Michael Eugene, Ortiz, junior , inhabitant , American" National" , Affiant herein, by and through attorney-in-fact states, that Affiant is competent to testify , and if called upon, Affiant shall so testify . Affiant and Attorney in fact BOTH have individual firsthand knowledge of the facts herein , which are true, complete, certain, not misleading and Affiant swears under penalty of perjury to the laws of the several united states of America as follows :

**DECLARATION OF INDEPENDENCE**

Greetings :

This Declaration is addressed to you, individually, personally and collectively; the bankers, the bureaucrats, the agents, the administrators, the corporate entities, the officers, the officials, the commissioners, the politicians, the President, the speakers, the senators, the representatives. the congressman, the governors, the judges ,the lawyers and the court clerks of, by, and for the present de facto corporate states of the United States and the de facto corporate United States who have usurped the peoples' rightful American republican form of Constitutional government mandated by Article 4, section 4 of the Constitution.

When in the course of human events, it becomes necessary for people to dissolve the forced political bands which have connected them with others, and to assume among the powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that I should declare the cause which impel me to separate from their insolvent, pretended government. I therefore must state the usurpation and seditious and tyrannical behavior of the present de facto system in each of the 50 American states of the United States.

I have never willingly surrendered any of my constitutional rights up to this time, and yet, through chicanery and deceit and legal sophistry, you have abused my own ignorance of the law to deceive me into involuntary servitude of the present insolvent, corrupt, de facto administrators of the United States or the 50 American states. In the process, you have committed treason of the highest order and have violated your oath of officé :

*"I swear that I will support and defend the Constitution against all enemies, foreign and domestic."*

In fact, by operation of excessive greed and love of money, you have allowed the illegal enforcement of our income tax laws by a corrupt judiciary to trample our God-given rights found in the Bill of Rights.

*"The love of money is the root of all evil." 1 Tim. 6:10*

You have allowed tyrant judges, shameless lawyers, and a corrupt IRS to extort, harass, and terrorize law-abiding citizens who do not want to participate in or benefit from the income tax system of Social(ist) Security programs. You have allowed idolatrous citizens to abuse their voting power for selfish gain in the process of allowing corrupt politicians to buy votes using money borrowed from their children's inheritance. You have turned this once great country into a debtor nation full of socialists that are hostile to liberty and freedom in every respect. In the process, you have sold our children into slavery to pay off debts accumulated by the sins of their parents in clear violation of 18 U.S.C. § 1581. Affiant avers that you are committing Treason! Thomas Jefferson, our founding father, warned of this evil:

*"Funding I consider as limited, rightfully, to a redemption of the debt within the lives of a majority of the generation contracting it; every generation coming equally, by the laws of the Creator of the world, to the free possession of the earth He made for their subsistence, unencumbered by their predecessors, who, like them, were but tenants for life." – Thomas Jefferson to John Taylor, 1816. ME 15:18*

*"[The natural right to be free of the debts of a previous generation is] a salutary curb on the spirit of war and indebtedment, which, since the modern theory of the perpetuation of debt, has drenched the earth with blood, and crushed its inhabitants under burdens ever accumulating." – Thomas Jefferson to John Wayles Eppes 1813. ME 13:272*

*"We believe-or we act as if we believed-that although an individual father cannot alienate the labor of his son, the aggregate body of fathers may alienate the labor of all their sons, of their posterity, in the aggregate, and oblige them to pay for all the enterprises, just or unjust, profitable or ruinous, into which our vices, our passions or our personal interests may lead us. But I trust that this proposition needs only to be looked at by an American to be seen in its true point of view, and that we shall all consider ourselves unauthorized to saddle posterity with our debts, and morally bound to pay them ourselves; and consequently within what may be deemed the period of a generation, or the life of the majority." – Thomas Jefferson to John Wayles Eppes 1813. ME 13:357*

*"It is incumbent on every generation to pay its own debts as it goes. A principle which if acted on would save one-half the wars of the world." – Thomas Jefferson to A. L. C. Destutt de Tracy, 1820. FE 10:175*

*"To preserve [the] independence [of the people], we must not let our rulers load us with perpetual debt. We must make our election between economy and liberty, or profusion and servitude. If we run into such debts as that we must be taxed in our meat and in our drink, in our necessities and our comforts, in our labors and our amusements, for our callings and our creeds, as the people of England are, our people, like them, must come to labor sixteen hours in the twenty-four, give the earnings of fifteen of these to the government for their debts and daily expenses, and the sixteenth being insufficient to afford us bread, we must live, as they now do, on oatmeal and potatoes, have no time to think, no means of calling the mismanagers to account, but be glad to obtain subsistence by hiring ourselves to rivet their chains on the necks of our fellow-sufferers." – Thomas Jefferson to Samuel Kercheval, 1816. ME 15:39*

Such tyranny surpasses that of the very nation of England that gave birth to this great nation at the time of the Revolution in 1776. Such treason and greed is inexcusable and is hereby condemned, not only by me, but more importantly by my God , YHVH. You have thereby exhibited a willful and wanton oppression for my Natural Rights, safety and property, which is expressed herein for all to see.

You have violated the United States Constitution when creating interstate compacts with other States and foreign states, which fundamentally changed the form and substance of the Republican form of government to that of a totalitarian socialist democracy.

You have raped and debauched the specie by which governs the mode of the medium of money, and have bankrupted the Nation as a whole through conspiracy and sedition under treaty. The U.S. Constitution, under Article 1, Section 10 of the U.S. Constitution, which still reads:

*"No state shall... coin money, emit bills of credit, make any thing but gold and silver a tender in payment of debts..."*

Following the civil war, in 1868, you coerced legislators of the southern states to ratify the 14<sup>th</sup> Amendment at gunpoint, which subsequently created a new class of U.S. citizenship originally meant only for slaves and which carried with it less than full constitutional rights. The cite below clarifies this from *Elk v. Wilkins*, 112 U.S. 94 (1884):

*“By the thirteenth amendment of the constitution slavery was prohibited. The main object of the opening sentence of the fourteenth amendment was to settle the question, upon which there had been a difference of opinion throughout the country and in this court, as to the citizenship of free negroes (Scott v. Sandford, 19 How. 393;) and to put it beyond doubt that all persons, white or black, and whether formerly slaves or not, born or naturalized in the United States, and owing no allegiance to any alien power, should be citizens of the United States and of the state in which they reside. Slaughter-House Cases, 16 Wall. 36, 73; Strauder v. West Virginia, 100 U.S. 303, 306.”*

You then deceived everyone born in the nation into falsely believing that they were “U.S. citizens” with inferior rights, and thereby created a contractual nexus within equity law under Section 4 of the 14<sup>th</sup> Amendment to violate the prohibitions against direct taxation found in Article 1, Section 2, Clause 3 and Article 1, Section 9, Clause 4 of the U.S. Constitution. I’m not a freed slave nor do I want to be treated as a second class citizen like the freed slaves were, with no Bill of Rights. May YHVH’s judgment be upon you for trying to use the 14<sup>th</sup> Amendment to entice me into slavery to my government!

*“Single acts of tyranny may be ascribed to the accidental opinion of a day. But a series of oppressions, pursued unalterably through ever change of ministers, too plainly proves a deliberate systematic plan of reducing us to slavery.”*

**-Thomas Jefferson**

You allowed a corrupt, lame-duck secretary of state, Philander Knox, to fraudulently ratify the 16<sup>th</sup> Amendment in 1913. When the Supreme Court would not authorize the direct tax you sought using the 16<sup>th</sup> Amendment, you obfuscated the tax code to fool law-abiding citizens into thinking that they were liable for a tax they didn’t owe. The product of this has been such a complicated tax code that no one understands it today.

You subsequently sold your nation into debtor slavery by passing the Federal Reserve Act of 1913, which turned over control of our nation’s money supply to PRIVATE banking interests which you then refused to audit or oversee. This was one of the greatest acts of treason this country has ever seen and the judgment of YHVH is upon you for that. In the process, you lawlessly and illegally delegated powers that you had no constitutional authority to delegate and which violated the public trust. Thomas Jefferson warned of this evil, when he said:

*“If the American people ever allow private banks to control the issue of their currency first by inflation and then by deflation, the banks and corporations that will grow up around them will deprive the people of all property until their children will wake up homeless on the continent their fathers conquered.”*

**-Thomas Jefferson in 1802 in a letter to then Secretary of the Treasury, Albert Gallatin**

In 1929, you allowed the Federal Reserve to manipulate the money supply so low as to create an induced national crisis and depression situation that then became the nexus to further illegally expand the powers of the national government. You then offered up the American States, and therefore the property of all the inhabitants, as collateral to pay the foreign organization, the International Monetary fund and bank, in 1933. In that same year, on March 9, 1933, you passed the Trading with the Enemy Act to create a state of national emergency. You used this as an opportunity to plunder all the gold and silver from sovereign citizens and thereby coerce them to accept the paper money they didn’t want and which the Constitution does not authorize. That state of national emergency, still in existence today, illegally expanded the powers of the president and the national government under the guise of a government-induced national emergency. Hitler did the same thing when he passed Article 48, the German Emergency Power Law:

*“If the public safety and order in the German Reich are seriously disturbed or endangered, the President of the Reich may...suspend in whole or in part the fundamental rights established [including] inviolability of person, inviolability of domicile, freedom of opinion and expression, freedom of assembly and association, secrecy in communication and inviolability of property.”*

You then abused this crisis and through demagoguery and lies implemented the socialist security system that, like a cancer, began eating away at our liberties, one by one in the slow death of a republic. This began the relentless march of the totalitarian socialist democracy that we now find ourselves in, and which I will have no part of. You lied when you started the socialist security program by telling us that the number you gave us (spoken of unfavorably in the Holy Bible, in Revelations 13:16-18) would not be used for identification. Now, you have written all kinds of laws that make it nearly impossible to function in society without that number. Now everyone must violate their Christian beliefs and accept "the mark of the beast", in full violation of the First Amendment.

*"16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

*17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

*18 Here is wisdom. Let him that hath understanding count the number of the beast: fir it is the number of a man; and his number is Six hundred threescore and six."*  
*(Revelations 13:16-18 The Book of YHWH)*

You authorized the private International Monetary Fund, via Federal Reserve Banks, to control the issue of our currency, by inflation and deflation and fiat de facto dollars, to the extent that people today are being deprived of all their property, driven homeless, and controlled by the very same banking cartel that forced our forefathers to this country for refuge, all to pay your bankruptcy-not mine. Their manipulation of the money supply has introduced a new kind of invisible tax called inflation that amounts to about 3 percent per year, but which would not occur if you had followed the Constitution and only allowed gold or silver money.

You have created, by sophistry, a class of people known as United States citizens that has caused domestic unrest amongst those of us, who still call ourselves Americans by birth of Blood, Soil, and Crown (Crown meaning YHVH, whence all rights come). We threw off all Kings over two hundred years ago, only to be enslaved by men of your despicable political ilk.

You have secretly entered compacts with foreign states, organizations and powers, which caused the bankrupt status of not only the 50 American State governments, but put all Americans into involuntary bankruptcy and forced me into slavery, peonage, and involuntary servitude, under a fraudulent, tyrannical, seditious foreign oligarchy.

These foreign powers, operating through the Fund and Bank under Britain Woods Agreement Act, rule the governments of the separate States of America and United States, by compacts, pactum and the like, and have erected a dictatorship over the people of America, who are no-resident to such compact, thereby making it, as it applies to me, nadum pactum.

The Secretary of Treasury, as Governor of the Fund and Bank, and not an officer of the United States in the normal sense that people perceive, controls all aspects of forced pecuniary contributions (taxation). He is also the Receiver and Trustee in bankruptcy of the United States to collect and pay the Fund and Bank, all at the cost of my freedom under Foreign Constitutions, agreements, Piquancy, Confederations, Alliances, and under pretenses of emergency, March 9, 1933; December 16, 1950; March 23, 1970 and August 15, 1971, which you yourselves created.

As a bankrupt system, you commit a crime whenever you loan money, for under all principles of law and reason, bankrupt persons are forbidden to loan money, nor are the allowed to institute criminal mala prohibita actions against the people, and neither can the foreign principal.

Through the unconstitutional operation of our tax laws and the requirement to use Social Security Numbers, you have conspired to deprive Americans of their privacy by making it virtually impossible to conduct a financial transaction without incriminating oneself in violation of the Fifth Amendment.

The Secretary of Treasury, Secretary of State, and the Attorney General are foreign principals of the Fund and Bank under  
 Page 4

agreement. They are forbidden to be paid by the United States, under Title 22 of the United States Code and Britain Woods Agreement, thereby holding a colorable law character of public office, while in reality being paid by the Fund and Bank and holding a Title of Nobility, extracting the wealth (labor) from me and other Americans who profess to be Nonresidents to this pretended de facto government (the System). Their foreign agents, revenue enforcers, are never registered so that we might know the true character of the agents when they bear false witness against us when destroying nonresident Americans through legal plunder.

You have forced me, by fraud, indirectly, into foreign contracts by application, i.e., Social Security, in order to live and exercise my God-given right to exist, in violation of your pretended constitutions. Because you have made it impossible for me to quit the Social Security Program, you have, in effect, virtually outlawed persona l responsibility.

You have caused me injustice when: taking away the forum of common courts for Americans; controlled the slavery of all judges making them dependent on your will and obligated to pay an illegal income tax that creates a conflict of interest in violation of 28 U.S.C. § 455.

*"In the general course of human nature, A POWER OVER A MAN'S SUSTENANCE AMOUNTS TO A POWER OVER HIS WILL." Alexander Hamilton, The Federalist, No. 79.*

**You have caused me injustice when :detaining, assaulting , arresting and falsely imprisoning me , without any reasonable suspicion, probable cause ,without any evidence of mens rea or actus reus working together with the same culpable mental state to ,exercize control over and steal my property , valued at over five thousand dollars , without my consent , absent any court order , or arrest warrant .**

You have overlooked the tyranny, debauchery, and transgressions of these SHELBY COUNTY, STATE OF TENNESSEE , UNITED STATES OF AMERICA courts and thereby transformed our nation into a government of men instead of laws. You have failed to correct injustice in the Supreme Court when it denied certiorari for cases which it clearly should have heard, especially as it relates to taxation and appeal from the circuit courts. The federal courts have thereby become an arm of the Executive branch, indicated by the Executive gold fringed flag and seal, to which I object and not the arm of independent justice under Yahveh's Law of Natural right; you have hidden the true justice in the courts at law, as true depots do, so that a man of average or above average intelligence cannot find the true justice courts; you replaced the Courts with international vice-admiralty tribunals because of the compacts with foreign powers, to which, YOU, under the guise of government, have become servant; this then makes the judges nothing more than civil affairs operatives under military power, and they too are not registered, in violation of the Foreign Registration Laws of this country.

You allow the National Conference Commissioners of State Law, being lawyers, judges and the law profession belonging to a private American Bar Association, exclusively to write the laws for America, then rubber stamp them under the guise of a representative Congress of the people in direct violation of your pretended constitutions and in violation of your oaths of offices that you pretend to take.

You have assigned the exclusive power to litigate cases before your tribunals to the bar association, to which most of you belong. This is in violation of the Titles of Nobility Clauses of the pretended constitution, which deprives me of a jury of my peers, and counsel of my choice, as no alien American can sit on your juries, for they are all shilling homage juries and shilling defense attorneys.

You have allowed an unconscionable contracting foreign agency (IRS), in concert with the Agency for International Development, to illegally collect your debt, to which I never agreed and consented, which eats out my substance, all in order to pay for your greed, in violation of your peonage laws (see 42 U.S.C. 1994 and 18 U.S.C. § 1581). This same IRS illegally enforces a nonexistent income tax (there is no liability statute under Subtitle A of the Internal Revenue Code and "income" is defined as corporate profit and the only taxable "sources" derive from corporations involved in foreign commerce) with no delegated authority and outside their lawful territorial jurisdiction with complete contempt for my property rights under the Constitution. You have looked the other way while this agency and the federal courts raped and pillaged Americans, because you didn't have the decency to control your own lust for power and money and the debt that feeds it which must be paid off with extorted tax dollars.

You have twisted the definitions of words, as true sophisticates, to suit the means by which you enslave the masses, which deprives them of the right to: travel, work, farm, own property in allodium, free from taxation, as it should be, and to be let alone.

**"Woe to you lawyers! for you have taken away the keys of knowledge; you did not enter yourselves, and you hindered those who were entering."**

*Luke 11:52 [woe unto lawyers who write a law to deliberately be confusing or who use or interpret a law that is written in a confusing way to hide the truth or deceive people for their own selfish gain]*

You create Mala Prohibita crimes under foreign pactum, then coerce me to sign instruments containing perjury statements under this pactum, against my consent, or be fined or jailed, in order to live.

You are the biggest whoremongers of the people's liberty by being sophisticates, pettifoggers, legalists and miscreants of the highest order, in your legal plunder with the foreign organizations and powers that now control us. You have destroyed my freedoms and unalienable (nontransferable) rights given to men by Yahveh (not your Mammon), by your arbitrary dominion over me and mine.

You have come full circle and then some, in your absolute despotism when imprisoning and killing innocent Americans for exercising their God-given rights.

At every stage of these tyrannical oppressions I have verbally petitioned for redress, and discovery for information, only to be denied any semblance of true Justice; my repeated petitions have been ignored and then answered by repeated injury. You have destroyed my Peace, Welfare, Dignity, and Happiness, the damage to which has been higher than mere money can repay. According to Natural Law and reason, you should be hanged for your seditious behavior, odious actions and contrived emergencies that have never been legally declared over. You have been deaf to the voice of Justice and of consanguinity. Nor have you been wanting, for information has been conveyed to you from the American nonresidents of your arbitrary dominion and usurpation. The time for correction is now!

I must, therefore, denounce your way against me and other Americans so I can live under Yahveh's Laws which you proclaimed under P. L. 97-280, not the Noahide law you passed in P. L. 102-14, which destroys this Christian Nation and which shows your pretended constitutions for that which they are. For Yahveh, the True Lawgiver (see Isaiah 33:22), acknowledged in the Preamble of each American State, said, "After the doings of the land of Egypt, wherein ye dwelt, shall ye not do; and after the doings of the land of Canaan, whither I bring you, shall ye not do; neither shall ye walk in the [government] ordinances. Ye shall do My judgments, and keep Mine ordinances, to walk therein; I am Yahveh your elohim. Ye shall therefore keep My statutes, and My judgments; which if a man do, shall he live in them; I am Yahveh." Leviticus 16:3-5. "Thou shalt make no covenant with them [government] nor with their gods. They shall not dwell in thy land, lest they make thee sin against me; for if thou serve their gods, it will surely be a snare unto thee." Exodus 23:32-33.

*"Behold, the nations are as a drop in the bucket, and are counted as the small dust on the scales."*  
*[Isaiah 40:15, Bible, NKJV]*

*"All nations before Him are as nothing, and they are counted by Him less than nothing and worthless."*  
*[Isaiah 40:17, Bible, NKJV]*

*"He brings the princes to nothing; He makes the judges of the earth useless."*  
*[Isaiah 40:23, Bible NKJV]*

*"Indeed they are all worthless; their works are nothing; their molded images are wind and confusion."*  
*[Isaiah 42:29, Bible, NKJV]*

You have failed to live up to Romans 13 true intent. As usurping Miscreant Legislators of separate States of America and the United States you have failed. Your laws do not protect me, for you will not protect me from your foreign principal (You are no longer controlled by the people who GRANTED your power). Your case law in Robin v. Hardaway, 1 Jefferson 109 (1772) states:

*"A legislature must not obstruct our obedience to Him from whose punishment they cannot protect us."*

Therefore, we, as the people of America, who gave you the power you now enjoy, must revoke all your granted power, and reform or destroy the organization that has no place in America because of the evil and injustice you have institutionalized and fostered in the name of vanity, idolatry, greed and lust for power.

Upon finding your actual , fraud, fraudulent conveyance of my property , I now declare total separation, retroactively to the very beginning of my life as it should have been, from your arbitrary dominion and seditious actions. My liberties are in imminent danger; they are imperative to my Natural Rights, Duties, Privileges, Immunities, Life, and Property, and that of my posterity. I declare my separate and equal and sovereign station, and exercise my right and duty to throw off and abolish the insolvent de facto, fraudulent, seditious SHELBY COUNTY /STATE OF TENNESSEE / UNITED STATES OF AMERICA from my life, for you can no longer truthfully call yourselves "government", operating with "clean hands" . When it comes to money, "mafia" has become a more appropriate term to describe your behavior.

*"But money demands of you the highest virtues, if you wish to make it or to keep it. Men who have no courage, pride, or self-esteem, men who have no moral sense of their right to their money and are not willing to defend it as the defend their life, men who apologize for being rich—will not remain rich for long. They are the natural bait for the swarms of looters that stay under rocks for centuries, but come crawling out at the first smell of a man who begs to be forgiven for the guilt of owning wealth. They will hasten to relieve him of the guilt—and of his life, as he deserves.*

*"Then you will see the rise of the double standard—the men who live by force [the government and the IRS and pettifogger, scumbag lawyers], yet count on those who live by trade to create the value of their looted money—the men who are the hitchhikers of virtue. In a moral society, these are the criminals, and the statutes are written to protect you against them. But when a society establishes criminals-by-right and looters-by-law, policemen who steal and lie , and the lawyers and judges support these thefts and lies —men who use force to seize the wealth of DISARMED victims—then money becomes its creators' avenger. Such looters [police , lawyers IRS] believe it safe to rob defenseless [made ignorant of the law by sneaky lawyers and politicians who run the public education system, in this case] men, once they've passed a law to disarm them. But their loot becomes the magnet for other looters, who get it from them as they got it. Then the race goes, not to the ablest at production, but to those most ruthless at brutality. When force is the standard, the murderer wins over the pickpocket. And then that society vanishes, in a spread of ruins and slaughter.*

*"Do you wish to know whether that day is coming? Watch money. Money is the barometer of a society's virtue. When you see that trading is done, not by consent, but by compulsion—when you see that in order to produce, you need to obtain permission from men who produce nothing—when you see that money is flowing to those who deal, not in goods, but in favors—when you see that men get richer by graft and by pull than by work, and your laws don't protect you against them, but protect them against you—when you see corruption being rewarded and honesty becoming a self-sacrifice—you may know that your society is doomed. Money is so noble a medium that it does not compete with guns and it does not make terms with brutality. It will not permit a country to survive as half-property, half-loot.*

*"Whenever destroyers [the police, lawyers , IRS, the Federal Reserve, and the Dept. of IN justice] appear among men, they start by destroying money, for money is men's protection and the base of a moral existence. Destroyers seize gold and leave to its owners a counterfeit pile of paper. This kills all objective standards and delivers men into the arbitrary power of an arbitrary setter of values. Gold was an objective value, an equivalent of wealth produced. Paper is a mortgage on wealth that does not exist, backed by a gun aimed at those who are expected to produce it. Paper is a check drawn by legal looters upon an account which is not theirs: upon the virtue of the victims. Watch for the day when it becomes, marked: 'Account overdrawn.'*

*"When you have made evil [government looting through fraud, obfuscation and complication of the tax*  
page 7

laws, and through vote for sugar-daddies who promise loot] the means of survival, do not expect men to remain good. Do not expect them to stay moral and lose their lives for the purpose of becoming the fodder of the immoral. Do not expect them to produce, when production is punished and looting rewarded. Do not ask, 'Who is destroying the world?' You are."  
[Ayn Rand, Atlas Shrugged]

It is stated in The Declaration of Independence:

*"That to secure these rights governments are instituted among men... That whenever any form of government becomes destructive to these ends, it is the right of the people to alter or abolish it."*

It is recognized in every American State Preamble, That YHVH God gave me my natural Rights, NOT you. We are to transmit the same unimpaired to succeeding generations. YOU HAVE FAILED! For as that great principled Man, Patrick Henry Stated on June 5, 1788, and I ask all of You:

*"for where, Sir[s] is the responsibility? The yeas and nays will show you nothing, unless they be fools as well as knaves: For after having wickedly trampled on the rights of the people, they would act as fools indeed, were they [you] to publish and divulge [your] iniquity, when they [you] have it equally in their [your] power to suppress and conceal it."*

*"... Where is the responsibility-that leading principle in the British government? In that government a punishment, certain and inevitable, is provided: But in this, there is no real actual punishment for the grossest maladministration. They [you] may go without punishment, though they [and now you] commit the most outrageous violations on our immunities. That paper may tell me they [you] will be punished. I ask, by what law? They [you] must make the law – for there is no existing law to do it. What-will they [you] make a law to punish themselves [you haven't yet]? This, sir, is my great objection to the constitution, that there is no true responsibility—and that the preservation of our liberty depends on the single chance of men being virtuous enough to make laws to punish themselves."*

You, the Lawmakers, the lawyers, and the judges, and you law-enforcement people , by your actions have long relinquished your trust and last ounce of virtue. Therefore, I, an American, declare I will regain my Sovereign status in my native country of America, under Yahveh's Law, and will keep it Independent from the United Nations World Order, or any other unlawful control. I will protect myself from your legal plunder with whatever means necessary.

*"When governments fear the people there is freedom. When the people fear governments there is slavery." Thomas Jefferson.*

History has shown how tyrants have been punished. May The LORD have Mercy on your souls, for the Americans dispensing your punishment will not.

This Sovereign American is servant only to Yahveh, the Supreme Being, and not at the mercy of your god, Baal.

The Declaration of Independence states the following:

*"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed." Thomas Jefferson.*

Over the years, the United States government has wantonly and ever more blatantly disregarded the constitutional constraints on its power and usurped the power of the states in violation of the Tenth Amendment and has thus exceeded the authority delegated to it by the sovereign people in the Constitution. Most of the powers it exercises today are completely without legal authority or justification. Through its criminal agents in a corrupt federal judiciary, it has abused sovereign immunity and official immunity in order to make areas under its control within the "federal zone" into havens

for financial terrorists at the UNITED STATES ATTORNEY GENERALS, ALL DISTRICT ATTORNEYS , the IRS, the FBI , CIA , FDA, FAA, NASA etc., who recklessly disregard my sacred property and constitutional rights for which the government was instituted to protect from the beginning. The only lawfully sanctioned protector of my rights has thus become its worst abuser and violator. In this regard, the "D.C." in the term "Washington, D.C." has come to mean to me "District of Criminals". Hence forth, the SHELBY COUNTY, STATE OF TENNESSEE , UNITED STATES OF AMERICA , government no longer has my consent to exercise any authority beyond that needed to protect my life, liberty, property, and my Constitutional rights. Because I had a natural right to protect these God given endowments before there ever was a government, the exercise of these sovereign stewardship functions over my own person and property through participation in civil functions such as serving on jury duty, voting, and serving in the military, cannot and should not be turned into taxable or statutory privileges, and to do so is unconscionable treason. Henceforth, any jurisdiction the U.S. government might attempt to assert over this sovereign American beyond that needed by me to participate in the above civil functions is, by implication of the words of Thomas Jefferson in the Declaration of Independence, nonconsensual and unjust, and in conflict with Yahveh/s Laws and will be treated as the naked trespasses of a criminal terrorist organization know as the SHELBY COUNTY, STATE OF TENNESSEE, UNITED STATES OF AMERICA GOVERNMENT . I totally object to the exercise of jurisdiction by said organizations in any matter involving me , the real, live human being or my Debtor , MICHAEL EUGENE ORTIZ JR
