To Whom It May Concern:

Please allow me the opportunity to explain the intent of the attached document. We are not requesting that the County Recorder's Office notify us of anything. This document is to be filed (and hopefully cross-indexed against the referenced Deed of Trust) of record so that if the referenced lender conducts due diligence prior to any foreclosure proceedings, this document will be discovered and we will be duly notified by said lender – not the county. It is simply a formal request of record for notification from one lienholder to another. In light of this explanation, I would ask that you respectfully reconsider filing this document in your office. If this letter is in any way unclear, or if you would like to discuss the matter further, please do not hesitate to contact me directly.

Respectfully,

John Miles
