RIGHT-OF-WAY INSTRUMENT
ENTERGY MISSISSIPPI, INC.

KNOW ALL MEN BY THESE PRESENTS THAT: DeSoto County, Mississippi, by and through the Desoto County Board of Supervisors, 365 Loshier Street, Hernando, MS Grantor(s), acting individually, and for, and on behalf of, my/our heirs, successors, assigns and any other person claiming the ownership to the property hereinafter described, collectively "Grantor", for and in consideration of One Dollar, in hand paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby grant, assign, convey unto and warrant and defend Entergy Mississippi, Inc., and its successors and assigns, collectively "Grantee", a right-of-way, servitude and easement 30 feet in width for the location, construction, reconstruction, improvements, repairs, operation, inspection, patrol, replacement and maintenance of electric power and communication facilities, or the removal thereof, now or in the future, including, but not necessarily limited to, poles, cross arms, insulators, wires, cables, conduits, hardware, transformers, switches, guy wires, anchors and other equipment, structures, material and appurtenances, now or hereafter used, useful or desired in connection therewith by Grantee over, across, under or on that land of Grantor in the County of DeSoto, State of Mississippi described as follows, to-wit:

A certain parcel of land lying and being situated in the NE quarter of the NW quarter of Section 36, Township 1S, Range 8W, DeSoto County, Mississippi, as shown on Exhibit "A" attached hereto and made a part hereof.

together with the right of ingress and egress to and from said right-of-way across the adjoining land of the Grantor and the right to attach wires and cables of any other party to Grantee's facilities, and the right to install guy wires, anchors, and anchor assemblies beyond the limits of said right-of-way.

Unless otherwise herein specifically provided, the center line of the electric power and communication lines initially constructed on this right-of-way shall be the center line of said right-of-way.

Grantee shall have the full and continuing right to clear and keep clear vegetation within or growing into said right-of-way and the further right to remove or modify from time to time trees, limbs, and/or vegetation outside the said right of way which Grantee considers a hazard to any of its electric power or communications facilities or a hazard to the rendering of adequate and dependable service to Grantor or any of Grantee's customers, by use of a variety of methods used in the vegetation management industry.

Grantor shall not construct or permit the construction of any structure, obstruction or other hazard within the said right-of-way, including but not limited to, house, barn, garage, shed, pond, pool or well, excepting only Grantor's fence(s) and Grantee's facilities. Grantor shall not construct or permit the construction of any buildings or other structures on land adjoining said right-of-way in violation of the minimum clearances from the lines and facilities of Grantee, as provided in the National Electrical Safety Code
