PROTECTIVE COVENANTS
COMMERCIAL LOT "B" SECTION "C"
SOUTHAVEN, MISSISSIPPI
DESOTO COUNTY MISSISSIPPI
ARTICLE I
PROPERTY SUBJECT TO THESE
COVENANTS AND RESTRICTIONS

The real property which is, and shall be, held and shall be operated, conveyed, transferred and sold subject to the conditions, restriction, covenants, reservations and easements herein contained is located in Southaven, DeSoto County, Mississippi, and is described as Lots 1 through 2 inclusive of Commercial Lot "B" Section "C" Subdivision. Such lots are referred to hereinafter, collectively, as the "Subdivision" and the word "Subdivision", as used hereinafter, refers only to such lots.

ARTICLE II
GENERAL PURPOSES OF
COVENANTS AND RESTRICTIONS

The conditions, restrictions, covenants, reservations, and easements herein contained are made and imposed upon the Subdivision and each lot contained therein to insure the best use and the most appropriate development, operation and improvement of each lot; to protect each owner of each lot against such improper use, so as not to depreciate the value of his property; to preserve, so far as practicable, the Subdivision; to prevent haphazard and inharmonious improvement of such lots; to secure and maintain proper setbacks from streets, parking and ingress and egress through and over the property; and in general to provide adequately for a good type and quality of improvements on such lots, and thereby to enhance the values of investments made by purchasers of such lots.

ARTICLE III
SPECIFIC COVENANTS AND RESTRICTIONS

SECTION 1: DURATION OF COVENANTS AND RESTRICTIONS

The conditions, restrictions, covenants, reservations, and easements herein contained shall run with and bind each and all of the lots in the subdivision, and each and all of the owners of such lots, and all persons claiming under such owners, until January 1, 2060, after which date the same shall be automatically extended for successive periods of ten years. These conditions, restrictions, covenants, reservations, and easements or any one or more of them may be amended prior to or on such date by an instrument signed by not less than one hundred percent of the owners of such lots (one vote per lot). Any such instrument amending the provisions hereof must be recorded. For all purposes hereof, the term "Owner" shall mean any person or persons or corporation, partnership or other entity owning the beneficiary interest in any lot in the subdivision.

SECTION 2: PARKING, INGRESS AND EGRESS AGREEMENT

It is the intention and agreement of the parties or lot owners that all of their property as shown on the said plat will be used for office or commercial purposes and the parties or lot owners hereby grant reciprocal easements, as shown on said plat, entitling the parties or lot owners, their tenants, licensees, invitees, assigns, heirs or successors to use the parking area, driveways, lanes and walks, as shown on said plat for ingress, egress and parking. Said easements shall run with and bind with the land.

SECTION 3: MAINTENANCE OF PARKING AND LANDSCAPING AREAS

Each party or lot owner hereby agrees to pave, paint stripes, clean, maintain and light their own or leased part of the parking area at their own expense during the period the shopping or business center is in existance.

SECTION 4: COMMON WALL AGREEMENT

It is hereby understood by all parties or lot owners that there presently exists a common fire wall between two buildings along the property line approximately 100 feet long. It is further agreed between each lot owner that each lot owner owns one-half of this fire wall and each lot owner has the right to attach a building onto said wall; further, that in the event that there is an overhang from a roof parapet this overhang creates an easement and that lot owner has the right to said air space; further, in the event that the use of the property should change on either of the adjoining buildings and specific improvements have to be made to the fire wall to comply with the building code, then it is the responsibility of the one lot owner making the change to make all of the improvements - under no circumstances can one lot owner require the other lot owner to make improvements on his side of the fire wall due to any change in occupancy or any building code requirements on his side of the fire wall; each lot owner is responsible for maintaining his side of the fire wall and making any necessary structural repairs as long as the buildings are in existance; further, in the event of fire or destruction of either building, the lot owner of that building may reconstruct the building and attach on to the existing fire wall.
