of the DeSoto County/Parish, Mississippi,

records on 08/21/2007 and (2) the Note bearing the same date as, and secured by, the Security Instrument, which covers the real and personal property described in the Security Instrument and defined therein as the "Property", located at :

3. (A) Time and Place of Payment

Borrower will pay principal and interest by making payments each month.

Borrower will make monthly payments on the **1st** day of each month beginning on **June, 2008**.

Borrower will make payments every month until all of the principal and interest and any other charges that Borrower may owe under the Note have been paid. Borrower's monthly payments will be applied to interest before principal. If on **May 1, 2038**, Borrower still owes amounts under the Note, Borrower will pay those amounts in full on that date, which is called the "Maturity Date".

Borrower will make monthly payments at **Department 2520, P.O. Box 2153, Birmingham, AL 35287-2520** or at a different place if required by Lender.

(B) Amount of Borrower's Initial Monthly Payments

Each of Borrower's initial monthly payments will be in the amount of U.S. \$ **1,325.29** . This amount may change.

(C) Monthly Payment Changes

Changes in the Borrower's monthly payment will reflect changes in the unpaid principal of the Note and in the interest rate that Borrower must pay. Lender will determine the new interest rate and the changed amount of the monthly payment in accordance with Section 4.

4. (A) Change Dates

The interest rate Borrower will pay may change on the **1st** day of **May, 2011**, and on that day every 12 months thereafter. Each date on which the interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, Borrower's interest rate will be based on an Index. The "Index" is either the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one (1) year, as made available by the Federal Reserve Board, or the weekly average yield on the London Interbank Offered Rate (LIBOR) adjusted to a constant maturity of one (1) year, as published by the Wall Street Journal, depending on the product you have selected. You may ask your lender for a copy of the Index for the product you have selected.

The most recent Index figure available as the date forty-five (45) days before each Change Date is called the "Current Index".

If the Index is no longer available, Lender will choose a new index that is based upon comparable information. Lender will give Borrower notice of this choice.

(C) Calculation of Changes

Before each Change Date, Lender will calculate Borrower's new interest rate by adding **two and one-quarter** percentage point(s) (**2.250%**) to the Current Index. Lender will then round the result of this addition to the nearest one eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be the new interest rate until the next Change Date.

Lender will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that Borrower is expected to owe at the Change Date in full on the Maturity Date at the new interest rate in substantially equal payments. The result of this calculation will be the new amount of the Borrower's monthly payment.

(D) Limits on Interest Rate Changes

(Please check appropriate boxes; if no box is checked, there will be no maximum limit on changes.)

- (1) There will be no maximum limit on rate changes.
- (2) The interest rate Borrower is required to pay at the first Change Date will be no greater than 7.250% or less than 3.250%.
- (3) Borrower's interest rate will never be increased or decreased on any single Change Date by more than two percentage point(s) (2.000%) from then rate of interest Borrower has been paying for the preceding period.
- (4) Borrower's interest rate will never be greater than 11.250% which is called the "maximum rate".

(E) Effective Date of Changes

Borrower's interest rate will become effective on each Change Date. Borrower will pay the amount of the new monthly payment beginning on the first monthly payment date after the Change Date until the amount of the monthly payment changes again.

(F) Notice of Changes

Lender will deliver or mail to Borrower a notice of any changes in the interest rate and the amount of the monthly payment before the effective date of any change. The notice will include information required by law to be given to Borrower and also the title and telephone number of a person who will answer any questions Borrower may have regarding this notice.

5. If all or any of the Property or any interest in it is sold or transferred (or a beneficial interest in the Borrower is sold or transferred and Borrower is not a natural person) without the Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by the Security Instrument.

If the Lender exercises this option, Lender shall give the Borrower notice of acceleration. The notice shall provide a period of not less than thirty (30) days from the date the notice is delivered or mailed within which the Borrower must pay all sums secured by Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower.

6. Borrower also will comply with all other covenants, agreements, and requirements of the Security Instrument, including without limitation, Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that Borrower is obligated to make under the Security Instrument.

- 7. Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and Security Instrument. Except, as otherwise specifically provided in this Agreement, the Note and Security Instrument will remain unchanged, and Borrower and Lender will be bound by, and comply with, all of the terms and provisions thereof, as amended by this Agreement.
- 8. This Modification of Note and Security Instrument shall bind to the benefit of the parties hereto and their respective heirs, successors and permitted assigns.
