We covenant with the said UNITED STATES OF AMERICA that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; except that the UNITED STATES OF AMERICA shall remain liable for any damage to growing crops and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees in the erection and maintenance of or in exercising a right of ingress and egress to said line.

We, for ourselves, our heirs, personal representatives, successors, and assigns, covenant with the UNITED STATES OF AMERICA that no buildings or fire hazards will be erected or maintained within the limits of the right-of-way, and agree that this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.
