and any further sums which the party of the third part, or any holder or holders of the notes hereby secured may advance to take care of taxes, insurance, or prior encumbrances on the above described real estate, or any part thereof.

The party of the first part agrees to keep all of the taxes and special assessments on the above described land paid, and if he fails so to do, the holder or holders of the above described notes may pay said taxes and assessments and the amounts so paid, with interest at the rate of eight per cent per annum from date of payment to date of reimbursement, shall become a part of the indebtedness secured hereby.

The party of the first part agrees to keep the improvements on said property in a good state of repair, and to insure the same against loss by fire and tornado in some responsible insurance company approved by the party of the third part, or his assigns, for the insurable value thereof, with a regulation mortgagee's subrogation clause attached to each policy making said insurance payable in case of loss to the party of the third part as his interest may appear, and to deliver the policy or policies and renewal receipts therefor to said party of the third part. In case of the failure of the party of the first part to keep said buildings so insured, the party of the third part, or his assigns, may effect such insurance and the amount so paid, with interest at the rate of eight per cent per annum from date of payment to date of reimbursement, shall become a part of the indebtedness secured hereby.

NOW, THEREFORE, if the party of the first part shall pay all of the indebtedness secured hereby this conveyance shall be null and void and shall be released at his expense, but if said party of the first part shall fail to pay said notes, or any of them, or any part thereof, or the interest thereon, when due, or shall fail to pay the taxes and special assessments on said property prior to the date of sale thereof for delinquent taxes, or shall fail to pay all items due on account of insurance as provided herein, then all of the indebtedness secured hereby shall, at the option of the holder or holders of said notes, become due and payable, and the party of the first part hereby authorizes and fully empowers said trustee, or any successor in trust, upon any such default to proceed to sell the property hereinabove described to pay the amount then due hereunder. The sale of said real estate shall be made at the front door of any Court House in the County where any of said real estate is situated at the time of the sale, within legal hours, at public outcry to the highest bidder for cash, after the acting trustee has given notice of the place and terms of said sale according to the laws of the State of Mississippi governing sales of lands under trust deeds in force at the time the publication of said notice is begun. The acting trustee may sell said property without taking possession of the same, and is authorized to appoint an agent and auctioneer to make such sale in his absence, which sale shall be as valid as if made by said trustee.

From the proceeds of said sale the acting trustee shall first pay the cost of executing this trust, including a reasonable fee for himself and his attorney; then he shall pay any sums advanced by the party of the third part on account of taxes or insurance on said property; then he shall pay any balance of principal and interest which shall be due on the indebtedness secured hereby; and if any balance then remains in his hands he shall pay the same to the party of the first part, his heirs or assigns.

The party of the third part, or any holder of the above described notes, may at any time appoint another Trustee in the place and stead of the party of the second part, or any successor or successors in trust.
