

RIGHT OF WAY INSTRUMENT

In consideration of \$ 100 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally for and on behalf of our heirs, successors and assigns and any other person claiming the property hereinafter described, called collectively "Grantor") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY, its successors and assigns (herein called "Grantee"), a right of way and easement 90 feet in width for the location, construction, reconstruction, operation, maintenance and removal of electric power lines and circuits and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances now or hereafter used, useful or desired in connection therewith, ~~together with the right on said right of way at any time, now or in the future, to lay, construct, inspect, maintain, repair, renew, substitute, change the size of and remove one or more pipelines and all appurtenances thereto for the transportation of liquids, gases, solids, or mixtures of any or all thereof~~ and together with the right on said right of way at any time, now or in the future, to locate, construct, reconstruct, operate and maintain one or more communications lines and circuits with associated hardware, equipment, material and appliances for use by Grantee and/or other parties over, across, under or on that land in the County of DeSoto, Mississippi, described as follows, to-wit:

Southeast 1/4 Section 7, Township 2 South, Range 7 West, DeSoto County, Mississippi, as per Exhibit "A" attached hereto and made a part hereof. Grantors convey an easement 90 feet wide adjacent to and parallel with the west side of an existing electric transmission line Right-of-Way as it crosses their lands in the Southeast 1/4 Section 7, Township 2 South, Range 7 West, whether correctly described in Exhibit "A" or not.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way. Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, ~~condition, treat or~~ otherwise remove all trees, timber, undergrowth and other obstructions. Grantee shall have the further right to cut down, from time to time, all trees that are tall enough to strike the wire in falling, where located beyond the limits of said right of way (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantors, or successors in title, the reasonable market value of danger trees cut thereafter. Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way. ~~Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.~~ It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights he created in Grantee, that Grantee will not enclose said right of way and that Grantor will use the best efforts to protect Grantee's property on said right of way
