by reason of the installation of the structures referred to herein and the grantee will maintain such easement in a state of good repair and efficiency so that no unreasonable damage will result from its use to grantors premises. This agreement together with other provisions of this grant shall constitute a covenant running with the land for the benefit of the grantee, its successors, and assigns. The grantors covenant that they are the owners of the above described lands and that said lands are free and clear of all encumbrances and liens except the following: NONE.

RIGHT OF WAY INSTRUMENT

FOR AND IN CONSIDERATION of the sum of \$10.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, We (acting personally and for and on behalf of our heirs, successors and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto DESOTO UTILITIES COMPANY, its successors and assigns (herein called "Grantee") a permanent right of way and easement fifteen (15) feet in width and a temporary right of way and easement fifty (50) feet in width (said temporary right of way and easement to expire a month after beginning construction), for the location, construction, reconstruction, operation, maintenance and removal of a water well, including poles, towers, cross arms, insulators, wires, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of DeSoto, Mississippi, described as follows, to-wit:

Lot 39, Section A, Hoytte Austin Lake Subdivision, in Section 6, Township 2 South, Range 8 West, as shown on a map or plat thereof recorded in Plat Book 3, Pages 8, 9, and 10, in the office of the Chancery Clerk of DeSoto County, Mississippi, to which plat reference is hereby made for a more particular description of said property.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way by mechanical or chemical means, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

It is understood that the Grantors shall have, at all times, the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.
