FOR AND IN CONSIDERATION of the sum of FIVE THOUSAND NINE HUNDRED AND NO/100 DOLLARS (\$5,900.00), cash in hand paid, receipt whereof is hereby acknowledged, we, the undersigned,

JAMES T. ROBERTSON and wife, VALERIA B. ROBERTSON

have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the UNITED STATES OF AMERICA a permanent easement and right-of-way for the following purposes, namely: the perpetual right to enter and to erect, maintain, repair, rebuild, operate, and patrol one line of poles or transmission line structures with sufficient wires and cables for two electric power circuits and communication circuits, including the existing Entergy Mississippi, Inc., circuits, and all necessary appurtenances, in, on, over, and across said right-of-way, together with the right to clear said right-of-way and keep the same clear of brush, trees, buildings, and fire hazards, the right after the date of execution of this agreement to destroy or otherwise dispose of trees and brush within said right-of-way, and to remove danger trees, if any, located beyond the limits of said right of way (danger trees being any trees located beyond the limits of said right-of-way which in falling could come within 5 feet of any transmission line structure or conductor), all over, upon, across, and under the land described in Exhibit A hereto attached and by this reference hereby incorporated in and made a part of this instrument as fully as if here written.

Said easement rights are conveyed subject to an easement and right-of-way owned by Entergy Mississippi, Inc. (formerly known as Mississippi Power & Light Company) with respect to all of said right-of-way and danger trees, by virtue of a warranty deed from Northcentral Mississippi Electric Power Association to Mississippi Power & Light Company dated December 30, 1960, and recorded in Deed Book 49, page 11, grants to Northcentral Mississippi Electric Power Association recorded in Deed Book 37, pages 390 and 403, all in the office of the Chancery Court Clerk of DeSoto County, Mississippi, and Grantee's right under an agreement with Entergy Mississippi, Inc., dated March 1, 1998.

Tract FRM-241 is a part of the same property acquired by Valeria B. Robertson by deeds recorded in Deed Books 76 and 128, pages 414 and 135, and a part of the same property acquired by James T. Robertson and wife, Valeria B. Robertson, by deed recorded in Deed Book 280, page 178, all in the office of the Chancery Court Clerk of DeSoto County, Mississippi.

TO HAVE AND TO HOLD the said easement and right-of-way to the UNITED STATES OF AMERICA and its assigns forever.

We covenant with the said UNITED STATES OF AMERICA that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the easement rights hereinabove described, that said property is free of all encumbrances, except existing easement rights, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage caused by the exercise of any of the rights above described; except that the UNITED STATES OF AMERICA shall remain liable for any damage to growing crops and any direct physical damage caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees in the erection and maintenance of or in exercising a right of ingress and egress to said line.

We, for ourselves, our heirs, personal representatives, successors, and assigns, covenant with the UNITED STATES OF AMERICA that no buildings or fire hazards will be erected or maintained within the limits of the right-of-way, and agree that this shall be a real covenant which shall attach to and run with the land affected by the easement rights and shall be binding upon everyone who may hereafter come into ownership of said land, whether by purchase, devise, descent, or succession.
