Line/Project Identification: Twinkletown to Church Rd. 230kv

RIGHT-OF-WAY INSTRUMENT
ENTERGY MISSISSIPPI, INC.

KNOW ALL MEN BY THESE PRESENTS THAT: Odum Austin Road Projects, LLC.

(referred to collectively, whether one or more, as "Grantor") for and in consideration of One Dollar, in hand paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby grant, bargain, sell, transfer, assign, convey and warrant unto, and defend Entergy Mississippi, Inc., and its successors and assigns (collectively "Grantee"), a right-of-way, servitude and easement 100' feet in width (see attached exhibit "B") for the location, relocation, improvements, repair, construction, reconstruction, operation, inspection, patrol, replacement, removal and maintenance of one or more electric power lines, circuit or circuits and/or communication facilities, now or in the future, including, but not necessarily limited to, poles, towers, cross arms, insulators, wires, cables, conduits, hardware, transformers, switches, guy wires, anchors and other equipment, structures, material and appurtenances, now or hereafter used, useful or desired in connection therewith by Grantee (hereinafter "Grantee's facilities") over, across, under or on that land of Grantor in the County of Desoto, State of Mississippi described as follows, to-wit:

Situated in the Northeast ¼ of Section 14, Township 2 South, Range 9 West, Desoto County, Mississippi and recorded in Book 495-page 470, at the Register's Office of Desoto County, Mississippi

Grantor hereby grants to Grantee the rights of ingress and egress at any time, without notice, to, from, or along said right-of-way across the adjoining land of the Grantor, including, but not limited to, the passage of vehicles and equipment upon said right-of-way; the right to install, extend and maintain guy wires and anchors beyond the limits of said right-of-way; and the right of Grantee to assign, license, and otherwise permit others to use in whole or part any or all of the rights, easements, servitudes, privileges or appurtenances granted herein.

Grantee shall have the full and continuing right, without further compensation, to clear and keep clear vegetation within or growing into said right-of-way and the further right to remove or modify from time to time trees, limbs, and/or vegetation outside the said right of way which Grantee considers a hazard to any of Grantee's facilities or a hazard to the rendering of adequate and dependable service to Grantor or any of Grantee's customers, by use of a variety of methods used in the vegetation management industry. As used in this paragraph, "hazard" includes any trees, limbs, and/or vegetation that Grantee determines are tall enough that if they fell may strike, hit, or come in contact with any of Grantee's facilities. Payment for the first cutting of trees, limbs, and other vegetation outside of the right-of-way is included in the initial consideration paid to Grantor. Grantee shall pay to Grantor, or Grantor's successor in title, the reasonable market value, as timber, of such trees when removed in the future outside of the said right-of-way.

Grantee shall pay Grantor for physical damages to Grantor's buildings or other structures located outside said right-of-way and to Grantor's growing annual crops, road, bridges and fences caused by the construction and maintenance of Grantee's facilities.

Grantor retains the right to use for Grantor's own purposes the land covered by the said right-of-way so long as such use does not interfere with Grantee's use of said right-of-way and other rights herein granted.

Grantor shall not construct or permit the construction of any structure, obstruction or other hazard within the said right-of-way, including but not limited to, house, barn, garage, shed, pond, pool, water impoundment, excavation or well, excepting only Grantor's fence(s) and Grantee's facilities. Grantor shall not construct or permit the construction of any buildings or other structures on land adjoining said right-of-way in violation of the minimum clearances from the lines and facilities of Grantee, as provided in the National Electrical Safety Code.
