THIS CONVEYANCE, HOWEVER, IS IN TRUST to secure prompt payment of the above indebtedness and all other indebtedness that
may become due and owing to the Beneficiary under the terms of this instrument and secured hereby. If Grantors shall pay said indebted-
ness promptly when due and perform all covenants made hereunder by Grantors, then this conveyance shall be void and of no effect.
However, if at any time the indebtedness herein secured, or interest thereon, or any renewals or extensions thereof, or any part or install-

edness at that time owing to the Beneficiary herein by the Grantors, with interest thereon up to the date of making the sale; the overplus, if
any there be, to be paid to the Grantors, their legal representative, heirs (successors) or assigns.

The Grantors desire to secure and make certain the payment of said notes, and of any and all renewals and extensions thereof. Now,
therefore, the Grantors agree and bind themselves that so long as any part of the indebtedness aforesaid shall remain unpaid, they will pay
all taxes and assessments against said property promptly when due, and deposit all tax receipts with the Beneficiary; will insure the build-
ings on said property for not less than the current fair market value against fire, windstorm, and such other casualties as the Beneficiary may
require, in some insurance company or companies approved by the Beneficiary, and cause said policies to be made payable to the
Beneficiary as his interest may appear, and deposit said policies with the Beneficiary as further security for said debt, no responsibility for

In the event of any casualty loss, Grantors direct any insurer to pay Beneficiary directly and appoint Beneficiary as attorney in fact to endorse any draft to the extent not prohibited by law.

If Grantors fail to provide the insurance and pay all taxes, assessments or other governmental charges as herein provided and maintain repairs and protect and preserve the property; the Beneficiary or any other future holder of the indebtedness hereby secured at its option and discretion may secure and pay such insurance, and pay such taxes, assessments, and other governmental charges and repairs, and cure, without obligation, a default under any prior lien or deed of trust and all expenditures for such purposes shall become an indebtedness of the Grantors, due upon demand, and the payment of the same shall be secured by this instrument. The curing of any default by the Beneficiary or any future holder of the indebtedness hereby secured shall not prevent or excuse any default on the part of the Grantors or operate as a waiver of any right to cure any default hereunder. Any rights provided herein to the Beneficiary accrue to any future holder.

Grantors have the right to pay more than the payment schedule in said note requires or to pay said note in full at any time. In the event of a prepayment of said note, unless this is a Section 32 mortgage loan or the prepayment is the result of a renewal or refinance of said note by the note holder, the holder of said note may charge a prepayment penalty not exceeding for each of the first five years following the date of said note, the following percentage of the balance of said note (after crediting any unearned finance charge): (1) 5% of the unpaid principal balance if prepaid during the first year; (2) 4% of the unpaid principal balance if prepaid during the second year; (3) 3% of the unpaid principal balance if prepaid during the third year; (4) 2% of the unpaid principal balance if prepaid during the fourth year; (5) 1% of the unpaid principal balance if prepaid during the fifth year; and (6) no penalty if prepaid more than five years from the date of the note creating the debt.

The following are authorized to select and substitute another Trustee in the place of the above-named Trustee, or any successor, at any time any of them may so desire, namely: (1) the Beneficiary herein, (2) if there be more than one Beneficiary, then any one of them, or (3) any future holder on the indebtedness secured hereby, or any part thereof. It shall not be necessary to obtain the consent or resignation of the original Trustee, or any successor, before appointing another Trustee in his place, and any such appointee, who may be an agent, employee, or officer of the Beneficiary, shall have full and sole power as Trustee herein. Any part of this instrument contrary to applicable law shall not invalidate the other parts of the agreement.

Grantors agree that no other party, lender or Beneficiary under this Deed of Trust or the notes herein described has any responsibility to review the provisions, if any, in any prior mortgage or deed of trust encumbering said property which declare the entire balance of the indebtedness secured by such prior mortgage or deed of trust to be immediately due and payable in the event Grantors further encumber said property with regard to any of Grantors liabilities under any such prior mortgage or deed of trust.
