This Power shall become effective upon my incapacity, but only until I regain capacity. Upon my regaining capacity, the powers granted to my Agent shall cease. Determination of my or any Agent's incapacity and my regaining capacity shall be based upon the provisions and directions of the following paragraphs (1), (2) and (3):

- (1) For all purposes under this Power, a person shall be deemed "incapacitated" if and so long as (i) a court of competent jurisdiction has made a finding to that effect or a guardian or conservator of the person, or estate of any person, duly appointed by a court of competent jurisdiction is serving; (ii) upon certification by two licensed physicians a person is unable to properly care for such person or such person's property, which certification shall be made by each physician in a written declaration under penalty of perjury; or (iii) a person is unable freely to communicate for a period of ninety (90) days. If this original document or a duplicate original is recorded, a certified copy of the decree declaring incapacity or appointing a guardian or conservator or the physicians' certificate(s) shall be recorded in the same county or counties as this original or duplicate original document.
- (2) After a determination of incapacity I shall be deemed to have regained capacity by a finding of a court of competent jurisdiction to that effect or when the guardianship or conservatorship for me has been judicially terminated or upon certification by two licensed physicians that I am able to manage my person or property which certification shall be made by each physician in a written declaration under penalty of perjury. If this original document or a duplicate original is recorded, a certified copy of the decree declaring my regained capacity or terminating the guardianship or conservatorship or the physicians' certificate(s), shall be recorded in the same county or counties as this original or duplicate original document.
- (3) Any party acting in reliance on this instrument shall accept and rely upon the physicians' certificates of incapacity unless and until physicians' certificates declaring otherwise, as previously described in this Power, have been delivered to such party.

I appoint my Agent to act in my name, place and stead in any way which I myself could do, if I were personally present, (to the extent I am permitted to act through an agent) with respect to the powers as indicated in this Power, consisting of 2 Articles, with the understanding that they will be used for my benefit and on my behalf and will be exercised only in a fiduciary capacity.

### General Provisions

#### Section 1. Reliance by Third Parties

To induce third parties to act in accordance with the powers granted to my Agent in this document I represent and warrant that:

- a. If this document is revoked or amended for any reason, I, my estate, my heirs, successors and assigns will hold any third party harmless from any loss suffered or liability incurred by the third party in acting in accordance with this document before the third party's receipt of written notice of termination or amendment.
- b. The powers conferred on my Agent may be exercised alone and my Agent's signature or act under the authority granted in this document may be accepted by third parties as fully authorized by me and with the same force and effect as if I were personally present, competent and acting on my own behalf.
- c. No person who acts in reliance upon any representation of my Agent as to the scope of my Agent's authority granted under this document shall incur any liability to me, my estate, my heirs, successors or assigns for permitting my Agent to exercise any such power nor shall any person who deals with my Agent be responsible to determine or ensure the proper application of funds or property.
- d. All third parties from whom my Agent may request information regarding my personal affairs or my physical or mental health including medical, dental and hospital records are hereby authorized to provide such information to my Agent without limitation and are released from any legal liability whatsoever to me, my estate, my heirs, successors or assigns for complying with those requests. I authorize in advance all physicians, dentists, psychiatrists and psychologists who have treated me and all other providers of health care including hospitals to release to my Agent all information or photocopies of any records that my Agent may request. If I am able to confirm this authorization at the time of the request third parties may seek such confirmation from me, but this authorization shall not be conditional on that confirmation. Physicians,

hospitals and other providers of health care shall treat the request of my Agent as that of a legal representative of an incompetent patient and shall honor that request on that basis. I waive any privilege applicable to such information and records and to any communication pertaining to me and made in the course of a physician-patient or psychiatrist-patient relationship.

## **Section 2. Ratification**

I ratify and confirm all that my Agent does or causes to be done under the authority granted in this Power. Except as to any power of attorney for health care and any state statutory form power of attorney which specifically indicates that it is intended to be supplemental to this power, I revoke all prior General Powers of Attorney that I may have executed and I retain the right to revoke or amend this document and to substitute other Attorneys-in-Fact in place of my Agent. Amendments to this document shall be made in writing by me personally (not by my Agent) and they shall be attached to the original of this document and recorded in the same county or counties as the original if the original is recorded.

## **Section 5. Photostatic Copies**

Persons dealing with my Attorney-in-Fact may rely fully on a photostatic copy of this Power.
