SINGLE FAMILY HOMES
RESTRICTIVE COVENANTS
SECTION "D"

- All lots in the subdivision shall be known and described as residential lots, and shall be used for single-family residential purposes exclusively and no lot shall be subdivided so as to reduce the size of the lot. All buildings and other structures erected upon any lot shall not be moved from other locations onto a lot. No structures, except as otherwise provided shall be erected, altered, placed or permitted to remain on any lot other than one detached single family residence dwelling not to exceed two (2) stories in height and an attached private garage for not more than three cars. The foregoing shall not prohibit construction of one residence upon two or more lots.
- Every one story dwelling erected on any lot shall each have not less than 2000 square feet of heated floor space with a ceiling height of not less than eight (8) feet in all enclosed, heated, habitable areas. The first or main floor of any one and one half or two story dwelling construction shall have not less than 1600 square feet of floor space. All two story or story and one-half dwellings shall have a minimum of 2400 square feet of heated floor space.
- Building line setbacks shall be left to the discretion of the building inspector and the interpretation of the zoning ordinance, but not case shall be less than 50 feet.
- No noxious or offensive trade or activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become any annoyance or nuisance to the neighborhood.
- Vegetable gardening shall be allowed only to the rear of the home.
- No building shall be erected on any lot in the subdivision until the building plans, specifications and plot plan showing the location of such building have been approved in writing as to the conformity and harmony with existing structures in the subdivision and as to location of the buildings with respect to topography and finished ground elevation by Pat Earnheart, or by a duly appointed representative of Pat Earnheart. In the event that Pat Earnheart or his duly appointed representative fails to approve or disapprove such design and location within a period of thirty (30) days after said plans and specifications have been submitted to them, or if no litigation to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant shall be deemed fully complied with. Neither Pat Earnheart nor his duly appointed representative should be entitled to any compensation for services performed pursuant to this covenant.
- Opening of garages should not be visible from the streets except for corner lots. All dwellings must have a minimum of a double garage.
- No window air conditioner shall be allowed. The use of solar panels is also prohibited.
- All radio and television antennas shall be installed in the interior of the residence in such a way as not to be visible from outside. Satellite communication system dishes shall be permitted to be installed not over 24 inches in diameter.
- No motor vehicle or any other vehicle, including a boat, motorboat trailer, lawn mower, tractor, or similar vehicle may be stored on any lot except in a building or fenced in area. No repair of automobiles or any other vehicles on property, including those enumerated in any of the restrictions shall take place on any lot where such repairs constitute or are done for a commercial purpose.
- No plumbing or heating vent shall be placed on the front side of any roof. All vents protruding from roofs shall be painted the same color as the roof covering.
- Swimming pools will be permitted. However, fencing of swimming pool areas must be within achieved setback lines.
- The contractor or owner shall provide dust abatement and erosion control measures in all stages of construction.
- The builder must remove all building debris, stumps, trees, etc. from each lot as often as necessary to keep the house and lot attractive. Such debris shall be legally disposed of off site.
- No structure of a temporary character such as a trailer, garage, barn or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently. Construction of new buildings only shall be permitted, it being the intent of this covenant to prohibit the moving of any existing building onto a lot and remodeling or converting it into a dwelling unit.
- There shall be no silver finish metal doors (including glass sliding doors) or windows of any kind; however, a factory painted or anodized finish may be used. The color of such finish should be natural earth tones.
- No chain link fences may be used. No fences shall be constructed on any lot nearer than the road right-of-way, Pat Earnheart, or his duly appointed representative prior to construction must approve all fences, including fences for back yards and swimming pools. Any fencing in front of any house shall be of PVC construction, either 2 or 3-rail type.
- There shall be no signs nailed to trees at any time. All builders and contractors signs are to be removed from the lot after the house has been completed.
- No animals, livestock, or poultry of any kind shall be raised, kept or bred on any lot, except horses, dogs, cats and other household pets, which may be kept provided, they are not kept or bred for any commercial purposes. One horse per acre, or portion of an acre, will be allowed for each lot.
- No outside clotheslines shall be permitted.
- The location and design of all mailboxes shall be subject to approval of Pat Earnheart or his duly appointed representative.
- Neither the developer, nor any architect, nor agent thereof, shall be responsible in any way for any defects in plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.
- If the parties hereto or any of them or their heirs or assigns shall violate any of the covenants or restrictions herein before they expire, it shall be lawful for any other person or persons owning lots in this subdivision to prosecute any proceedings at law or in equity against person to persons violating or attempting to violate any such covenant or restriction and either to prevent him or them from doing so or to recover damages for such violations.
- Invalidation of any one of the covenants by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.
- Construction of any dwelling shall be completed within twelve (12) months from commencement of construction.
- These covenants are to run with the land and shall be binding upon parties and persons claiming under them for a period of five (5) years from the date these covenants are recorded. After which time said covenants shall continue in force and effect until an instrument signed by 2/3 majority of the then owners of the lots have been recorded agreeing to change said covenants in their entirety or in part. Each lot shall have one vote as long as the developer, Pat Earnheart owns more than 50 percent of the lots. The developer may amend these covenants without the consent of the other lot owners.
- There shall be a minimum of 15 foot side yards each side.
- Concrete head walls will be required on the driveway culverts, which are the responsibility of the lot owner, not the developer.
- This subdivision is classified as a low-density rural type development, which utilizes road ditches and natural streams to convey storm water. It is not the intent of the developer to ever improve these ditches or streams in any manner other than what is required by the governing authority for final subdivision approval. No present future governing authority is under any obligation, either written or spoken, to improve said ditches and streams. Purchasers of these lots are to maintain said ditches and streams so as to prevent erosion and to convey the storm water in such a manner not to cause a problem upstream or downstream of their lot.
- All driveways must be hot mix asphalt or concrete. Gravel drives will be permitted up to three (3) months after occupancy of the home.
- There shall be no above ground Liquefied Gas Tanks on any lot.
