Together with all improvements and appurtenances now or hereafter erected on, and all fixtures of any and every description now or hereafter attached to, said land (all being herein referred to as the "Property"). Notwithstanding any provision in this agreement or in any other agreement with Secured Party, the Secured Party shall not have a nonpossessory security interest in and its Collateral or Property shall not include any household goods (as defined in Federal Reserve Board Regulation AA, Subpart B), unless the household goods are identified in a Security Agreement and are acquired as a result of a purchase money obligation. Such household goods shall only secure said purchase money obligation (including any refinancing thereof).

THIS CONVEYANCE, HOWEVER, IS IN TRUST (subject to the covenants, stipulations and conditions below), to secure prompt payment of all existing and future indebtedness due by Debtor to Secured Party under the provisions of this Deed of Trust. If Debtor shall pay said indebtedness promptly when due and shall perform all covenants made by Debtor, then this conveyance shall be void and of no effect. If Debtor shall be in default as provided in Paragraph 9, then, in that event, the entire indebtedness, together with all interest accrued thereon, shall, at the option of Secured Party, be and become at once due and payable without notice to Debtor, and Trustee shall, at the request of Secured Party, sell the Property conveyed, or a sufficiency thereof, to satisfy the indebtedness at public outcry to the highest bidder for cash. Sale of the property shall be advertised for three consecutive weeks preceding the sale in a newspaper published in the county where the Property is situated, or if none is so published, then in some newspaper having a general circulation therein, and by posting a notice for the same time at the courthouse of the same county. The notice and advertisement shall disclose the names of the original debtors in this Deed of Trust. Debtors waive the provisions of Section 89-1-55 of the Mississippi Code of 1972 as amended, if any, as far as this section restricts the right of Trustee to offer at sale more than 160 acres at a time, and Trustee may offer the property herein conveyed as a whole, regardless of how it is described.

If the Property is situated in two or more counties, or in two judicial districts of the same county, Trustee shall have full power to select in which county, or judicial district, the sale of the property is to be made, newspaper advertisement published and notice of sale posted, and Trustee's selection shall be binding upon Debtor and Secured Party. Should Secured Party be a corporation or an unincorporated association, then any officer thereof may declare Debtor to be in default as provided in Paragraph 9 and request Trustee to sell the Property. Secured Party shall have the same right to purchase the property at the foreclosure sale as would a purchaser who is not party to this Deed of Trust.

From the proceeds of the sale Trustee shall first pay all costs of the sale including reasonable compensation to Trustee; then the indebtedness due Secured Party by Debtor, including accrued interest and attorney's fees due for collection of the debt; and then, lastly, any balance remaining to Debtor.

IT IS AGREED that this conveyance is made subject to the covenants, stipulations and conditions set forth below which shall be binding upon all parties hereto.

1. This Deed of Trust shall also secure all future and additional advances which Secured Party may make to Debtor from time to time upon the security herein conveyed. Such advances shall be optional with Secured Party and shall be on such terms as to amount, maturity and rate of interest as may be mutually agreeable to both Debtor and Secured Party. Any such advance may be made to any one of the Debtors should there be more than one, and if so made, shall be secured by this Deed of Trust to the same extent as if made to all Debtors. However, on all transactions covered by Truth in Lending, when Debtor's notes, debts, obligations and liabilities to Secured Party (in any form) arising out of existing, concurrent and future credit granted by Secured Party are secured by this Deed of Trust, it will be so indicated on the document that evidences the transaction. Therefore this Deed of Trust will in no way secure any form of credit governed by the Truth in Lending Act unless the document which evidences the Credit Transaction indicates by proper disclosure that the Transaction is secured by this Deed of Trust.

2. This Deed of Trust shall also secure any and all other indebtedness of Debtor due to Secured Party with interest thereon as specified, or of any one of the Debtors should there be more than one, whether direct or contingent, primary or secondary, sole, joint or several, now existing or hereafter arising at any time before cancellation of this Deed of Trust. Such indebtedness may be evidenced by note, open account, overdraft, endorsement, guaranty or otherwise. However, on all transactions covered by Truth in Lending, when Debtor's notes, debts, obligations and liabilities to Secured Party (in any form) arising out of existing, concurrent and future credit granted by Secured Party are secured by this Deed of Trust, it will be so indicated on the document that evidences the transaction. Therefore this Deed of Trust will in no way secure any form of credit governed by the Truth in Lending Act unless the document which evidences the Credit Transaction indicates by proper disclosure that the Transaction is secured by this Deed of Trust.

3. Debtor shall keep all improvements on the land herein conveyed insured against fire, all hazards included within the term "extended coverage", flood in areas designated by the U.S. Department of Housing and Urban Development as being subject to overflow and such other hazards as Secured Party may reasonably require in such amounts as Debtor may determine but for not less than the indebtedness secured by this Deed of Trust. All policies shall be written by reliable insurance companies acceptable to Secured Party, shall include standard loss payable clauses in favor of Secured Party and shall be delivered to Secured Party. Debtor shall promptly pay when due all premiums charged for such insurance, and shall furnish Secured Party the premium receipts for inspection. Upon Debtor's failure to pay the premiums, Secured Party shall have the right, but not the obligation, to pay such premiums. In the event of a loss covered by the insurance in force, Debtor shall promptly notify Secured Party who may make proof of loss if timely proof is not made by Debtor. All loss payments shall be made directly to Secured Party as loss payee who may either apply the proceeds to the repair or restoration of the damaged improvements or to the indebtedness of Debtor, or release such proceeds in whole or in part to Debtor.

4. Debtor shall pay all taxes and assessments, general or special, levied against the Property or upon the interest of Trustee or Secured Party therein, during the term of this Deed of Trust before such taxes or assessments become delinquent, and shall furnish Secured Party the tax receipts for inspection. Should Debtor fail to pay all taxes and assessments when due, Secured Party shall have the right, but not the obligation, to make these payments.

5. Debtor shall keep the Property in good repair and shall not permit or commit waste, impairment or deterioration thereof. Debtor shall use the Property for lawful purposes only. Secured Party may make or arrange to be made entries upon and inspections of the Property after first giving Debtor notice prior to any inspection specifying a just cause related to Secured Party's interest in the Property. Secured Party shall have the right, but not the obligation, to cause needed repairs to be made to the Property after first affording Debtor a reasonable opportunity to make the repairs.

Should the purpose of the primary indebtedness for which this Deed of Trust is given as security be for construction of improvements on the land herein conveyed, Secured Party shall have the right to make or arrange to be made entries upon the Property and inspections of the construction in progress. Should Secured Party determine that Debtor is failing to perform such construction in a timely and satisfactory manner, Secured Party shall have the right but not the obligation, to take charge of and proceed with the construction at the expense of Debtor after first affording Debtor a reasonable opportunity to continue the construction in a manner agreeable to Secured Party.

6. Any sums advanced by Secured Party for insurance, taxes, repairs or construction as provided in Paragraphs 3, 4 and 5 shall be secured by this Deed of Trust as advances made to protect the Property and shall be payable by Debtor to Secured Party, with interest at the rate specified in the note representing the primary indebtedness, within thirty days following written demand for payment sent by Secured Party to Debtor by certified mail. Receipts for insurance premiums, taxes and repair or construction costs for which Secured Party has made payment shall serve as conclusive evidence thereof.

7. As additional security Debtor hereby assigns to Secured Party all rents accruing on the Property. Debtor shall have the right to collect and retain the rents as long as Debtor is not in default as provided in Paragraph 9. In the event of default, Secured Party in person, by an agent or by a judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and collect the rents. All rents so collected shall be applied first to the costs of managing the Property and collecting the rents, including fees for a receiver and an attorney, commissions to rental agents, repairs and other necessary related expenses and then to payments on the indebtedness.

8. This Deed of Trust (indenture) may not be assumed by any buyer from Debtor. Any attempted transfer of any interest in this property (including, but not limited to possession) will constitute a default and Secured Party may accelerate the entire balance of the indebtedness.

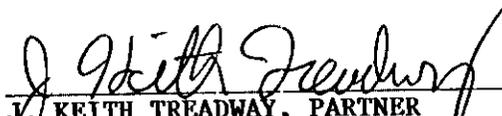

If Secured Party elects to exercise the option to accelerate, Secured Party shall send Debtor notice of acceleration by certified mail. Such notice shall provide a period of thirty days from the date of mailing within which Debtor may pay the indebtedness in full. If Debtor fails to pay such indebtedness prior to the expiration of thirty days, Secured Party may, without further notice to Debtor, invoke any remedies set forth in this Deed of Trust.
